Deferred from May North Central Area Committee meeting pending
Valuers report (ATTACHED)
- 8 Motions
- a Motion in the name of Councillor Alison Gilliland
That the North Central Area meeting recognise and commend the work of the Edenmore Residents Association and the Edenmore Safer Forum and that this meeting commit every effort to their work to enhance the facilities, opportunities and public realm of the area.
 - b Motion in the name of Councillor John Lyons
This Area Committee believes that the new "Bargaintown" approach to homelessness, converting former commercial/industrial units and religious institutional settings into family hubs, is a result of the disastrous national housing policies of the Fine Gael-led government, is ill-conceived and an explicit admission by those in government have no interest in ending homelessness but merely managing it; furthermore, this Area Committee calls on Dublin City Council to cease immediately with this shameful plan of placing families into former furniture stores and seek instead solutions to the homelessness crisis that will result in families, couples and individuals being treated with respect and offered appropriate high quality, secure, long-term affordable accommodation.
 - c Motion in the name of Councillor Micheál MacDonncha
This Area Committee calls for the Parks Department, in conjunction with the Area Manager, to come forward with plans and its portion of the budget, for the playground for Kilbarrack, to which funding has been allocated by the Area Committee under discretionary spending.
 - d Motion in the name of Councillor Jane Horgan Jones
To ask the City Manager to commence the process of erecting a

permanent monument in Donnycarney to Uilleann piper and composer Leo Rowsome, who is widely regarded as having saved the Uilleann Pipes in the early 20th century.

e Motion in the name of Councillor Larry O'Toole

That this Area Committee agrees that the use of the former Shamrock Apparel factory is not suitable for emergency housing. On Greencastle Road beside Castle Elms and in front of Bargaintown.

f Motion in the name of Councillor John Lyons

This area committee requests a review of An Garda Siochana's role within the various community safety forums and calls for a detailed report from the gardai as to the level of staff reductions over the last six years and how these reductions impact upon their ability to respond to the needs of the communities of the North Central area.

g Motion in the name of Councillor Michael O'Brien

That this area committee notes

- that the Minister for Housing, Planning, Community and Local Government unilaterally announced that commercial hotels and hostels would cease to be used for emergency accommodation by 1st July 2017
 - that this announcement was made in the course of his discussions with representatives of housing activists who initiated the occupation of Apollo House in December 2016 until January 2017
 - that the homelessness situation has continued to worsen in Dublin since that time
 - that in order to be seen to fulfill the deadline he set himself that various types of buildings have been identified for conversion into 'family hubs'
- Resolves that
- that the site identified at Greencastle Parade formerly occupied by Bargaintown is not a suitable location for the relocation of homeless families
 - that efforts and resources are better spent on housing the homeless rather than moving them between different types of emergency accommodation.
