DUBLIN CITY COUNCIL
SOUTH CENTRAL AREA COMMITTEE
20th July 2016

Deferred Motions:-

394 Councillor Tina MacVeigh's Deferred Motion from the June Area Committee Meeting

The South Central Area Committee welcomes the adoption of a motion in the Development Plan to rezone the site of the proposed park at Bridgefoot Street as Z9 and agrees that the previously cancelled design consultation workshops should be immediately rescheduled.

July Motions

407 Councillor Pat Dunne

Following the passing of a motion at the July 2016 full Council meeting this Area Committee declares that Dublin South Central is opposed to the CETA/TTIP (Comprehensive Economic & Trade Agreement/Transatlantic Trade & Investment Partnership) trade deals and declares Dublin South Central a CETA/TTIP free zone.

408 Councillor Paul Hand

That this Area Committee notes with concern the increase in people consuming alcohol in our public parks over recent weeks and over the summer months. To this end we request that our parks department increase signage in our parks outlining the relevant laws and by-laws governing alcohol consumption and to roll these out in as many parks in the South Central Area as practicably possible over the coming weeks.

409 Councillor Greg Kelly

This Area Committee is calling on Dublin City Council to make sure that full consultation takes place before any major works take place in an area, and insure that this is started in advance of any works starting.

410 Councillor Paul Hand

That this Area Committee notes with concern the regular occurrences of flooding between Comeragh Road and Coghlan Roundabout in Drimnagh. Such an instance happened 4 weeks ago during heavy rain there and is an almost yearly occurrence. Many residents on Mourne Road and Donard Road equip themselves with sandbags as a result, even though they are nowhere near any water source. To this end, we request that this motion be forwarded to the Environment SPC and Transportation SPC for consideration and for senior Council staff to consider implementing an engineering decision to solve this matter once and for all.

411 Councillor Greg Kelly

This Area Committee expresses its disappointment in the way major amendments were made to the Street Performance Bye-Laws at the Council Meeting of Monday 4th July, and feels a vote on a motion to ban busking in parts of Temple Bar should not have been taken without full debate. It is noted that at the Arts SPC it had been agreed that no ban on busking was agreed.

412 Councillor Greg Kelly

That this Area Committee supports the campaign "We need our heads examined" and calls on this government to fulfill its commitment it has made.
