MINUTES OF THE NORTH CENTRAL AREA JPC MEETING

HELD ON MONDAY 17 JULY 2017

Cllr Larry O'Toole, Chairperson, congratulated Cllr Michael Mac Donncha on being elected Lord Mayor of Dublin. He welcomed newly appointed Chief Superintendent Finbar Murphy, who for the purpose of this meeting replaces Chief Superintendent Finbar O'Brien.

1 Minutes from meeting held on 10th April, 2017

Order: Agreed

2 Safety Forum Updates:

Order: Elaine Mulvenny, Vanessa Carey and Deirdre Murphy updated Committee on the 4 local community police forums.

Elaine advised that there will be an extraordinary meeting held on Wednesday 19th July 2017 in St Monica's Edenmore in relation to the increased use of drug, misuse of quad bikes, estate management and waste management issues. Cllr Gilliland and Lord Mayor Michael Mac Donncha both concurred with calling the extraordinary meeting to tackle the anti-social issues. Normal safety meetings will continue in the Autumn. Cllr Gilliland is very concerned that children as young as primary school age are being used as drug couriers. There is increased Anti-Social behaviour at Howth Junction and Kilbarrack Station's. A Spanish student was attacked and a lot of rubbish had been burned. Iarnrod Eireann have upped security at Howth Junction Station. There was a recommendation for a Kilbarrack Forum, Elaine Mulvenny agreed incorporation of this area into the Donaghmede Forum.

Vanessa advised that it is intended to merge the Safer Forum and the North Fringe Forum. The Belmayne/Clongriffin Safer Forum needs a re-structure, with a thematic approach and speaker at each meeting to deal with neighbourhood issues. Mr Declan Cahill, current chair of the North Fringe Forum will chair the new combined forum.

Deirdre advised that the use of quad bikes and scramblers has been raised at each Darndale/Belcamp/Moatview Safety Forum as being a major problematic issue for the area. Inspector Colm Healy reiterated that the Garda will not give chase but if people know where the users of the quads/scramblers live, or who they are that he will call to their homes.

Cllr O'Toole informed the committee that there has been a serious spate of joy-riding and burning out cars in Primrose Grove the previous weekend. He has already spoken to Superintendent Donnelly and Inspector Healy about this, that action needs to be taken as residents are living in fear and intimidation. Chief Superintendent Finbar Murphy asked Cllr O'Toole to give him a couple of days to put a plan in place to meet the challenges by the weekend 21 - 22 July. He will put a plan of action in place to tackle this issue.

3 **Garda Report's**

Order: The Garda discussed the statistics for DMR North. Inspector Healy advised that theft from vans is still a major issue in the Coolock area and they advise all van owners to fit a big silver dead lock. The stats on burglary are quiet good, community police are very pro-active in relation to security. The drugs surveillance at Edenmore has provided very good results.

Cllr O'Muire advised that the incidents of theft are up in Marino. Superintendent O'Connor stated that crime comes in waves and then balances itself out. Cllr's queried staff numbers, Cllr O'Moore advised that when a couple in a shop in Raheny were assaulted they rang Raheny Station and were told that "there was nothing they could do", only 1 Garda on duty". Superintendent O'Connor advised Cllr O'Moore that he would speak to him about it later.

4 **Presentation on gaming and lotteries - How guards police underage gambling. E.g betting shops, casinos etc. (Verbal Update - Chief Superintendent Murphy).**

Order: A Gambling Control Bill 2017 is currently being worked on and will be out by the end of the year addressing young people/adult addiction, on-line mobile phone and off premises gambling, it will also deal with internet gambling. It is also intended to set up a Gambling Control Office.

5 **Garda resourcing - Outline of how guards in the District are employed vulnerable people, on-line mobile phone and off premises gambling, it will also deal with internet gambling - (verbal update Chief Superintendent Murphy)**

Chief Superintendent Finbar Murphy discussed Garda resourcing. With the move towards armed/specialist units, local units have suffered. The Division fight's hard to get additional guards, there are 15 new guards starting in the division on Friday 21st July, 15 more in September and December. Cllr O'Muire asked how will these additional 45 new guards affect the numbers, will it bring it up to full position. Chief Superintendent hopes this will turn the corner and they will break even.

Superintendent O'Connor stated that since 2009 he has lost 57/58 people. Inspector Healy advised he has to prioritise resources, serious crimes of robbery, tiger kidnapping, rape etc. will take priority. Cllr Moran queried community guards and their presence on the street, they play a vital role for young people and minor crimes. Cllr Gilliland agreed that community guards have a vital role for kids in liaising with schools, and prevention of crime. Cllr O'Muire stated that the numbers are important he would like to see a breakdown of the numbers in the district and what they should have. He will follow this query up separately.

6 **Motion referred to from NCA June Area Committee**

Order: This was discussed under item 5 on the Agenda

7 **Sign off JPC Committee Work Plan 2017.**

Waste Management and Environment

- The number of incidents of graffiti in the area has decreased in the last 6 months. There have been a few incidents of threatening graffiti over the last couple of weeks which has been promptly removed. With the introduction of the gateway staff in Darndale Park there has been no incidents of graffiti. The blue bag system continues to work very well.

Illegal Dumping: Illegal dumping has become an issue in Darndale in the last few months. The anti social behaviour in July has put a lot of pressure on the waste management crews. Rapid response has been called into the area on numerous occasions over the past number of weeks to clear large bulky items that have been dumped and to clear areas where regular burning occurs. A lot of the burnt out dumped bags consist of recycle goods ie. cans and bottles.

Darndale Park

There have been positive developments in Darndale Park with increased usage, unfortunately there are still issues with horses and quad and scrambler bikes. The introduction of the Gateway staff has helped reduce the incidents of dumping. The first 'Park Run@ took place in the park last Saturday 30/09/17.

Dublin North East Drugs Task Force Update

Deirdre Arnold, Prevention Education Worker has given very informative and useful verbal updates on the work she carries out and also on the new drugs which are becoming available and the effect they are having on users.

Marcus Keane from the Ana Liffey Project gave a presentation regarding supervised injection facilities (SIFS).

Anti-Social Behaviour Primrose Grove, Darndale

There was a serious spate of joy-riding and burning out cars in Primrose Grove and Snowdrop in early July. Cllr. O'Toole raised this issue at the last JPC meeting on 17/7/17, where Chief Superintendent Finbar Murphy gave an undertaking to put a plan in place to meet this challenge. On foot of this, suitably trained personnel were re-deployed for 3 nights to deal with and address the issues. At the Darndale/Belcamp Safety Forum on 26/07/17 Cllr. O'Toole invited residents from Primrose Grove and Snowdrop to attend the meeting to speak in relation to the anti social activity in their area and address any questions/queries they had to Inspector Colm Healy and DCC. Inspector Healy advised that the Public Order Unit is not a permanent solution, the answer is not to have police in riot gear patrolling the area, the future plan needs to be that the Community, DCC and the Guards work together.

The next safer forum meeting is scheduled for 27th November, 2017 and the sub-committee of the Darndale Park Renewal Group are also scheduled to meet on 27th November, 2017.

October, 2017.

Subject: Emergency motion re Clare Hall

Hi Yvonne and councillors,

I'm submitting this emergency motion for next Monday's meeting in light of the representations made to us by the local Residents' Association as well as individual residents about ongoing problems in the estate.

That this area committee

- Notes with concern the ongoing problem of anti social behaviour reported to us by residents in Clare Hall concentrated in the vacant land bordering on the back of Temple View Lawn owned by Albany.

- Supports the demands raised by the Clare Hall Residents Association and calls on Dublin City Council and the Gardaí, where applicable, to act on these proposals specifically:

- that residents whose property backs on to this waste land should now take possession of the land in order to raise the boundary walls

- Restrict access to derelict land

- Secure perimeter walls by increasing wall height or provision of rolling barbed wire capping

- Increased Garda presence in the area of Grove Lane and guaranteed response when anti- social behaviour is reported

- Meeting of all stakeholders to include representation of residents of Clare Hall, Clare Village, The Orchard and Greenwood, Gardai, representatives of the Dublin City Council Area Manager, Dublin Fire Brigade and elected representatives.

- Furthermore this Area Committee supports the inclusion of the Clare Hall Residents Association in future meetings of the Belmayne Clongriffin Safety Forum given Clare Hall's proximity and problems in common with the northern fringe

Hi Larry, could I ask that the ongoing graffiti problem in the North Central area be put on the agenda for discussion at the JPC.

Thanks
