(Report herewith)

6 Motions

a Motion in the name of Councillor Larry O'Toole
That this committee instruct Dublin City Council to engage with An Garda
Siochana and other relevant agencies to resolve to the issue of the illegal landfill
on the open ground adjacent to Moatview/Belcamp estates.

b Motion in the name of Councillor Deirdre Heney
That consideration be given to the provision, on a pilot basis, of a bike parking
covered in type shelter close to end of cycle track/Clontarf DART station for
commuters who cycle as far as Clontarf DART Station as the provision of secure
bike parking in the station is proving insufficient for the numerous commuters
using the DART.

c Motion in the name of Councillor Alison Gilliland
That the North Central Area Committee recognises the ongoing and future
housing/apartment and school development in the Belmayne/Parkside/New Priory
area bounded by Parkside Boulevard, Clare Hall Ave and the Malahide Rd. Given
this substantial development the Area Committee requests that an on the ground
audit be carried out to identify car use, parking needs and availability, including
school drop-off needs, within this area with a view to drawing up a comprehensive
traffic management plan to ensure pedestrian safety, particularly that of school
going children and their parents, and to minimise internal traffic tensions within the
community.

d Motion in the name of Councillor Naoise O'Muirí
That the falling lamp-post outside No 10 St Annes Drive, Raheny, be replaced as
a matter of urgency as it is a potential hazard for local residents.
