- 4 Motion in the name of Councillor Mannix Flynn:

*“That this Protocol Committee agree to initiate appropriate protocols and guidelines for the Office of Lord Mayor. At present there are no guidelines or boundaries with regards public or other announcements by the elected Lord Mayor or by the Lord Mayor’s Office. This is not best practice and can lead to confusion regarding media statements. The recent controversy regarding a motion to disband the Artane Band was commented upon by the Lord Mayor, creating a potential conflict of interest between his elected position as Chairperson, Lord Mayor and First Citizen of the city. That role must be impartial and should not be exploited under any circumstances for personal capital through media statement or otherwise.”*

**Order: Following an extensive debate the motion was put to a vote and was defeated by five votes to three.**

5 Motion in the name of Councillor Michael O'Brien:

*That the protocol committee notes:*

- *The increase in the rate of emergency motions being ruled out of order from June 2014 to the present at the monthly meetings of Dublin City Council.*
- *That an inconsistent approach is taken towards the ruling out of order of motions depending on whether or not they originate from the ruling group on the council or the opposition.*

*And therefore resolves:*

- *That a fair and consistent approach be taken on emergency motions.*
- *That emergency motions ruled out of order be circulated to all members before the monthly meeting with an accompanying explanation.*

Following a discussion on the motion Cllr. Michael O'Brien agreed to amend his motion to the following:

***“That a fair and consistent approach be taken on emergency motions and that emergency motions ruled out of order be circulated to all members before the monthly meeting with an accompanying explanation.”***
