13	Motion 1 in the name of Councillor Claire Byrne	

*"That this Committee is outraged by the estimated 2 million coffee cups that go into landfill in Ireland each day, supports the Governments proposed 'Latte Levy' as one measure to tackle this, but calls on Dublin City Council to go even further by introducing an outright ban on the sale and use of all non-recyclable, non - biodegradable and non- compostable coffee cups in Dublin City as way to lead by example and to demonstrate Dublin City Councils commitment to the fight against plastic pollution and climate change'*

14 Motion 2 in the name of Councillor Claire Byrne

'That this Committee requests a progress report on the use of source separation bins in Dublin City and whether there a plans to increase the roll out of such bins'

15 Motion 3 in the name of Councillor Claire Byrne

'That this Committee calls on the Manager to make a statement on reports of on-going issues with domestic waste collections in Dublin City including regular missed domestic collections, collections taking place outside of allocated collection days, putting brown and grey bin waste into the one collection truck, and general poor communications with customers in this regard.'

That this Committee calls on the Manager to introduce kerb side collection of glass in Dublin City and asks if he can provide a report on this'
