(i). Planning Enforcement Report January to March 2017.
(ii). Proposed grant of a further licence of the crèche facility at Pearse Memorial Park, Windmill Road, Crumlin, Dublin 12.
(iii). Proposed disposal of site adjacent to 105 Emmet Road, Inchicore, Dublin 8.
Order: (i) Noted.
(ii) Agreed. Recommend to Council.
(iii) Agreed. Recommend to Council. The Members requested that the plaque to Inchicore Men who fought in the Spanish Civil War be placed back on the same site when the new development is complete or moved to Emmet Hall. They requested that this be a condition of the Planning Permission.
-

- 7 **Emergency Motions**
Standing Orders was suspended to deal with the following Emergency Motion:

Emergency Motion from Councillor Michael Mullooly

In view of the fact that some local residents have found out that Dublin City Council intend to locate Homeless Emergency Accommodation for up to 30 families at a facility at 390 Clonard Road, this Area Committee calls on Dublin City Council as a matter of urgency to provide full and detailed information to local residents and local councillors on this facility, the works that need to be carried out, the conditions attaching to these works and the conditions that will apply to this facility when it is operational, to allay fears locally'

Order: Agreed

- 8 **May 2017 Motions**

510 Councillor Daithí de Róiste

The tragic accident that resulted in the loss of R116 touched each and every one of us. As a society we take those who work in our frontline emergency services and the daily danger they place themselves in for granted. Paul Ormsby, a Ballyfermot man, was one of those lost on that fateful night. To that end, this Area Committee calls for the renaming and dedicating of the park on Oranmore Road to his memory and that of the crew of R116 and looks for a significant memorial and plaque to be erected to mark their ultimate sacrifice.

Order: Agreed in principal. To be revisited at a later stage with consideration given to the erection of a plaque.

511 Councillor Criona Ni Dhalaigh

That this Area Committee request that a traffic audit be carried out in the Tenters' area. The audit to include how best to address the non resident parking, consideration of residents only parking, one way system on the

narrow streets and parking enforcement to address dangerous parking. Residents are extremely frustrated at the huge increase in all day parking in their area plus the added factor of workers from all the local building sites parking there as well.

Order: Report to Councillor.

512 Councillor Rebecca Moynihan,

This Area Committee ask that the Area Manager writes to the tour operators who use Teeling's Distillery in Newmarket, asking that they refrain from using their PA system while in residential areas or stopped at the traffic lights.

Order: Report to Councillor.

513 Councillor Pat Dunne

This Area Committee requests the Area Manager to arrange with our Traffic Management Section to undertake a traffic and environmental audit of issues relating to on street parking and overall traffic management in the Tenter's area of Dublin 8. The lack of parking spaces for residents is a major issue since the beginning of construction projects in the immediate surrounding area.

Order: Report to Councillor.

514 Councillor Daithí Doolan

This Area Committee, protocol permitting, will dedicate the green at Spiddal Road & Oranmore Road in memory of local resident Paul Ormsby, who was tragically lost during the recent rescue operation off Galway.

Order: Agreed in principal. To be revisited at a later stage with consideration given to the erection of a plaque.

515 Councillor Vincent Jackson

That Dublin City Council starts to take some responsibility for the horrific ongoing behaviour at the Californian Hills Park, Ballyfermot. A couple of years ago and dozens of questions later I can see our failure to properly manage the dumping, horses, and anti-social behaviour is turning this beautiful area into a no-go area. Drumfinn Celtic have said it is no longer feasible to bring children onto a site full of glass, rubbish, cars spoiling the area. At the recent meeting of the Ballyfermot Policing forum, serious concerns from neighbours took up a large portion of the meeting looking for answers of what Dublin City Council and An Garda Síochana are going to do to sort the issues out. I am aware of neighbours who are terrified to approach youths for fear to their homes. Why have we allowed this behaviour to take root and what are we going to do to address same? Losing the soccer, walkers from the park is a disaster.

Order: Agreed

516 Councillor Paul Hand

That the South Central Area Committee requests that the Dublin City Council mobile library service expands its service to Chapelizod. Chapelizod is a village associated with writers such as James Joyce and Sheridan Le Fanu and has no library service. In examining this motion I would request that locations all around Chapelizod be considered for providing this service, such as the coach bus car park of the West County Hotel and any other suitable locations.

Order: Report to Councillor.

517 Councillor Criona Ni Dhalaigh

That this Area Committee request that Dublin City Council consider

changing the parking bye laws with a view to allowing residents only parking in area's of high all day parking by non residents and in area's where a lot of development is taking place resulting in site workers parking all day.

Order: Report to Councillor.

518 Councillor Pat Dunne

This Area Committee notes with concern that as a result of the withdrawal of our area office funding to the local registered charity WALK, that a number of older persons with mobility issues have no access to a gardening service. We therefore call on the Area Manager to immediately resolve this problem so as to return the service to those who had it in previous years.

Order: Agreed. Report to Councillor.

519 Councillors Daithí Doolan and Paul Hand

The Area Committee supports the request by the Ballyfermot Policing Forum for an urgent meeting with the Garda Commissioner and Minister Fitzgerald to address the lack of adequate Garda resources in Ballyfermot and the urgent need to increase the allocation of Gardaí to this Station and explore ways of ensuring increased Garda engagement and visibility with the people of Ballyfermot, Cherry Orchard, Chapelizod and Palmerstown.

Order: Agreed. Agreed to write to the Minister for Justice and the Garda Commissioner.

520 Councillor Vincent Jackson

This Area Committee requests that Dublin City Council look at the ongoing traffic congestion at the Ballyfermot Primary Health Care Centre since the traffic lights were installed. Allowing traffic to turn right into Cherry Orchard Industrial Estate results in all the traffic backing up behind same as the traffic continuing up Ballyfermot Road cannot proceed as the roadway is too narrow. A simple solution is ban right hand turn, thus allowing traffic proceed and allow turning right approx. 50 Mt up on Ballyfermot, thus allowing access to Cherry Orchard Ind. Est.

Order: Report to Councillor.

521 Councillor Paul Hand

That the South Central Area Committee requests that Our Lady's Hospital for sick children stop charging patients for the use of car parks on site. It is morally reprehensible to profit from another person's misfortune and I hope that this practice stops as soon as possible.

Order: The Members agreed the Chairperson would write to the Minister for Health.

522 Councillor Vincent Jackson

This Area Committee requests clarity on the following: - in relation to the arrival of pay by weight by various waste collectors, can Dublin City Council please indicate what proposal they have, if any, to deal with the anticipated rise in fly tipping in our communities? I cannot see how this system is better for the environment. The simple issue we need to have manufactures, suppliers reduce the volume of packaging, introduce deposit return scheme for bottles, cans etc. Re-Pak has done nothing to help reduce this chain of the waste stream which results in the destruction of so much of our parks, beaches etc. In my community on any given day I could collect 100 soft drink cans / bottles. This is an indication we need pro-active responses to reduce the stream of waste on our streets.

Order: Report to Councillor.

9 **April Questions and Answers
Listed.**

10 **Any Other Business**

- **One minutes silence was observed at the start of the meeting, on the anniversary of the Dublin Monaghan Bombings, (May 17th 1974).**
- **The Chairperson extended congratulations to Councillor Norton on the birth of her baby daughter.**

**Councillor Paul Hand
Chairperson
Wednesday 17 May 2017**

Councillor Mannix Flynn

**Area Manager's Report
South Central Area Committee
Wednesday 17th May 2017**

Dates for your Diary

- Housing Department has agreed to do a presentation and answer any written queries for the July Area Committee Meeting. I would be obliged if you could submit your **Housing queries** to scac@dublincity.ie no later than **Friday the 30th of June** so that replies can be given at the July Area Committee meeting.
- A reminder that the next **Dublin South Central JPC Meeting** is scheduled for Monday **the 29th of May at 2.30pm** in the Council Chamber, City Hall.

Issues

- **Inchicore - Need to vision potential development of village as opposed to separate considerations of areas in the Village.**
- **Public Domain – Need to seek approval for recruitment of Public Domain Officer.**
- **Civic Centre Development in Ballyfermot.**
- **Activation of Policy Work as identified under Discretionary Funding.**

CRUMLIN /KIMMAGE ELECTORAL AREA

New Public Park, Cork Street

Works to develop a 0.6 hectare neighbourhood park on the site of the demolished Chamber Court flats on Cork Street commenced in February and are progressing well. It is expected that the park will be completed by summer 2017.

St. Audoen's Park, High Street

St. Audoen's Park is included in the Liberties Greening Strategy. As part of the proposed improvements to High Street it is planned to enhance the area by improving accessibility, permeability and circulation throughout the park. A Part 8 planning application for the project was agreed at the July 2016 City Council meeting. Tenders have been submitted and are currently under assessment.

New Public Park, Bridgefoot Street/Island Street

Plans to develop a high quality neighbourhood park at Bridgefoot Street have been re-activated and public workshops were held on Thursday, 20th April in St. Catherine's Church, Thomas Street. The consultant landscape architect will now prepare proposals which will be presented at a second workshop.

Newmarket

A Public Realm Improvement Plan for Newmarket Square and its environs is now complete. The Plan describes, supports and guides the implementation of improvements to enhance the use and attractiveness of the area. Following agreement at the February Area Committee meeting a Part 8 planning application for the project was advertised on 20th February. A copy of the plan was available for inspection in the Planning Department in the Civic Office for 6 weeks from that date. The closing date for the receipt of submissions or observations was 20th April. A report in relation to the Part 8 planning application is included on the agenda for this month's Area Committee meeting

Francis Street

A Public Realm Improvement Plan for Francis Street, Hanover Lane and part of Dean Street has also been completed. The plan provides for a more pedestrian friendly environment which encourages people to visit the area on foot. The plan also supports the continued commercial operation of the Arts and Antiques quarter. Following agreement at the March Area Committee meeting a Part 8 planning application for the project will be advertised on 28th April. A copy of the plan will be available for inspection in the Planning Department in the Civic Office for 6 weeks from that date. The closing date for the receipt of submissions or observations is 28th June.

Michael Mallin House

Works to convert 4 bedsits into 2 x 1 bedroomed units are due to commence this week. Similar work is ongoing in Basin Street to convert 8 bedsits into 4 x 1 bedroomed units.

Lighting Improvements

Public Lighting Department is currently undertaking improvements to lighting on some of the smaller streets between Francis Street and Meath Street to improve safety and the public realm. Lighting in the area is being upgraded to LED as part of a planned citywide changeover. A programme of painting of street lighting columns and upgrading to LED will continue subject to resources.

A flagship lighting scheme on Thomas Street and James Street is continuing and will likely be completed by mid-summer. The programme has involved installation of 58 no. 'Cuffe Street' heritage lamps along the route.

Pimlico

The Area Office has now remedial completed work to the small green at Pimlico. Works included laying a new pathway through the space, installing new lighting, repairing and repainting the boundary, restoring an area of lawn and some replanting.

Vicar Street Play Area

The Area Office has completed final works to the small hard surface play area at Vicar Street. Following work last year to repair the surface and install new play equipment, the boundary railings has now been repaired and repainted and public lighting in the area improved.

Newmarket Redevelopment

Work has been largely completed on a new 400-bed student housing, office and retail development at Mill Street. Known as UniNest 'New Mill', the complex is expected to open in stages from June and be fully occupied in September. The project has included restoration of No 10 Mill Street which will now comprise high quality office spaces.

Work has also commenced on a second UniNest development at an adjacent site on Blackpitts, due to open in 2018, while work also progresses on the Starwood Aloft hotel on the site of the former Tenters Pub, also expected to open in 2018.

The redevelopment on Mill Street, together with an emerging masterplan for privately owned sites in Newmarket, and the Council's own public realm masterplan for Newmarket represents a very significant rejuvenation of one of the more neglected area of Dublin 8.

Improvement works at Cashel Avenue and Captains Avenue

Improvement works at Cashel Avenue and Captains Avenue consisting of new parking zones, new footpaths and a plinth wall surrounding the greens were substantially completed on 28th April. The works are funded from the South Central Area Discretionary Fund 2016. It should be noted that landscaping (reseeding and planting of new trees) will take place at both locations when the spaces have been leveled.

Brickfield Park

Works to install an all weather pitch in Brickfield Park are now complete. The new pitch was funded by Dublin City Council and Sports Capital grants.

The official opening by the Lord Mayor took place on Monday, 24th April.

Drimnagh. It is planned to install 3 'Welcome to Drimnagh' signs later this month or early next month. Following consultation with local community representatives the signage will be located at Davitt Road/Kilworth Road, Davitt Road/Slievenamon Road and Rafters Road/Crumlin Road.

Long Mile Road/Slievebloom Road

Remedial works have been carried to the wall opposite the Half Way House. The cracks have been repaired and the wall re-plastered with pebble dash to match existing walls in the area. This work was funded from the South Central Area Discretionary Fund 2017.

Commemorative Plaque

The Unveiling of a Commemorative Plaque by the Associated Bluebell Communities Commemorating the 16 Executed leaders will take place on Tuesday 16th May. Local Schools, Community Groups and members of the defence force will be in attendance.

Liberties Swift Conservation Project

Eighteen Triple Cavity Swift nest boxes will be erected in St Brigids School the Coombe, and Francis street CBS in the coming days. This is a joint initiative between DCC, local schools and the Dublin Swift Conservation Group in an effort to provide much needed nest sites for these iconic City birds whose populations are in serious decline.

Swift calls will be played in an effort to attract the birds to their new nest sites and educational talks and workshops will take place in local schools.

New nest boxes have been designed here in Marrowbone Lane, they have special features that will suit buildings without overhangs. They have sloping roofs to prevent predators from perching on the boxes. The first of its kind in Ireland, they are made from a fiberglass material which will last a lifetime. They will officially be called **The Liberties Swift Box!**

Summer planting and Environmental Enhancement Projects

Summer Planting & Environmental Enhancement projects will take place in the following locations:

- Garden View Court
- Coombe Court
- Michael Mallin House
- Marrowbone Lane
- Oliver Bond
- Mary Land Grotto

Crumlin Kimmage Community Report-

Historical Photograph Exhibition and Talk on Architectural Conservation

Dublin City Council in conjunction with the Crumlin Walkinstown Forum, Crumlin Historical Society and St. Mary's Parish will host a Historical Photograph Exhibition from 10a.m.- 7p.m. in St. Mary's Parochial Hall, (old school Crumlin Village), on Monday 12th June 2017 followed by an Architectural Conversation talk on Crumlin Village at 7.30p.m.

Brickfield Drive/ Keeper Road Residents Association

Dublin City Council Community Team have supported the Brickfield Drive/Keeper Road Residents Association clean up which will take place on Saturday 20th May 2017 from 10a.m. to 12 noon.

Crumlin Walkinstown Forum

- Dublin City Council Community and Social Development are continuing to support the Crumlin Walkinstown Forum in their activities. Crumlin Walkinstown Forum Crumlin Village Clean up will take Wednesday 31st May 2017 from 6pm – 7.30pm.
- Crumlin Walkinstown Forum Fun day will take place on Sunday 25th June 2017 in Stannaway Park. Further information on activities to follow.

Environmental Projects: - Senior Citizens Complexes

Dublin City Council Community and Social Development Team will provide Senior Citizens Complexes in the Crumlin Kimmage area with a small number of bedding plants to enhance their complexes.

Residents/Environmental groups

Dublin City Council Community Team has identified a number of residents/environmental groups in the Crumlin Kimmage area for environmental enhancement projects. However on the recommendation of Dublin City Council Parks Section, groups will now plant bulbs in September instead of planting plants, as this will give more impact in areas identified with less maintenance for groups.

BALLYFERMOT /DRIMNAGH ELECTORAL AREA

Ballyfermot Road Public Realm Improvement Plan

A public consultation which was very well attended by both business owners and residents was held on 24th April in the Ballyfermot Library. The next stage will be to meet with internal stakeholders which is scheduled for 8th June 2017 and give them a month to give their consideration and comment on the plan. This will then be fed by the Consultants into the final draft.

Ballyfermot/Drimnagh Community Update Bealtaine

As part of Dublin City Council Bealtaine celebrations, the Council is hosting a performance of Bezzie, a powerful one woman show by Sheila Flitton at Claddagh Ct Senior citizen's complex on Thursday 18th May @ 2pm. The event is free with refreshment provided.

Weekly dance classes continue in the Ballyfermot Sports & Leisure Centre every Tuesday morning 11.00 am – 12.00 noon. The Community Gardaí from Ballyfermot Garda station will be giving a talk on home security to the Ballyfermot Senior Citizens forum at 11.30am on Thursday May 18th in Ballyfermot Civic Centre.

Installation of Remembrance Plaque in Bluebell.

On May 16th the Trees planted to commemorate the executed 1916 leaders were identified in the unveiling of a Commemoration Plaque in Bluebell.

The Cherry Orchard Summer Fair

The City Council are supporting the Cherry Orchard Summer fair which takes place over the 19th and 20th May in the Equine Centre and Cherry Orchard Park. Staff from the area office,

Sports development section and Orchard Community centre are supporting a large range of activities over the course of the two days. A committee of local services with some local residents have worked to put the programme in place and the event is going from strength to strength. This year Familibase have organised a 5K run on the Saturday morning.

All are welcome

Environment
