Re: Canal Communities Local Policing Forum

Dear Councillor Vincent Jackson,

The Canal Communities Local Policing Forum meet bi-monthly in order to effectively achieve a collective response to the community safety issues that are arising on the ground. The LPF provides a space whereby the community and statutory bodies responsible for community safety can come together and enhance each other's work to contribute to more effective responses on the ground.

The role of the Canal Communities Local Policing Forum is to support and enhance the work of the community safety groups in the various neighbourhoods in the canal's area. The group has Community Representatives from: Fatima, Dolphin, Rialto, Inchicore and Bluebell. Along with Representative's from: Gardai, DCC, Canal Communities Partnership and the Local Drug Task Force.

The forum has been informed by the Garda Síochana representative that there have been continuous cuts and personnel losses without replacement over the last 5 years leaving the Canal communities severely under resourced. The community Gardai assigned to the area are under resourced and have insufficient man power to meet the demanding needs of this area. Currently the area is being inundated with issues of drug dealing; intimidation; harassment; vandalism; verbal abuse; noisy behaviour and public consumption of alcohol and drugs.

The LPF are currently devising a strategy to combat the increased levels of gang intimidation and Anti-social Behaviour that exist within the Canals area and are in serious need of additional Garda support and resources to tackle this issue. We would like this topic to be raised at the next JPC if this is possible.

We look forward to hearing from you,
Yours sincerely,

John Burns (Chairperson of the Canals LPF)
