	(i). <u>Motion 201 from Councillor Pat Dunne referred from the June Area Committee Meeting.</u>	
	This Area Committee supports the installation of CCTV cameras at the entrance of Tyrconnell Park, Ring Terrace and Jamestown Avenue. The Area has been hit badly by a spate of break ins and the residents are requesting the CCTV camera's to link in with a text alert system they wish to initiate.	

(ii). E-mail from Deputy Joan Collins received 23rd of July with 4 issues:-

1. I have been alerted that the Guards Counter Terrorism division has launched an operation of new & Irish Muslims and if they are been influenced by ISIS. Will the Guards bring a report to the meeting of this operation; a local man in my area of Inchicore has been contacted by the counter terrorism division and the questions he was asked were very intrusive?
 2. I want a report of the issues around Bluebell flats and Old Folk area into drug dealing and criminal behaviour. Is there a joint operation from the Council and the Guards in dealing with this serious issue and a report on how the CCTV operates in the flats? How they are monitored, who monitors them, are they checked as incidents are reported and how the CCTV are been utilised with any operation from the Guards?
 3. Will the Guards and DCC present a report into the ongoing ar social and criminal activity (that has been reported to me and presume other Reps) in the Croftwood Gardens area of Ballyfermot and if a specific operation is been launched to de: with this ongoing Issue?
 4. Is it standard procedure that all local stations have defibrillators on their premises?
- (iii) Letter from the Liberties Club (SICCIA) in connection with Youth Just “Camp Diversion” whereby a group of young people, mainly from the Oliver Bond flat complex attended the project, through SICCCA’s Liberties Club.
