**Report to North Central Area Committee on illegal occupations of DCC property by extended
Gavin Family**

16th February 2015

This report is prepared to update Local Councillors on the current situation with regard to the illegally occupied lands off the access road the Newtown Court.

Background:

Martin Gavin and his extended family took up residence in St Dominick's Park in 1996. St Dominick's is a 23 bay halting site approximately 1.45ha in area.

Feud:

In December 2004 serious violence broke out on the site and members of the Gavins and their extended family were forced to vacate the St Dominick's halting site. Sometime later, a number of these families gained unlawful entry to a DCC site at Parklands.

Legal Proceedings:

DCC initiated legal proceedings to obtain vacant possession of the site. Court cases were subsequently heard on the 9th April, the 8th May and the 16/17th July 2008 and a judgement was delivered on the 19th December 2008. This judgement adjourned the question of eviction until the Plaintiff, Dublin City Council, was in a position to make St Dominic's or any other suitable site available to the defendants. The family was offered the site at St Dominic's and the case was adjourned on a number of occasions to allow the family time to respond to the offer. There were further hearings on the 3rd March, the 31st March and the 12th May 2009 on which occasions the security of the family at this location was discussed. **The family's solicitors wrote to the council stating the Gavins would move off the site as soon as the Council offered them alternative accommodation, including a site with limited facilities at St. Dominic's Park.**

The City Council arranged for the clearance of St Dominic's in May 2009 at a cost of approximately €80,000. Following this, the family declined the offer on the basis of their security as they claimed that representatives of the family involved in the original violence remained in the area.

Closing statements were presented by both parties in June 2009. In December 2009 the Judge ruled that the Parklands site was to be vacated by 31st May 2010 with a move to St Dominic's being the only option available to the family as agreed with the court. A mediator was appointed by the Department of Justice to assist in the matter however no agreement was reached. A court order was obtained, in September 2010, to evict the families.

Illegal Encampment off the Access Road to Newtown Court:

The families relocated to Belcamp Lane over September/October 2010, a site less than a mile from St Dominic's. The number of families illegally occupying this site has varied over the past 3 years but now stands at between 4 and 7, comprising 14 adults and 21 children under the age of 18 (a number of the families relocated to a site in Fingal's administrative area).

Letters were served on the families requiring them to move from this location with the offer of bays in St Dominick's remaining available. The families continued to insist that they would be in danger if they were to relocate to St Dominick's. Legal notices were served on the families in 2011 with the case to be brought before the High Court. An Garda Síochána advised DCC in July 2013 that there is presently no known threat to the Gavin Family within Cara Park/Northern Close area. In November 2013 the Solicitors acting for the Gavin family wrote to the Law Department agreeing to move back on to St. Dominic's Halting Site immediately if facilities were made available.

Respond Housing Association were engaged to draw up plans for the redevelopment of the St. Dominic's Park site for housing and subsequently the Gavin family met with Céline Reilly – Executive Manager and Respond Housing Association to discuss the plans for initial works to St. Dominic's Park and for longer terms plans for the site.

April 2014- Present:

The situation of the Gavin family was raised at full City Council meeting in March 2014. The outcome of this was an agreement that the Chair of Local Traveller Accommodation Co-ordination Committee would seek to undertake a process of engagement with the Gavin family and all other relevant stakeholders to agree a solution that was agreeable to all.

The first indication that the Gavins had again changed their position was in the course of the first LTACC sub-group meeting, which took place in April 2014. At this, the Gavins stated that they were no longer accepting a move to St. Dominic's Park.

Given the protracted nature of the previous case, the real lack of success is in that the families are now living on yet another illegal site and indeed in poor conditions and given the number of other locations that could be used by these families within the area on an illegal basis, the better option seemed to be to ensure that acceptable accommodation could be agreed for these families rather than pursuing the legal avenue. Following a legal path without some form of agreement is more likely to lead to yet another illegal occupation at another site and to the need to start yet more proceedings in the future.

We have therefore been concentrating on trying to find alternatives to evicting families. Over the past number of months discussions have been taking place with a representative of the Gavin family in an effort to find a solution outside of the courts.

Councillors/LTACC Involvement:

Site Visit April 2014: The LTACC sub-group met with the Gavins and later with NABCO staff in Newtown Court. Martin Gavin stated that whilst they would move back to St. Dominic's Park, they did not want to, and they would go elsewhere if the City Council could find them a site. He also said that having considered the matter of the entrance to St. Dominic's they would be happier to use the previous entrance i.e. passing Tara Lawns, and Northern Close rather than a shared entrance with residents from Cara Park.

Stakeholders' Meeting 29/10/14: This took place with invitations extended to Councillors, LTACC reps, NABCO representatives, representatives of Newtown Court Management Committee and the area office. The Gavin family were represented by TravAct. There was frustration expressed by all parties that this situation is taking so long to resolve and that efforts to mediate the dispute have not been productive to date. The representative of the Gavin family reiterated that the Gavins were refusing the proposed move to the Dominic's site.

The option of the Gavins remaining where they are was discussed and while this was considered a temporary solution by some parties, there was considerable opposition from others.

There was discussion of the anti-social behaviour experienced by residents of Newtown Court and a statement from the residents submitted. The residents of Newtown Court sought an alternative to the current situation and not any resolution that involves the Gavins remaining illegally on the lands at Newtown Court.

The Chair requested that the residents of Newtown Court engage in mediation with DCC, the Gavin family and/or Travact to ameliorate the current situation but the representative of the Newtown Court Management Committee advised that mediation would not be acceptable to residents.

The potential for new developments in social housing offering a solution long-term to the issue of where the Gavins live was discussed and it was proposed that the Gavins move to St. Dominic's Park pending possible future inclusion under development plans for the Northern Fringe.

Meeting with TravAct representing the Gavin Family and Residents of Cara Park 05/11/14:

TravAct indicated that a temporary move to St. Dominic's was not acceptable to the family.

The residents of Cara Park spoke of the tentative peace that has been achieved between families in Cara and the Gavins. This means they can pass each other on the street but there was a very strong view held by all present that living with any kind of shared space could result in an outbreak of the feud which was so devastating before.

There was a decision taken to hold a meeting of all Councillors in the Beaumont/Donaghmede area to agree a position. Councillor Bourke undertook to put down a question to identify alternative sites which could be used for social housing in the area.

Meeting of Councillors from the Beaumont/Donaghmede area 3/12/14:

The Councillors present shared the opinion that on balance, given the objections of Newtown Court residents and other considerations such as setting precedent of rewarding illegal occupation of land, that an alternative site, not Newtown Court but not St. Dominic's either, should be pursued.

DCC Position:

DCC has endeavoured to identify alternative accommodation that would accommodate the needs of the family, given the fact that they require at least three/four houses together, the fact that such accommodation needs to allow space for their caravans, and the shortage of stock in general this has not proven possible.

1. It was suggested that at least some of the 5 available houses in Grove Lane could be considered but this has been ruled as unacceptable to either the existing family or the Gavins. The houses are planned for renovation this year.

2. Tara Lawns is a decommissioned site adjacent to Northern Close. There are currently some illegal occupants on this site; however, it would be possible to look at developing an alternative in St. Dominic's for these families (this is the site adjacent to Cara Park) and developing Tara Lawns for the Gavin family. This offer will be formally made in writing to the Gavins by the Law Department in the coming weeks but Martin Gavin has verbally told the AO of the Traveller Accommodation Unit that this is not an acceptable alternative.

Given that none of the alternatives have been considered acceptable and that the sole barrier appears to be fears of a feud breaking out again - the families with which the Gavins had the feud no longer live in the area - the option DCC comes back to is that of St Dominic's Park, the site which the Gavins occupied for 10 years prior to the outbreak of violence.

The following measures can be considered to address the security fears of the Gavin family and the residents of Cara Park:

1. Create a separation between Cara & Dominic's sites and restore the original entranceway through Northern Close/Tara Lawns. There is no feuding history with the families on this side of St. Dominic's.
2. Limit the size of the Dominic's site to the original 4 Gavin families affected to counteract Cara Park fears about extended family returning. It is not possible to create a separate entranceway just for St, Dominic's as any new openings onto the national road have been ruled out.
3. Use of monitored CCTV.
4. Long-term: Re-engage with Respond on the original proposal for housing at St. Dominic's. This offers the opportunity to develop the housing around the specific needs of the Gavin families.
5. Short-term: DCC has engaged an architect to develop plans for a first phase – an 8 bay halting site - and a feasibility study to consider a site design that can best address the concerns raised and will present this to the LTACC for consideration at the next meeting.

With regard to possible future provision of private and public housing at Belcamp Lane offering a solution to this issue it must be understood that this process is currently at the early stages; applications have been invited from all parties interested in the acquisition and development of 3 named sites to enter a Technical Dialogue Process. This effectively is a series of informal discussions to test the market and explore potential development options. The closing date for applications is February 27th 2015. Depending on the outcome, this may be followed by competitive procurement the parameters of which would be informed by the Technical Dialogue process.

The officers of DCC welcome the proactive attempts by Councillors to agree a solution to this issue. However, there are many competing needs for social housing and designating still further land specifically for one family as well as the existing provision in Cara Park, Cara Close, Northern Close and planned developments in Grove Lane, St. Dominic's and Tara lawns could risk this case remaining unresolved for a protracted time.

Re-development of Buttercup, Darndale.

Following completion of the tender process Gowna Construction Ltd, 28 Spencer Street, Dublin 3 has been selected to carry out the development at Buttercup, Darndale. The contractor is now in the process of submitting all required documentation including insurances, bond, tax clearance etc. On receipt of all necessary documentation a formal Letter of Acceptance will issue to Gowna Construction.

The contractor must commence work on site within two weeks of the date of issue of the Letter of Acceptance. It is anticipated that the Letter of Acceptance will issue shortly and that the contractor will commence on site shortly thereafter.

Construction of the 35 new houses will take approximately 18 months. Handover and allocation of the houses is therefore anticipated around August 2016.

Update report on Raheny United and St. Annes Park

DCC will again apply in 2015 for a Sports Capital Grant to fund the installation for an All Weather Pitch adjacent to the Tennis courts in St. Anne's Park. If funding is secured it is the Council's intention to install the pitch as soon as possible. DCC applied in 2014 for a Sports Capital Grant to develop facilities which could be used by Raheny United FC and Raheny GAA Club, however this application was not successful.

**Report to February North Central Area Committee meeting after post event review—
Christmas Kingdom**

The Christmas Kingdom post event review was held Wednesday 21st January. Present were representatives from ALA Fingal Markets, an Garda Siochana and DCC.

It was agreed that piloting the Christmas Kingdom in St. Annes Park has established that there is a considerable audience for a Christmas event and numbers were sufficient to indicate that similar event should take place again in 2015.

In regards to the 2014 the Parks Event team indicated the following:

- The foot print of the event should be more confined as it was deemed to be too spread out.
- Lighting was an issue and should be improve in any future event.
- Health and Safety issues with the erection and removal of marquees and facilities generally associated with the event require to be more closely monitored.

An Garda indicated that the event passed off with no major incident the nature of the event being family orientated does not tend to attract trouble. Parking will have to be reviewed but by and large there was no real traffic congestion. An Garda had no objection to a similar event happening again in 2015.

The event ran from 21st November to 4th January 2014 initially Fridays from 2pm to 8pm and weekends from 10am to 8pm. Subsequently from the 19th December the event was open 7 days a week closing 23rd December to reopen on the 26th December, finishing on the 4th January 2015. It was felt that these dates should be reviewed and consideration should be given to closing completely on the 23rd December.

The 2014 Christmas kingdom event was considered a success it that it provided a good day out for the family with adjustments as alluded to above it is felt that a similar Christmas event should be considered for 2015 in St. Anne's Park.

Community Grants Scheme 2015

Applications for financial assistance have been received from a number of bodies under the City Council's Community Grants Scheme 2015.

These applications have been assessed in the context of available finance, value to the community and compliance with the relevant policies and objectives of the Council and in particular with relevance to the Social Inclusion Strategy.

Set out below are details of the applications together with recommendations in relation to the amount of grant assistance for each applicant body.

It is recommended that Dublin City Council make the grants to the groups as set out in the report below. There is provision in the 2015 budget to meet this expenditure.

1	Traffic Conditions	15493	ALL SAINTS DRIVE (NC-EA)	D5	One-Way System	on the roads.	resident	Not Recommended	A one way system is not recommended on All Saints Drive for the following reasons: it can result in increased traffic speeds; it can result in delays to the emergency services and effect Garda operations; it can result in considerable inconvenience to local residents and other road users, and it can result in increased volumes of traffic on other local streets as traffic is diverted.	0	20/11/2014
2	Parking Prohibitions	15684	BELMONT PARK (NC-EA)	D5	Double Yellow Lines (Rescind)	one set of lines on the entrance road to the Hilltop Shopping Centre.	dcc area office	Not Recommended	The double yellow lines at this location were provided as a measure to maintain a through flow of traffic and to maintain optimum visibility for vehicles exiting both the shopping centre and the Hospice. The removal of these double yellow lines is therefore not recommended.	0	02/12/2014

3	Traffic Conditions	15553	CASINO ROAD (NC-EA)	D3	One-Way System	on the road.	deputy Flanagan	Not Recommended	A one way system is not recommended on Casino Road for the following reasons: it can result in increased traffic speeds; it can result in delays to the emergency services and effect Garda operations; it can result in considerable inconvenience to local residents and other road users, and it can result in increased volumes of traffic on other local streets as traffic is diverted.	0	24/11/2014
4	Traffic Conditions	15399	CRESCENT PLACE (NC-EA)	D3	One-Way System	Hazardous traffic conditions on above laneway.	cllr Heney	Not Recommended	A one way system is not recommended on Crescent Place for the following reasons: it can result in increased traffic speeds; it can result in delays to the emergency services and effect Garda operations; it can result in considerable inconvenience to local residents and other road users; it can result in increased volumes of traffic on other local streets as traffic is diverted.	0	17/11/2014

5	Pedestrian Facilities	1354	GRANGE ROAD (NC-EA)	D13	Pedestrian Crossing	at Clongriffin Apartments.	deputy Flanagan	Not Recommended	Following a previous inspection of the Grange Road at Clongriffin Apartments, the results of pedestrian movements were inconclusive due to lack of pedestrian activity at this location. A similar count was conducted following a request for signals at the entrance to Grange Abbey Grove with similar results. As the two locations are less than 100m apart, the entrance to Grange Abbey Grove would be a more suitable location for signals because the pedestrian access to Clongriffin Apartments is in too close proximity to the steep incline and brough of the railway bridge to the east, which could pose a hazard to pedestrians. Therefore a pedestrian crossing at Clongriffin Apartments is not recommended.	4	18/11/2011
6	Traffic Conditions	12810	GRATTAN LODGE (NC-EA)	D13	Speed Cushions	outside No. 133.	cllr Brabazon	Not Recommended	Following speed checks carried out on 11/12/14, traffic volume was less than the required 60 vehicles per hour and the 85th percentile speed was 43 k/hr. As this does not meet the warrant for the provision of traffic calming, it is therefore	0	09/06/2014

									not recommended.		
7	Pedestrian Facilities	2622	GRIFFITH AVENUE (NC-EA)	D9	Pedestrian Crossing	Request for timed pedestrian crossing outside Ard Scoil Ris.	garda	Not Recommended	A school warden has been provided at this secondary school together with associated yellow box, school keep clear markings and dishing on either side of the carriageway. There is a pedestrian crossing 160m approx west of this location and full signals & pedestrian crossings at Malahide Road 18m to the east. These measures together with an additional warden at Scoil Mhuire near the Church of St. Vincent De Paul would indicate that a pedestrian crossing is not warranted.	3	29/03/2012
8	Traffic Signals	15047	MALAHIDE ROAD (NC-EA)	D9	Filter Light	Request for filter light at the junction of Malahide Road and Collins Avenue.	resident	Not Recommended	The current operation, layout and traffic volumes of the Malahide Road and Collins Avenue junction were reviewed during the morning and evening peak. Vehicles making a right turn from the Malahide Road to Collins Avenue were able to cross during the green time allowed for the straight ahead traffic on	2	31/10/2014

									the Malahide Road without any detectable delays. The number of vehicles wishing to carry out this movement is still too low compared to the overall traffic numbers to justify stopping the straight through traffic on the main route to allow a right turn filter arrow.		
9	Pedestrian Facilities	15595	PHILIPSBURGH AVENUE (NC-EA)	D3	Pedestrian Crossing	at the junction of Philipsburg Avenue/Griffith Avenue.	cllr O' Muiiri	Recommended	Recommended to be considered for inclusion on a future year's works programme subject to availability of funding becoming available. The junction was assessed by the Sustainable Transport Unit and given a medium priority ranking of 13.	0	17/11/2014
10	Traffic Signals	11389	SPRINGDALE ROAD (NC-EA)	D5	Left Turn Filter Light	from Springdale Road onto Tonlegee Road.	deputy Flanagan	Recommended	The traffic signals at the junction of Springdale Road/Tonlegee Road were reviewed. The introduction of a left-turn signal at this site for the Springdale Road approach will be assessed this year and will be progressed to installation, subject to the availability of funding.	0	27/03/2014

11	Traffic Signs	13861	TEMPLE VIEW COPSE (NC-EA)	D13		at the junction of Temple View Park and Temple View Copse.	cllr Brabazon	Not Recommended	Temple View Park ends at a T junction with Temple View Copse. Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates. Therefore this request is not recommended.	0	25/07/2014

**To the Chairman and Members of
The North Central Area Committee**

Meeting: 16th February 2015

Item No:

With reference to the proposed disposal of a plot of ground to the rear of 27 Croydon Park Avenue, Marino, Dublin 3 to Eimear Brady.

An application has been received from Eimear Brady to purchase a plot of ground to the rear of her property at No. 27 Croydon Park Avenue, Marino, Dublin 3. The plot of ground in question, which is shown coloured pink on Map Index No. SM-2015-0069 has been incorporated into their rear garden for many years.

It is proposed to dispose of the City Council's interest in the plot of ground to Eimear Brady subject to the following terms and conditions:

1. The consideration shall be €1,000 (one thousand euro).
2. The Purchaser shall be responsible for any costs involved in incorporating the plot into their garden.
3. The purchaser shall be responsible for her own legal costs in the matter and shall also pay approximately €500.00 (plus VAT) towards the Council's costs.
4. As the property overlies the Port Tunnel any conveyance in respect of the property will exclude this substratum.
5. The disposal is subject to receipt of the necessary statutory approvals and such terms and conditions as may be deemed appropriate by the Council's Law Agent.

The dates for the performances of any of the requirements of the proposed agreement may be amended at the absolute discretion of the Executive Manager.

The disposal shall be subject to such conditions as to title to be furnished as the Law Agent in his discretion shall stipulate.

No agreement enforceable at law is created or intended to be created until an exchange of contracts has taken place.

**To the Chairman and Members of
the North Central Area Committee**

Meeting: 16th February 2015

Item No.:

**With reference to the Licence Agreement for Rooms 1-8 of Father Collins Park Sports Pavilion,
Father Collins Park, Donaghmede, Dublin 13 to Trinity Donaghmede Football Club**

Trinity Donaghmede Football Club has applied to Dublin City Council for a licence to use Rooms 1-8 of Father Collins Park Sports Pavilion, Father Collins Park, Donaghmede, Dublin 13. The lands referred to are shown on map Index No. SM-2014-0596.

The Council's Chief Valuer has negotiated with Leslie Behan Club Secretary acting on behalf of Trinity Donaghmede Football Club and recommends the disposal of a 4 yr licence subject to the following terms and conditions:

1. The licence shall be for a 4 year period commencing 1st November 2014
2. The licence fee shall be €1 (one euro) plus VAT for the licence period, payable in advance.
3. The licence relates to rooms 1-8 outlined in red on Map Index No. SM-2014-0596 and access to other changing rooms within the Pavilion when necessary, subject to a written agreement in advance with Dublin City Council. The licensee shall have reasonable access to and use of the walkway coloured yellow on Map Index No. SM-2014-0596 which may be shared with any other lessee / licensee which may be occupying the building in which the Premises is situated (if applicable). Users of Trinity Donaghmede Football Club shall not have access to the remainder of Fr. Collins Park itself (other than the agreed access to pavilion as indicated in yellow on Map Index No. SM-2014-0596). This is over and above Open Space Parks Bye-Laws.
4. The licensed area may only be used as a non-profit making community football club and no other use. This relates to recreational activities of the club including general club meetings.
5. The Licence is personal to the Licensee and shall not be capable of transfer, sub-licence, assignment, mortgage or charge.
6. The hours of operation shall be between 8.00 and 22.30. The licensee may only use the licensed area outside of these hours with the written consent of the Council.
7. The Licensee shall indemnify and keep indemnified the Licensor against all claims, losses, expenses, damages, demands in respect of personal accident liability and against fire (at their own expense) and other liabilities whatsoever in respect of the injury or the death of any person

or damage to any property of any person or persons using the Premises or having access to the Premises and to take out a Policy of Public Liability Insurance Cover in the amount of €6.4 million euro and, should it have employees, Employer's Liability Insurance in the amount of €13 million euro with a reputable Insurance Company in the joint names of the Licensor and the Licensee to cover all such accidental loss or damage or injury howsoever arising and to produce to the Licensor (if requested) evidence of such Policy or Policies together with the Premium receipt or receipts evidencing the payment of the Premiums to date. The Licensee shall not do anything which would invalidate the policy in respect thereof. The Licensee shall be responsible for insuring its own contents.

8. The Licensee shall keep the Premises and Common Areas clean, tidy, in good order and condition and not to make any alterations or additions thereto and in the event of any damage being caused to the Premises to make good at his own expense all such damage and shall not to store near any dangerous or combustible substances or materials on the Premises.
9. The Licensee shall not exhibit any sign, board, placard, poster or advertising matter or any flag or banner on or outside the Premises without first obtaining the written consent of the Licensor.
10. The Licensee shall not do or allow to be done or permit any act or thing which is or is likely to be or become a nuisance, danger or source of annoyance, inconvenience or disturbance to the Licensor or the occupiers of neighbouring premises or to the public at large and shall conduct all of the activities and/or business carried on in or from the Premises in a lawful manner.
11. The Licensee shall not remove or permit the removal of the fixtures, fittings, appliances and articles from the Premises other than their own equipment.
12. The Licensor, its servants or agents shall have full and free right and liberty to enter the Premises at all times during the Licence Period for any reason whatsoever. In the event that major works have to be carried out the Licensor, its servants and agents, accompanied by all necessary equipment, to enter the Premises giving at least two weeks' notice in writing of its intention, (except in emergency situations) without liability to compensate the Licensee for any loss, damage or inconvenience, and do all acts necessary for the purpose of carrying out such works to the premises which the Licensor may think fit and on demand forthwith to remove all such articles out of the premises as may be indicated by the Licensor as requiring removal (vacating the space completely if necessary) in order to enable such works to be more conveniently carried out.
13. The Licensee shall be liable for the costs associated with ESB, GAS, telephone usage, waste management and water charges and any other charges incurred within the whole building.
14. The Licensee shall (during hours of usage) adequately secure the Premises against entry by unauthorised persons or damage by their activities and maintain a safe and secure environment including the taking of all reasonable steps to prevent undesirable persons gaining access to the licensed area. In this regard, the Licensee shall be responsible for the opening and closing of the licensed area, where appropriate.
15. The Licensee shall not sell or allow consumption of alcohol or tobacco on the Premises or use the facility for commercial activities including merchandising. The building shall be a no-smoking zone at all times.
16. The Licensee shall be responsible for the upkeep of the Premises and the Common Areas and shall keep same in good state of repair and carry out all routine internal maintenance and minor repairs to the Premises during the period of the licence. Dublin City Council will carry out any external maintenance and major repairs (such as boiler maintenance, major electrical issues, rewiring, sewerage, roofing).
17. Nothing in this Agreement shall be or ought to be construed as granting any estate, interest or title whatsoever in the Premises to the Licensee or operating either at law or in equity as a demise of the premises or giving rise to the relationship of landlord and tenant between the Licensor and the Licensee, or as conferring on the Licensee any exclusive right of possession of

the Premises or any part thereof, or any right of possession at all therein, save to the extent necessary to enable the provisions of this Agreement to be fulfilled.

18. Nothing in this Agreement shall be or ought to be construed as creating a partnership or joint venture between the Licensor and the Licensee.
19. The Licensor shall be entitled to terminate the Licence on giving one month's notice in writing to the Licensee in the event of:
 - (a) The breach by the Licensee of any of the terms and conditions herein contained not having been rectified to the Licensor's satisfaction within seven days of having been notified in writing to the Licensee; or
 - (b) If the Licensee shall make default in payment of the Licence Fee or any other sum payable hereunder; or
 - (c) If the Licensee shall be wound-up or have a receiver appointed over any of its assets, if the Licensee shall disband or cease to carry out the approved use, or if the Licensee shall be involved in any crime, misdemeanour or dishonesty or in any civil wrong in any way arising out of the use of the Premises; or
 - (d) The Premises is required by the Licensor.
20. Either party may terminate this Agreement by giving to the other party one month's written notice of its intention so to do.
21. Each party shall be responsible for their own legal costs.
22. That the lease shall be subject to any other terms and conditions as required by the Councils Law Agent

The dates for the performances of any of the requirements of the proposed agreement may be amended at the absolute discretion of the Executive Manager.

The disposal shall be subject to such conditions as to title to be furnished as the Law Agent in his discretion shall stipulate.

No agreement enforceable at law is created or intended to be created until an exchange of contracts has taken place.
