MOTIONS:

4945. Motion in the name of Councillor Seán Haughey

That a full report be given to the North Central Area Committee regarding the recent removal of the wall around the green in Thorndale Estate, Artane by the Parks and Landscape Services Division. Who sought the removal of this wall? What incidences of anti-social behaviour at this location have been reported? What consultation took place with the local residents regarding this action? Did Dublin City Council have a legal right to do this? How much would it cost to rebuild the wall? That meaningful discussion now take place with the residents on this issue.

4946. Motion in the name of Councillor Micheál MacDonncha

This Area Committee urges that, following the refurbishment works at Greendale Court, priority in letting the new one-bedroom apartments be given to current tenants, especially given that the 'two-into-one' scheme is designed primarily to improve the living conditions of tenants in bedsits and also that this is a small, cohesive community that wishes to remain together.

4947. Motion in the name of Councillor Damian O'Farrell

That this local area committee agrees that the safety wall surrounding the green at the entrance to Thorndale which was recently removed without resident consultation be reinstated as a matter of urgency.

4948. Motion in the name of Councillor Ciarán O'Moore

That this Area Council agree that a homeless family staying in a hotel be allowed to take a short respite break/holiday offer by the St Vincent De Paul or any other charity without been penalised.

4949. Motion in the name of Councillor Deirdre Heney

That Dublin City Council and the Chief Executive ensure, in relation to the Part V111 redevelopment of Greendale Court Senior Citizen Complex, Raheny, that the current residents of Greendale Court complex be transferred to the refurbished units when these units become available.

4950. Motion in the name of Councillor Damian O'Farrell

The members of this local area committee appreciate all the hard work and commitment demonstrated by DCC staff. Councillors are aware of and want to acknowledge the enormous effort staff put into their work which may seem to go unnoticed at times. Thank you.

4951. Motion in the name of Councillor Naoise O'Muirí

That this Committee discusses ongoing issues with littering & anti-social behaviour in Fairview Park and seeks an Action Plan to deal with same.

4952. Motion in the name of Councillor Alison Gilliland

That the current residents of Greendale Court Senior Citizens' Complex be treated as a discrete group of residents with regard to the upgrading/conversion of the complex: that those residents who moved from the current vacant block into the block currently in use be given preference to move back once its conversion is completed; that no-one from the housing transfer list or the social housing waiting list be offered a unit in the upgraded complex until current residents who wish to remain living in the complex are accommodated.

4953. Motion in the name of Councillor John Lyons

Noting the work carried out over the past year by our local area staff, a number of elected representatives in conjunction with the local residents and several local agencies and the Gardai in improving the park in Darndale which has led to many positive developments including increased public usage, less dumping and fewer horses, almost daily fishing at the pond, and a major fun day, not forgetting to mention the significant sporting success of the local football club, Darndale FC, it is most disappointing to hear from residents of recent problems in the park.

There has been a recurrence of some of the problems that were a consistent feature of the past year, namely the presence in the park of both horses and quad bikes, as well as the issue emerging with the dumping of needles and condoms in the children's' playground.

A key factor in the recurrence of some of the park's problems is the lack of a physical presence of workers in the park, who could provide a sense of safety and security whilst assisting with local events and clubs, carrying out some basic work, all the while enhancing community life by assisting in the creation of a vibrant park life. Tremendous efforts by DCC local area staff to bring this situation about were destroyed by the intransigence of the Department of Social Protection some months ago.

Further noting the plans for the park in the months ahead, including further boundary and football pitch improvements, the renewal of the all-weather pitch, as well as grant applications for the second pitch and some outdoor gym equipment and the installation of two seats on a trial basis, it is imperative that this area committee demand the following:

The immediate deployment of Dublin City Council staff to Darndale Park to work as Park Rangers, similar to the situation one finds in our neighbouring local authority, Fingal.

The presence of Park Rangers would transform the park's fortunes, protecting the improvements already secured and ensuring that the proposed plans for the park in the months ahead can proceed with the certainty that the time and resources, both financial and physical, will not be wasted. Most importantly, a message would be sent to the local community that Dublin City Council is most serious about ensuring the future viability of the Darndale Park.

4932. Motion in the name of Councillor Alison Gilliland

That, for the purpose of renovation/works traffic, access into Priory Hall from Belmayne Avenue be granted only in the case whereby Belmayne Avenue be fully taken in charge by DCC or whereby Belmayne Avenue be furnished with DCC appropriate and enforceable road markings, speed signs and traffic signalisation so as to ensure the safety of residents and local road users.

Order: Report to Councillor. Follow up regarding Temporary road signage for Construction Traffic

4933. Motion in the name of Councillor Deirdre Heney

That this area committee note the concerns of residents of Whitethorn Estate about the proposed location of a new pavilion in Rockfield Park and that same be discussed as many are fearful that the proposal will lead to an exacerbation of anti-social behaviour in the area.

Order: Report to Councillor. Committee raised the following queries

Can a Part V111 Planning Application be amended before it is presented to City Council for agreement ?

Can a Part V111 Planning Application be withdrawn ?

4934. Motion in the name of Councillor John Lyons

Despite the international outcry following last summer's slaughter in Gaza, Israeli policies and practices of annexation, occupation and brutal military control continue. Recent election results in Israel suggest that these practices will only intensify, creating ever deepening violations of social, economic, political and human rights for the Palestinian people.

On foot of motions passed by Dublin City Council last year condemning the attacks on Gaza and calling for arms and trade embargos and sanctions to be imposed on Israel, this Area Committee:

- supports the Palestinian-led international civil society initiative calling for the end of the arms trade with Israel
- endorses the 'End The Irish Arms Trade With Israel' Campaign of the Ireland-Palestine Solidarity Campaign
- calls on the government of Ireland to end the Irish arms trade with Israel, to advocate for an international arms embargo at EU and UN levels and to take the brave step to become the first EU member state to openly call for the suspension of the EU-Israel Association Agreement

Furthermore, this Area Committee will ask other town and city area committees to also adopt this motion, calling on Councillors across the country to formally endorse the IPSC Campaign.

Order: Report to Councillor

4935. Motion in the name of Councillor John Lyons

This area committee acknowledges the tremendous work carried out by the SPARK campaign organising lone parents. [On 2nd July](#) thousands of lone parents and their children will be pushed further into poverty as the One Parent Family Payment will cease when a child turns seven. These measures are being implemented without the promised childcare and will have devastating effects on parents in part-time or low-paid work who will ultimately be forced out of their jobs. This Area Committee wishes to express and document our concern directly to the Minister for Social Protection and Tanaiste Joan Burton that the imminent cuts are going to

have a devastating effect on lone parents in this area, one which already bears more than its fair share of poverty for all, and in particular for one parent families.

Order: Report to Councillor

Emergency Motion Councillor Michael O'Brien,

That this Area Committee

- Notes the outline of a means tested grant assistance scheme announced by the Minister for the Environment, Community and Local Government for householders to replace lead water pipes on their property
- Further notes that such a scheme fails to treat lead in householders drinking water as a public health issue and in practice will leave lead pipes undetected in many cases and even where detected make their replacement unaffordable even with grant assistance
- Calls for the Department of the Environment and Local Government to:
 - organise a state wide lead detection scheme focussing on communities, schools, hospitals and businesses built in the decades it is known lead piping was routinely used
 - make available emergency alternative supplies of drinking water to the communities affected pending lead pipe replacement
 - oppose any state assistance to householders having lead pipes on their property replaced being made contingent on them complying with the water charges
 - fund these measures through progressive taxation

Deleted: -(immediately cease the water meter installation programme and divert the necessary resources and staffing to lead pipe replacement)¶

Councillor Naoise O'Muire proposed amending the Emergency Motion --deletion of the above paragraph (Red).

Amended Motion was passed.

Councillor Deirdre Heney did not support this motion.

**To the Chairman and Members
North Central Area Committee.**

Re: Housing Allocations Report.

In the context of the housing waiting list and the growing requirement by Councillors to have information and statistics on the makeup of the list, waiting times, stock and housing options it is proposed that the Housing Allocations Section will present a comprehensive report to each area committee on a quarterly basis, commencing in July this year to ensure that Councillors are kept informed.

It is proposed that this Report will include the following information:

- The number of applicants on the housing and transfer list broken down by housing area, band, category, waiting time, family size etc.
- The number of applicants housed by housing area, category, waiting time,
- the dwelling type into which applicants were housed and
- Any other relevant statistical information.

The Report will also include an update on housing schemes nearing completion (both City Council and Approved Housing Bodies) and any other allocations matters that might be of relevance to City Councillors.

There have been several similar type enquiries received regarding various housing options that the City Council operate such as older applicants downsizing to older persons accommodation, the financial contribution scheme and the Tenancy Protection Service to assist applicants in retaining their rented accommodation. It would be hoped that the reports would be a useful reference guide for all such schemes and be a useful means of communication for all allocations related topics and changes or improvements in the delivery of housing services to housing applicants.

It would be hoped that such reports would remove the need for the increasing volume of requests for statistics on a weekly if not daily basis. The replies to these requests, which can sometimes be very detailed, are very demanding to collate given limited staff resources.

Therefore, following the first report, any other suggestions or information required by any of the Councillors can be incorporated into these reports into the future and contact from any of the City Councillors regarding information they would like included or any other suggestions they may have in this regard would be welcomed.

Mary Flynn
Administrative Officer

Edenmore, Grangewoodbine and Millwood.

Weed Spraying

The weed spraying will begin in early June and will continue throughout the summer months. There will be three sprays in total for the whole of the North Central Area. The Public Domain Team have met with the contractor and highlighted areas where there is a need for extra attention during the process.

Plant Sale

Public Domain and Community Development held a Plant Sale on Thursday 4th June at the front Car Park of Parnell's GAA Club from 11am. The plants were sold at cost price to Community Groups etc. who are involved in planting within their own areas. A gardener from Parks was also present on the day to give advice on planting to the groups.

Community Planters

Public Domain team has locally sourced large wooden planters and have linked with groups/businesses who are willing to plant up and maintain. The planters were made by the participants of training courses in Darndale and PACE in Priorswood.

Planters have been allocated to the following areas/groups:

Artane/Harmonstown Group
Ashcroft Estate Raheny
Clontarf Business Group
Grange Woodbine Estate
Marino/Philipsburgh Avenue

Area Clean Ups

A large amount of time has been dedicated by the residents of the North Central Area to their local area through area clean ups. Public Domain support and advise the groups and supply with any material necessary ie. Bags, gloves, pickers etc. We also coordinate collections with the waste management supervisors and public domain crew.

Area Clean Ups are held regularly by at least 50-60 groups in the North Central Area, these are generally kick started each year by the National Spring Clean which we heavily promote in the area. The larger clean ups come to an end each year with the large Leaf Collection programme that we undertake each year. In 2013 approximately 5000 blue bags were issued under the blue bag scheme. In 2014 over 610 residents groups & individuals, who have great pride in their area have availed of the scheme. From September 2014 to December a staggering 20,000 blue bags were issued and collected. Significant resources have been invested in the collection & correct disposal of these leaf filled blue bags. The initiative is an excellent example of partnership between local residents & Dublin City Council.

Village Improvement/Cleaning

Public Domain has been working alongside the local Forum with regard to Suburban Villages. We are linked in with Forum in Raheny, Edenmore, Fairview, Drumcondra, Killester, Clontarf and Darndale. We meet with these groups on a monthly/bimonthly basis and endeavour to tackle any issues that may arise, we are in regular contact and consultation with these groups relating to any proposals we or they may have around enhancement/cleaning of the areas.

Fairview/Marino has recently had an upgrade with much input from Public Domain. We arranged for intensive cleaning of all footpaths, including gum removal, power washing of all bins and lampstandards. We linked in with local businesses with regard to supply of wooden planters of which the businesses are responsible for filling and maintaining. Black traffic bollards were all repainted and graffiti removed from all public property. A large amount of graffiti was also removed from the local park benches and bandstand.

We regularly facilitate Fairview with assistance and logistics around their annual festival in the park and their tree lighting ceremony each Christmas.

We meet monthly with **Killester Village** through the business forum and have recently arranged for a programme of small works with them. These works are ongoing and include: power washing of traffic triangle, supply of planters, graffiti removal, re-location of village name signs. Regular clean ups take place also at this location and we facilitate the group with this. A Christmas tree are also supplied at this location annually and we have responsibility for the logistics around this and the tree lighting ceremony and festivities.

Public Domain Crew.

The Public Domain Crew and Local Grab Lorry continue to operate in the area to remove bulky material from open spaces and green areas. The Public domain crew work on a 5 over 7 roster which enables us to plan for work to be carried out over weekends and to remove bags and debris that is collected from Community clean ups. I can also say that the crew empty litter bins from the promenade and other large footfall locations that are busy over the summer months.

Draft North Central July Area Agenda 20/07/15 (TAG Date: 23/06/15)											
Item	Request	Ref	Road	Post-code	Topic	Request Description	Request by	TAG Result	TAG Comments	Sec	Date Rec'd
1	Traffic Conditions	17845	CLONTARF PARK (NC-EA)	D3	Traffic Calming	on the road.	resident	Not Recommended	<p>Following examination of the issues raised by Clontarf Park Residents Committee.</p> <p>1) Deflections: At 5m the carriageway width is insufficient to accommodate deflections without posing a traffic hazard or interfering with traffic movements and the existing parking.</p> <p>2)The provision of a ramp on the northern side of the park at house nos 31/32 is not recommended as this section of carriageway does not meet the minimum requirements with regard to road length and traffic volume.</p> <p>Regarding house nos 31/32, a ramp is not recommended as the proposed location is too far from the lamp standard where he ramp was originally proposed as per best practice in ramp location.</p> <p>3)A 50k/hr speed limit is in place at this location.Speed limits are governed by Bye-Laws, the making of which is a function reserved to Councillors. Speed Limit Bye-Laws are periodically reviewed. This process involves public consultation etc. and takes at least six months. Requests for changes to the speed limits in particular areas or streets can only be considered as part of a full review of the Bye-Laws and any relevant area wide schemes.</p> <p>The current Special Speed Limit Bye-Laws came into effect on 23rd March 2011. Any requests for changes to speed limits will be kept on file for examination as part of the next review.</p> <p>4) The provision of pinch points, refuges or buildouts are not recommended for the reasons as indicated in paragraph 1) above.</p>	0	22/04/2015
2	Parking Prohibitions	17794	COLLINSWOOD (NC-EA)	D9	Double Yellow Lines	at the entrance to Collinswood.	deputy Bruton	Not Recommended	Double yellow lines have been provided at the entrance of Collinswood to improve access and visibility. However they are not the appropriate measure to prevent commuter parking and therefore further restrictions are not recommended.	0	23/04/2015
3	Admin	15487	CONQUER HILL ROAD (NC-EA)	D3	Junction Plateau	Request for junction plateau at above.	resident	Not Recommended	Following investigation, the provision of a junction table is not recommended at this junction as the works would be cost prohibitive due to the size of the area and drainage implications involved. There is no funding available for such a project at this time.	0	06/11/2014

4	Traffic Conditions	15488	CONQUER HILL ROAD (NC-EA)	D3	Roundabout	Request for a mini roundabout at "The triangle" at above.	resident	Not Recommended	Following investigation the provision of a mini roundabout is not recommended. This would involve the provision of buildouts on each arm of the junction to create the necessary deflections required by best practice in roundabout design. Also due to the size of the area involved and the implications for drainage and parking, this would be cost prohibitive. The previous island was removed as a result of anti social behavior and numerous accidents relating to the island.	0	06/11/2014
5	Traffic Signs	15489	CONQUER HILL ROAD (NC-EA)	D3	Caution Children Sign	Request for sign re children in the area at above.	resident	Not Recommended	A Children Crossing sign is not recommended at the requested location, however a "children crossing" sign (W142) has been located at the junction of Clontarf Road and Conquer Hill Road as it is the entrance to a housing estate from a main traffic route. This sign will suffice to cover the cul de sac and the eastern section of Conquer Hill Road..	0	06/11/2014
6	Parking Prohibitions	17556	DUNREE PARK (NC-EA)	D5	Double Yellow Lines	outside 44 Dunree Park.	deputy McGrath	Not Recommended	Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) g; "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;" It is not recommended to introduce parking restrictions where restrictions are already covered under the law, , as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act should be referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	14/04/2015
7	Traffic Signs	17136	EDENMORE AVENUE (NC-EA)	D5	Caution Children Sign	"Children at Play" signs for entrance to Edenmore estate & general area.	deputy Flanagan	Not Recommended	A (W142) "children crossing" sign has been recommended by TAG on 22/07/2014 at Springdale Road at the junctions of Edenmore Ave. & Edenmore Park as they are the entrance to a housing estate from a main traffic route. Children crossing signage has already been provided at the remainder of the approaches to Edenmore from Springdale Road, Tonleegy Road and Raheny. Therefore further signage is not warranted.	0	10/03/2015
8	Parking Prohibitions	16719	FOXFIELD SAINT JOHN (NC-EA)	D5	Double Yellow Lines	beside the Church of St. John the Evangelist.	deputy Bruton	Recommended	In order to maintain traffic flow during Church activities it is recommended that double yellow lines be provided on the northern side of Foxfield St. John, extending for a distance of 20m centered opposite the Pedestrian entrance to the Church & LS no.8	0	16/02/2015
9	Admin	17573	GRANGE ROAD (NC-EA)	D13	Bus Stop Approvals (Alterations)	Request to relocate Bus Stop blocking pedestrian crossing no 4804.	dublin bus	Recommended	Following investigation. the existing bus stop no 4804 at Lamp Standard no6 on the Grange Road should be relocated 8m westwards in order to avoid blocking the pedestrian crossing adjacent to the entrance of Grange Abbey Crescent.	0	15/04/2015

10	Parking Prohibitions	16171	GREENDALE ROAD (NC-EA)	D5	Double Yellow Lines	outside the Foxhound Pub.	deputy Kenny	Not Recommended	This section of Greendale Road is over 9m wide which can accommodate parking without interfering with traffic flow. Double yellow lines are provided to ensure the smooth flow of traffic and prevent congestion where parking causes congestion which would interfere with traffic flows on a daily basis. Notwithstanding the fatal accident on 22/12/14 adjacent to Lamp Standard no 16 site lines in either direction are good as confirmed in the Garda accident report. Following recent site visits, no adverse problems regarding parking were observed. As the warrant has not been met parking restrictions are not recommended.	0	12/01/2015
11	Parking Prohibitions	18342	GREENDALE ROAD (NC-EA)	D5	Double Yellow Lines (Extend)	Request to extend the DYL's recently put in place outside Scoil Mide, Greendale.	cllr McDonnacha	Not Recommended	It has been recommended by the Traffic Advisory Group on 28/4/15 that the existing double yellow lines on the western side of Thornville Drive be extended north westwards for 10m beyond the end of the coach parking bay opposite. This measure is to facilitate traffic movement when coaches are parked. Parking restrictions for the entire length of this carriageway are not recommended in order to allow for some set down parking, which otherwise would be relocating to undesirable locations.	0	25/05/2015
12	Parking Prohibitions	17316	HARMONSTOWN ROAD (NC-EA)	D5	Double Yellow Lines (Extend)	into defunct bus cage on southeastern end of public space	resident	Not Recommended	Previously recommended by TAG on 30/09/2014 TAG TAG Comments Service request partially recommended. Install double yellow lines at the junction of Harmonstown Road opposite property No 81A Harmonstown Road (the south east corner of the Harmnstown Road green area). The double yellow lines should be 5 metres in each direction from the apex of the junction. No further changes recommended.	0	
13	Traffic Signs	17148	HAVERTY ROAD (NC-EA)	D3	One-Way System	on the road.	resident	Not Recommended	The right turn ban in place since 2005 is a 24 hour ban with no exception other than for cyclists. 1) Dublin City Council only recommends one way systems in exceptional circumstances as they have considerable drawbacks associated with them including: <ul style="list-style-type: none"> • They can result in operational difficulties for emergency services • They can result in considerable inconvenience to local residents and other road users due to diverted traffic. • They can result in increased volumes of traffic on other local streets as traffic is displaced. • It can result in increased traffic speeds. Therefore a one way system is not recommended.	0	11/03/2015
14	Parking Prohibitions	17575	HOWTH ROAD (NC-EA)	D3	Double Yellow Lines (Extend)	Double yellow lines extension required to assist wheelchair user at bus stop 525, bus cannot park parallel to kerb to lower ramp for	dublin bus	Recommended	Following investigation it is recommended that double yellow lines be provided southwestwards from the existing bus cage no 525 for a distance of 16 m to the junction of Marino Crescent in order to facilitate bus parking at the kerb.	0	15/04/2015

						user.					
15		17910	KILBARRON AVENUE (NC-EA)	D5	Double Yellow Lines	on Kilbarron Avenue at junction with Kilbarron Road.	resident	Recommended	Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) c, It is illegal to park; "within 5 meters of a road junction; however due to persistent obstruction of this junction it is recommended that double yellow lines be provided on either side of the junction around the corners and running Northwards on Kilbarron Ave. for a distance of 14m as far as Lamp Standard no 1.	2	29/04/2015
16	Parking Prohibitions	16593	MARYFIELD CRESCENT (NC-EA)	D5	Parking Prohibition	between Ardcollum Avenue and the top of Castleview.	resident	Recommended	Following investigation, in order to maintain traffic flow and prevent congestion at peak times it is recommended that double yellow lines be provided on the eastern side of Maryfield Woods from the junction of Castleview running north for 50m to a point opposite the entrance to the Timber Mills.	4	02/02/2015
17	Traffic Signs	18133	MONTROSE DRIVE (NC-EA)	D5	Children Crossing Sign	on the road.	resident	Not Recommended	A (W142) "children crossing" sign was recommended and installed at the junctions of Kilmore Road & Ardmore Drive & Montrose Grove junction with Beaumont Road as they are at the entrance to a housing estate from a main traffic route. These new signs together with the existing (W142)sign at the Junction of Montrose Ave.& Beaumont Road will cover all roads into the estate'. Therefore this request is not recommended.	0	13/05/2015
18	Parking Prohibitions	17037	SAINT AIDAN'S PARK (NC-EA)	D3	Double Yellow Lines	in vicinity of No. 10 St. Aidan's Park, off St. Aidan's Park Road.	deputy Flanagan	Not Recommended	Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) i, it is illegal to park"on a footway,a grass margin or a median strip"; It is not recommended to introduce parking restrictions where restrictions are already covered under the law, such as providing yellow lines to prevent parking on the pavement, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	02/03/2015

19	Parking Prohibitions	18613	SEAFIELD ROAD EAST (NC-EA)	D3	Double Yellow Lines (Extend)	on Seafield Road East from the junction with Clontarf Road.	garda	Not Recommended	Following examination the extension of the existing double yellow lines is not recommended. Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) g; "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;" A continuous white line is exists for 19m associated with the stop line at the junction. Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) d, It is illegal to park "opposite a continuous white line" where roadway is less than 3 traffic lanes. It is not recommended to introduce parking restrictions where restrictions are already covered under the law,as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	10/06/2015
20	Parking Prohibitions	18614	SEAFIELD ROAD EAST (NC-EA)	D3	Double Yellow Lines	between Redcourt Oaks and St Gabriels Road.	garda	Recommended	Following representation from The Community Garda at Clontarf. It is recommended that double yellow lines be provided on the northern side of Seafield Road East between the entrance to Redcourt Oaks and St Gabriel's Road junction for a distance of 90m. In order to maintain traffic flow as parking on both sides of the road impedes traffic.	0	10/06/2015
21	Parking Prohibitions	11913	SION HILL ROAD (NC-EA)	D9	Parking Prohibition	between the junctions of Calderwood Road and Grace Park Road.	deputy McGrath	Not Recommended	Following investigation, parking restrictions are not recommended on the section of Sion Hill Road between Calderwood Road and Grace Park Road. This section of carriageway is 6m wide and entirely residential. The introduction of parking restrictions would cause inconvenience and impinge on the parking amenity of residents on this section of Sion Hill Road.	0	23/04/2014
