4860. Questions to Area Manager

### **4861. Area Matters**

- a. Additional funding for the North Central Area – Dave Dinnigan
- b. Age Friendly – Jim Lee
- c. Tree Management – Eoin Ward

### **4862. Items for following meetings**

### **4863. Roads and Traffic Matters**

- a. Minutes of Traffic Advisory Group meeting held on November 2014 (Report herewith)

## **MOTIONS:**

### **4864. Motion in the name of Councillor Ciarán O'Moore**

In light of the alarming high levels of lead readings in Raheny, in some case the reading has been ten times above the EU legal limit and even after six months of the water meter being installed, the HSE are telling people not to drink or cook with the water. I propose that the DCC call on the government to provide grants under the home improvement scheme to replace lead pipes as a matter of urgency.

### **4865. Motion in the name of Councillor Micheal MacDonncha, Councillor Paddy Bourke, Councillor Jane Horgan Jones, Councillor John Lyons, Councillor Larry O'Toole, Councillor Denise Mitchell, Councillor Alison Gilliland, Councillor Declan Flanagan and Councillor Michael O'Brien**

This Area Committee resolves to step up its efforts to achieve a permanent resolution to the long-standing issue of the accommodation of the extended Gavin family. We recognise that the proposed removal of the family to the St Dominic's site is not a satisfactory or viable option. We believe that provision must be made for an alternative, appropriate and managed site in line with the statutory Development Plan and the Traveller Accommodation Programme. To this end we call on council management to work with all relevant stakeholders to identify and develop a suitable site as soon as possible, given the length of time this issue has been ongoing.

### **4866. Motion in the name of Councillor Michael O'Brien**

That this area committee opposes the cuts being applied to the school completion programme in Grange Community College, Scoil Cholmcille and St Paul's Senior School and will support any campaigning initiative taken by staff, parents and students to avert them.

### **4867. Motion in the name of Councillor Michael O'Brien**

That this area committee calls for the retention of parks staff in Belcamp and Edenmore.

**4868. Motion in the name of Councillor Michael O'Brien**

That this area committee opposes landlords who participate in the RAS scheme being offered higher rents when there are outstanding issues related to environmental standards in their properties.

**4869 Motion in the name of Councillor Naoise O'Muirí**

That DCC Parks Dept develop a complimentary usage/amenity strategy across the 3 green areas in Grace Park Heights/Meadows (front green, middle green, and the green in the Meadows itself).

**4870 Motion in the name of Councillor Naoise O'Muirí**

I have been contacted by the Managing Agent for Elton Court Apartments on Philipsburgh Avenue raising concerns on behalf of the occupants in relation to problems driving out of the block because of a lot of parking on the footpaths at this location, particular around school drop-off/collection times. Can the Manager ask TAG to examine the situation and recommend the appropriate measures?

**4871 Motion in the name of Councillor Jane Horgan Jones, Councillor Damian O'Farrell and Councillor Ciarán O'Moore**

That this Area Committee agrees the following:

- That there is a need to upgrade the facilities in Marino Library to make it wheelchair and disability accessible.
- That these facilities are of particular importance in the Marino area where a lot of the residents are elderly
- That the funds required to facilitate this work would be in the region of €90,000 (reference: Q104 October Area Committee Meeting)
- That the City Council Budget 2014 makes €296,000 available to the North Central Area for discretionary purposes
- That to allocate €90,000 of these funds to a Marino Library Accessibility Project would still leave two thirds of the funding remaining for other projects or improvements in the area.
- That these funds should be allocated to this project when they become available.

**4872 Motion in the name of Councillor Deirdre Heney**

That bollards be installed on the right hand side of the footpath coming out of the entrance to Danes Court, Clontarf, to prevent trucks parking up on the footpath and continuously blocking the view of motorists exiting the complex and that the double yellow lines at this location be re-painted as they have faded and motorists are continuously parking vehicles across the entrance blocking access/egress.

North Central Dec Area Agenda 15/12/14 (TAG Date: 25/11/14)											
Item	Request	Ref	Road	Post-code	Topic	Request Description	Request by	TAG Result	TAG Comments	Sec	Date Rec'd
1	Parking Prohibitions	15046	BELMONT PARK (NC-EA)	D5	Double Yellow Lines (Rescind)	by 15m westwards of entrance to Hilltop Shopping Centre.	deputy Broughan	Not Recommended	The double yellow lines at this location were provided as a measure to maintain a through flow of traffic and to maintain optimum visibility for vehicles exiting both the shopping centre and the Hospice. The removal of a 15m section of these double yellow lines is therefore not recommended.	0	30/10/2014
2	Parking Prohibitions	14709	CARLETON ROAD (NC-EA)	D3	Double Yellow Lines	Outside No. 4.	resident	Not Recommended	Double yellow lines are provided as a measure to maintain a through flow of traffic and to prevent congestion. They operate on a 24 hour basis and are non-discriminatory. This request does not meet the criteria for the provision of double yellow lines and is therefore not recommended.	0	10/10/2014

4	Traffic Signs	15103	CHARLEMONT (NC-EA)	D9	Stop Sign	for cars exiting the Marino Institute of Education.	cilr O' Farrell	Not Recommended	Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates. Therefore this request is not recommended.	0	10/11/2014

5	Traffic Conditions	14744	CHURCH AVENUE (NC-EA)	D9	One-Way System	on Church Avenue from Grace Park Road.	deputy Flanagan	Not Recommended	<p>A one way system exists eastbound on Church Ave as far as the entrance to Drumcondra Church. Signage including a "no through road" and a "no left turn" has been provided to prevent vehicles from running northwards from Grace Park Road &amp; Ormond Road onto Church Ave.</p> <p>A one way system is not recommended on Church Ave from Ormond Road for the following reasons.</p> <p>It can result in increased traffic speeds. It can result in delays to the emergency services and affect Garda operations.</p> <ul style="list-style-type: none"> <li>• it can result in considerable inconvenience to local residents and other road users.</li> <li>• It can result in increased volumes of traffic on other local streets as traffic is diverted.</li> </ul>	0	13/10/2014
6	Parking Prohibitions	14037	COOLOCK LANE (NC-EA)	D17	Double Yellow Lines (Extend)	On Coolock Lane from the junction with Aulden Grange.	cllr Mitchell	Not Recommended	<p>Double yellow lines are provided to ensure the smooth flow of traffic and prevent congestion where parking causes congestion which would interfere with traffic flows on a daily basis.</p> <p>Following recent site visits, no adverse problems regarding parking interfering with traffic was observed. As the warrant has not been met further parking restrictions are not recommended.</p>	0	15/09/2014
7	Parking Prohibitions	14443	DANIELI ROAD (NC-EA)	D5	Single Yellow Line	for Danieli Rd to discourage illegal parking.	deputy Flanagan	Not Recommended	<p>Single yellow lines are provided to ensure the smooth flow of traffic and prevent congestion where parking causes congestion which would interfere with traffic flows at particular times.</p> <p>Following recent site visits, no adverse problems regarding parking were observed. .</p> <p>Under The Road Traffic (Traffic &amp; Parking ) Regulations, Section 36 paragraph(2) g;          "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;"</p> <p>It is not recommended to introduce parking restrictions where restrictions are already covered under the law, as this would lead to a proliferation of same and additional expense due to maintenance etc.</p> <p>Infringements of the Act should be referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.</p>	0	06/10/2014

8	Parking Prohibitions	14444	DANIELI ROAD (NC-EA)	D5	Pay & Display & Permit Parking	on Danieli Rd, Artane.	deputy Flanagan	Not Recommended	A Pay & Display & Permit Parking Scheme is not recommended for Danieli Road as the criteria for its introduction has not been met. Following site inspections less than 20 percent of the available on street parking spaces were occupied on the road where off street parking is available throughout.	0	06/10/2014
9	Traffic Conditions	11853	ELMFIELD WAY (NC-EA)	D13	Speed Cushions	at or near the entrance to Elmfield Way.	cilr Brabazon	Not Recommended	From each junction at Temple View Green, no section of carriageway on Elmfield Way is greater than 70m. As the following criteria has not been complied with: The road should have a straight run of at least 200m • Traffic volumes should exceed 60 vehicles per hour Traffic calming is not recommended.	0	16/04/2014

10	Parking Prohibitions	13115	GLENWOOD ROAD (NC-EA)	D5	Double Yellow Lines	at the junction of Glenwood Road and Tonlegee Drive, along the green.	cllr Brabazon	Not Recommended	The location was inspected on 13/10/2014 at 17.00 hours. On observation there was no evidence of parked vehicles interfering with traffic flow or visibility. Under The Road Traffic (Traffic & Parking ) Regulations, Section 36 paragraph(2) c, It is illegal to Park; "within 5 meters of a road junction". It is not recommended to introduce parking restrictions where restrictions are already covered under the law, such as extending yellow lines around corners, as this would lead to a proliferation of same and additional expense due to maintenance etc. As the warrant has not been met double yellow lines are not recommended.	0	03/07/2014
11	Traffic Conditions	11691	GRANGE ROAD (NC-EA)	D13	Yellow Box	Full yellow box at the junction of Grange Road and Grangemore Road.	cllr Brabazon	Not Recommended	A full yellow box has already been provided at this location, installed on 26/5/2013 following approval by TAG. No further action required.	0	08/04/2014
12	Traffic Signals	14162	GRIFFITH AVENUE (NC-EA)	D9	Right Turn Filter Light	from Griffith Avenue onto Grace Park Road.	resident	Not Recommended	A review of the traffic signal operation at the junction of Griffith Avenue/Grace Park Road was carried out. Making a right turn during gaps in oncoming traffic is a standard traffic manoeuvre and is performed at junctions all over the city. The provision of a right turn filter arrow is not recommended as it would reduce the overall capacity of the junction and confer a priority to vehicles turning right onto a minor road at the expense of vehicles travelling on the major road.	0	17/09/2014
13	Traffic Signs	14300	GRIFFITH AVENUE (NC-EA)	D9	3 Tonne Limit	Request for 3.5 Tonne Limit on Griffith Avenue at the Malahide Road junction.	resident	Recommended	Currently vehicles with an unladen weight which exceeds 3.5 ton are prohibited from travelling westwards on Griffith Avenue unless it is necessary for a vehicle to enter the road solely for the purpose of gaining access to or egress from premises accessible only from the road. The enforcement of height and weight restrictions for vehicles is a matter for An Garda Siochana. Dublin City Council has no plans to impose additional vehicle restrictions on Griffith Avenue. It is recommended that the location of signage is investigated and additional signage provided where necessary by The Traffic Officer.	1	25/09/2014

14	School Warden	12768	HOWTH ROAD (NC-EA)	D3	School Warden Crossing Box	before the ramps signs outside 85 Howth Road	dcc road safety	Recommended	Following inspection a 2x8m yellow box is recommended opposite no.89a Howth Road in order to facilitate a School Warden near the entrance to the squash Courts.	0	11/06/2014
15	Traffic Conditions	13551	HOWTH ROAD (NC-EA)	D5	Speed Ramps	in the vicinity of No. 367.	deputy Flanagan	Not Recommended	Howth Road is a regional Link Road connecting the north eastern suburbs with the city centre, it also serves several bus and emergency service routes. Speed ramps are not provided on such roads. All roads within the city limits have a speed restriction of 50km. per hour unless otherwise stated this includes Howth Road, therefore the provision of speed ramps are not recommended.	0	11/08/2014
16	Traffic Signs	14802	LAWRENCE GROVE (NC-EA)	D3	Children Crossing Sign	on the road.	resident	Recommended	Following investigation a "children crossing" sign (W142) is recommended at the junction of Howth Road and Lawrence Grove as it is the entrance to a housing estate from a main traffic route and the estate has a public open space where children play.	0	22/10/2014
17	Traffic Conditions	12330	MAYWOOD LAWN (NC-EA)	D5	Speed Ramps	On Maywood Lawn.	cldr O' Farrell	Not Recommended	No section of the carriageway in question is greater than 100m in length. As the following criteria has not been complied with: <ul style="list-style-type: none"> <li>• The road should have a straight run of at least 200m</li> <li>• Traffic volumes should exceed 60 vehicles per hour</li> </ul> Traffic calming is not recommended.	0	19/05/2014
18	Traffic Conditions	13923	MIDDLE THIRD (NC-EA)	D5	Speed Ramps	Install speed ramp in place of "Yield" sign, coming from DART station.	deputy Flanagan	Not Recommended	The yield sign at this junction has been provided to warn traffic that they must yield to vehicles approaching from the left on The Demesne. A ramp would not be an appropriate alternative and is therefore not recommended. Under the road traffic act , traffic on a road ending at a T junction must give way to traffic on the other road. Enforcement is a matter for the Gardaí.	0	08/09/2014
19	Parking Prohibitions	11609	RAHENY ROAD (NC-EA)	D5	Double Yellow Lines (Extend)	on the slip road on Raheny Road at the junction of Springdale Road.	deputy Flanagan	Not Recommended	Following inspection on 6/11/14, no problems were observed regarding parking on the slip road interfering with traffic flow. Therefore further parking restrictions are not recommended.	0	07/04/2014

20	Parking Prohibitions	11658	RICHMOND ROAD (NC-EA)	D3	Continuous White Line	on the road.	resident	Not Recommended	Richmond Road has a narrow and varying carriageway width, with both residential and industrial zoning on either side throughout. Under The Road Traffic (Traffic & Parking ) Regulations, Section 36 paragraph(2) d, It is illegal to park; “opposite a continuous white line” where roadway is less than 3 traffic lanes. A continuous white line would conflict with the existing parking capacity on the entire length of Richmond Road and would be unenforceable due to the narrowness of the carriageway. Therefore this request is not recommended.	0	08/04/2014
21	Traffic Conditions	11659	RICHMOND ROAD (NC-EA)	D3	One-Way System	from the junction of Grace Park Road to Fairview Strand.	resident	Not Recommended	A one way system is not recommended on Richmond Road for the following reasons. It can result in increased traffic speeds. It can result in delays to the emergency services and affect Garda operations. It can result in considerable inconvenience to local residents and other road users. It can result in increased volumes of traffic on other surrounding streets as traffic is diverted.	0	08/04/2014
22	Parking Prohibitions	11964	RICHMOND ROAD (NC-EA)	D9	Clearway (Amend Hours)	Remove clearway way on Saturdays.	cllr Horgan-Jones	Not Recommended	Richmond Road has a narrow and varying carriageway width, with both residential and industrial zoning on either side throughout. A clearway is in existence on either side of the carriageway from Grace Park Road to Fairview Strand, operational between 07.00 - 10.00hrs and 16.00 - 19.00hrs Mon. to Sat. Due to the continuing commercial activities operating on Saturdays the rescindment of the clearway on Saturday is not recommended. Regarding enforcement, Dublin Street Parking Services(D.S.P.S.) on behalf of D.C.C.operates its tow away service under the guidance of the Gardaí on match days, where priority is given to removing offending vehicles causing an obstruction. D.S.P.S. will be instructed to enforce the clearway on match days.	0	28/04/2014
23	Parking Conditions	13071	RICHMOND ROAD (NC-EA)	D9	Pay & Display & Permit Parking	Proper parking facilities for site at 15-17 Richmond Road, Glasnevin, D9.	dcc planning	Not Recommended	Formalising parking on this piece of ground between 15 and 17 Richmond Road would have to conform to standards for parking on the public carriageway. This would reduce parking spaces available due to the introduction of best practice for parking and circulation in public areas. Formally marking out this area would not be	0	11/06/2014

									possible until the entire area is resurfaced. This matter is being referred to The Road Maintenance Division for action before any formalised parking can be introduced.		
24	Parking Prohibitions	13313	RICHMOND ROAD (NC-EA)	D3	Parking Prohibition	Request for parking prohibitions on Richmond Road.	cllr O' Farrell	Not Recommended	Richmond Road has a narrow and varying carriageway width, with both residential and industrial zoning on either side throughout. A clearway is already in existence on either side of the carriageway from Grace Park Road to Fairview Strand, operational between 07.00 - 10.00hrs and 16.00 - 19.00hrs Mon. to Sat. The provision of double yellow lines on Richmond Road would cause an unreasonable inconvenience to local residents by seriously reducing the parking capacity on a road that has no off street parking. Therefore this request is not recommended.	0	22/07/2014
25	Traffic Conditions	11850	TEMPLE VIEW AVENUE (NC-EA)	D13	Speed Ramps	at the entrance to Temple View Estate.	cllr Brabazon	Not Recommended	The entrance into Temple View Estate from the Clarehall Roundabout junction is only 65m in length. This section of carriageway does not meet the criteria for the provision of traffic calming. As the following criteria has not been complied with, the road should have a straight run of at least 200m, traffic calming is not recommended.	0	16/04/2014
26	Traffic Conditions	10851	THORNVILLE AVENUE (NC-EA)	D5	Traffic Calming	opposite No. 32	cllr McDowell	Not Recommended	Traffic calming is not recommended at requested location due to the horizontal alignment does not meet the criteria for the provision of a ramp as it would be in too close proximity to a bend and considered a safety hazard.	0	03/03/2014
27	Traffic Conditions	11809	TONLEGEE ROAD (NC-EA)	D5	Yellow Box	at entrance to slip road at Nos. 301/303.	deputy Flanagan	Not Recommended	Yellow boxes are provided as a measure to prevent blocking of junctions. This request does not meet the minimum criteria for the provision of a yellow box which should serve a minimum of fifty houses or a major traffic generating facility. Therefore a yellow box is not recommended.	0	15/04/2014
28	Traffic Conditions	13384	TONLEGEE ROAD (NC-EA)	D5	Yellow Box	at the entrance to St. Monica's Youth Centre.	dcc area office	Not Recommended	The statutory measure is a yellow box junction. Yellow boxes are provided as a measure to prevent blocking of junctions and maintain traffic flow This request does not meet the criteria for the provision of a yellow box and is therefore not recommended.	0	25/07/2014

29	Parking Prohibitions	11209	TRIM ROAD (NC-EA)	D5	Double Yellow Lines	on the road.	resident	Not Recommended	Substantial parking restrictions have been provided where appropriate on either side of Trim Road to alleviate spillover parking from Beaumont Hospital. Additional restrictions would impinge further on the availability of off street parking for local residents and is therefore not recommended.	0	18/03/2014
30	Parking Prohibitions	12321	VERNON AVENUE (NC-EA)	D3	Parking Prohibition	on the road.	cllr Crimmins	Not Recommended	Parking restrictions including double yellow lines and Pay & Display have been provided where appropriate on this section of Vernon Avenue to facilitate parking and to maintain a through flow of traffic and to prevent congestion. Driver behaviour is a matter of enforcement by the Gardaí.	0	19/05/2014
31	Parking Prohibitions	13557	WATERMILL ROAD (NC-EA)	D4	Double Yellow Lines	outside and on either side of No. 20.	deputy Flanagan	Not Recommended	Double yellow lines are provided as a measure to maintain a through flow of traffic and to prevent congestion. They operate on a 24 hour basis and are non-discriminatory. Under The Road Traffic (Traffic & Parking ) Regulations, Section 36 paragraph(2) g; "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;" It is not recommended to introduce parking restrictions where restrictions are already covered under the law,as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act should be referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law. This request does not meet the criteria for the provision of double yellow lines and is therefore not recommended.	0	11/08/2014
