7	Presentation from the Ringsend Environmental Health Group.	
8	Air Quality Response to Motion at the March Meeting & report on the air quality monitoring stations in Dublin 1, 2,3 & 4, Martin Fitzpatrick, Principal EHO	

'That this Environment SPC seeks to address the concerns of the residents of The Ringsend Environmental Health Group regarding the lack of effective monitoring of the environmental impact of the activities of existing commercial and industrial operations and potential new developments on the Poolbeg Peninsula on the local area and its community: Further details on their concerns can be found in the attached document, but specifically their questions are:

1. Who is responsible for monitoring the AMBIENT Air quality in our area?
2. What are the proposed (if any) locations for monitoring stations in Ringsend, Irishtown and Sandymount Villages?
3. When will this be done?

4. Will the results of this monitoring (particularly PM_{2.5}) be publicly available?
5. Will Noise, Vibration and Congestion studies be undertaken and will this data be publicly available?
