	(ii). Sports and Recreation Report for December 2017 – South Central Area.	
6	Emergency Motions	
7	December 2017 Motions	

- 559 Councillor Rebecca Moynihan**
This Area Committee agrees that the following roads in the environs of the National Childrens Hospital works, be balloted for pay and display parking in light of the increased difficulties with all day parking by non residents in the area:
Cameron Square
New Ireland Road
Upper Cross Road
Portmahon Road
Herberton Road
Herberton Park
Rialto Street
Rialto Cottages
Haroldville Road
Malin Avenue
Clarke's Terrace
- 560 Councillor Michael Mullooly**
Given that 22 different agencies are providing homeless services to Dublin City Council this Area Committee recommends an independent audit of those services to ensure that Dublin City Council and the various service providers are complying with their child protection obligations and also protecting vulnerable adults.
- 561 Councillor Vincent Jackson, Councillor Hazel de Nortúin, Councillor Paul Hand & Councillor Greg Kelly.**
This Area Committee asks that Dublin City Council please ensure that the Old ABC Community Centre on Bluebell Avenue is demolished as a matter of urgency and that serious consideration is given for the provision of allotments on this site which is transverse by electric pylons. In addition, there is a serious problem of ongoing prolific dumping at the entrance to the Old ABC site. Can Dublin City Council please ensure this waste is collected in a speedy manner? At a recent meeting of the ABC Community Association, neighbours were up in arms over the very poor physical state of the ABC site with vermin and anti-social behaviour all contributing to a poor living environment. Residents felt Dublin City Council needed to be much more pro-active in addressing issues in the Bluebell area such as illegal planning etc, and failure to address these issues would call into question a partnership approach to future development in the area such as Naas Road Developments and the proposed Bluebell Area Plan etc.
- 562 Councillor Paul Hand**
That this Area Committee requests Dublin City Council take a more proactive stance in tackling ongoing issues in the Bluebell area. Furthermore this Area Committee congratulates the Bluebell Residents Association on their re-launch and commits to working with them and all community groups now and into the future.
- 563 Councillor Daithi Doolan**
This Area Committee recognises that Dublin faces an unprecedented homeless crisis, and supports actions taken to tackle the causes and consequences of homelessness. In order to overcome some local hostility, Dublin City Council commits itself to engaging and consulting with communities and their representatives, before any future homeless services are opened in Dublin South Central.

564 Councillor Rebecca Moynihan

This Area Committee agrees to ask that the section of St. James Walk along the Luas line (from Rialto stop to Fatima stop when the road widens), have double yellow lines installed, as two cars can't pass each other here and is likely to cause an accident.

565 Councillor Michael Mullooly

As a matter of policy that a change of use under Section 179(6)(b) of the Planning and Development Act 2000 will not be invoked or an Order made, without first of all presenting the proposal to the South Central Area Committee.

566 Councillor Vincent Jackson

This Area Committee asks that Dublin City Council Planning Department please come along to the next Area Committee meeting, with an explanation on why another two fast food establishments were allowed in the Ballyfermot Area. It is becoming a joke that we are now swamped with certain types of businesses who contribute little to the commercial / retail trade in Ballyfermot. I cannot understand why a strategic view of the area is not taken into consideration by Dublin City Council. There are far too many such businesses in the area and we need a retail plan for the area yesterday. Failure of Dublin City Council Planning Department to properly plan for diversification will kill the retail heart of Ballyfermot.
