Submissions from Cllr Vincent Jackson

- (i). What supports are available to community groups/citizens to rid our parks of both horses and alcohol consumption/anti-social behaviour. For years, we as a society, have allowed a few take ownership of large parks within the City administrative area. In a democratic society this is unacceptable.

- (ii). That An Garda Siochana with DCC staff prioritise one or two areas for a targeted intervention to displace/deter anti-social behaviour in our Parks. If the word gets out certain behaviours will no longer be accepted it will start to change the behaviour of a few who cause so much trouble.
