	Test Data and related documentation can be accessed via the following link Environment SPC Waste to Energy Testing and Commissioning.zipx	
4	Incident Report to EPA (4th October 2017) - CDM Smith	89 - 104
5	Motion in the name of Councillor Claire Byrne	
	'That in light of the very serious amount of litter and waste that was left along the Grand Canal and other parts of the city during the good weather last weekend, this Environment SPC calls on Dublin City Council to explore ways of improving the litter and waste management systems during the good weather, such as increasing the number of large bins available, and investing in an awareness campaign to encourage personal responsibility so people clean up after themselves, bring their waste home, and leave no trace'
