DUBLIN CITY COUNCIL
SOUTH CENTRAL AREA COMMITTEE
18th July 2018

- 615 Cllr Ray McHugh**
To call on Dublin City Council to investigate if it is possible to introduce bye-laws to compel bicycle couriers operating commercially to have identification registration displayed and insurance cover, and if not to write to the Minister of Transport, Mr Shane Ross, requesting to bring in legislation to compel cyclist couriers working for delivery companies to display registration identification and insurance.
- 616 Cllr Daithí Doolan**
This Area Committee, in noting the frustrations caused by utility companies failing to speedily connect new homes, calls on Dublin City Council to contact the ESB, Irish Water and other relevant utility companies to immediately identify a point of contact to avoid any further delays.
- 617 Cllr Greg Kelly**
This Area Committee calls on the Area Manager to ensure that planters are ordered and distributed throughout the Ballyfermot/Drimnagh ward next year. Drimnagh and Bluebell in particular have missed out this year. These are a great addition to areas and now we have environment groups active throughout Ballyfermot/Drimnagh they should be consulted along with local councillors as to where they can be put.
- 618 Cllr Michael Mullooly**
In view of the proposal to redevelop the City Council Depot at Marrowbone Lane Dublin 8 this, Area Committee reiterates its commitment to providing playing facilities there for local sporting clubs.
- 619 Cllr. Vincent Jackson**
This Area Committee supports the following request from a resident from Inchicore who got in touch with me in relation to the possibility of DCC submitting an application for Inchicore to be considered for WIFI hotspots status under the European Union Wifi4eu initiative. This application for designation, which needs to be done by DCC, would be a welcome addition to the urban regeneration of the Inchicore area.
- 620 Cllr Michael Mullooly**
Across the South Central area there has been a marked deterioration in the condition of speed ramps due to weathering and poor maintenance, to such an extent that they are dangerous to motorists, cyclists and pedestrians. This Area Committee calls on the Area Manager to prepare a report on the issue for the September Area Committee meeting with particular emphasis on a programme of works to repair and maintain speed ramps to a proper standard.

8 Emergency Motions

Standing Orders was suspended to take the following Emergency Motions: -

Emergency Motion (as amended 20/6/18) from Councillors Daithí Doolan, Greg Kelly and Criona Ní Dhálaigh.

That Dublin City Council's Housing Department acquires the former depot on Davitt Road for the construction of social and affordable housing and brings a full feasibility report to the next South Central Area Committee meeting.

Order: Agreed.

Emergency Motion from Cllr. Hazel de Nortúin

This Council calls for an immediate investigation into the demolition of a family home (mobile home) in Labre Park, Ballyfermot, Dublin on Thursday, June 14th.

We call on Chief Executive Owen Keegan to conduct a full investigation into the horrific incident in Labre Park on Thursday 14th June 2018 where a family's home (mobile home), containing personal belongings and the history of their lives including photos and irreplaceable sentimental items were destroyed under instruction by Dublin City Council.

This investigation must include;

Why and when was this action instructed?

Who was aware of this action and what was the line of communication to issue the demolition of a home?

What instructions and information was given by DCC to the contractor who demolished the family home?

When were these instructions given?

What is the legislation and what are the DCC policies in relation to the demolition of a home?

What is the legislation and what are DCC policies in relation to instructing third parties to enter and remove belongings from a family home without the family's knowledge or consent?

What steps had the council taken to ensure the rights and protection of the family?

What is the legislation required to be followed when such action is taken?

What evidence do DCC have that the requirements and protections of legislation were adhered to?

What evidence do DCC have to show that the rights and protections of the family were abided by?

Order: Agreed. Meeting arranged for 5,30pm in the Chamber to discuss this matter.

DUBLIN CITY COUNCIL
SOUTH CENTRAL AREA COMMITTEE
20th June 2018

602 Cllr Críona Ní Dhalaigh

That the Area Manager carry out an audit of vacant units belonging to DCC in the Dublin South Central area. There is a huge demand for premises particularly in the South West Inner City area for community / voluntary / charitable organisations who cannot afford the increasing rents in the area. Some organisations such as SOLAS will cease to function in the area at a huge loss to the youth of our area. Shannon's Hopeline which delivers much needed suicide prevention training and counselling have for years been trying (unsuccessfully) to source affordable units in order for them to continue and expand their valuable services. The loss of Carman's Hall was a huge blow as it provided very reasonable rooms for rent for dancers, majorettes, musicians, after schools clubs. Could the Manager please report on the following units in particular:

- The Old School in School Street
- The large Ground floor space at Eblana house
- Bridgefoot Street (Usher's Island)
- The Coombe (80)

Could the Manager also report on what if any plans there are for the space at Marrowbone Lane next to the Community Centre.

Order: Agreed. Report to Councillors

603 Cllr Vincent Jackson

Can Dublin City Council facilitate the closure of Chapelizod on the Sunday of the Chapelizod Festival, 1st July, to allow a safe non traffic environment for 4 to 6 hours. This can be done for road-races, concerts etc. Now it's our chance to support the local residents who will supply stewards, barriers, music etc.

Order: Agreed.

604 Cllr Michael Mullooly

This Area Committee asks the Area Manager to carry out an audit of street/road signs in the Crumlin Kimmage Area with a view to a work programme to repair, reinstate and replace damaged and missing signs.

Order: Agreed.

605 Cllr Greg Kelly

This Area Committee calls on Senator Ronan Mullen to resign his seat in the Seanad with immediate effect for the disgraceful remarks he made in relation to Mental Health during the referendum. On the 24th May on a live debate, Senator Mullen stated "Mental Health has no evidence base" this has caused a lot of hurt to individuals and families who have seen the pain that mental health can cause. For a member of the Seanad to make this remark is a disgrace and they should not hold a seat in Leinster House.

Order: Agreed

606 Cllr Daithi Doolan

This Area Committee notes the great work being done by the Cherry Orchard Running Club and this committee commits to providing funding, if available, to support the work of the club from the South Central Area Committee's Discretionary Fund for 2019.

Order: Report to Councillor. (Note: Cllr Dunne did not support this Motion).

607 Cllr Hazel de Nortúin

This Area Committee fully supports the campaign for a Gaelscoil in Ballyfermot. If lands are to become available, particularly zoned for educational purpose, that this Council allocate a portion of this land for the purpose of a Gaelscoil.

Order: Agreed.

608 Cllr Ray McHugh

This Area Committee agrees in light of the Industrial dispute between workers at Xylem Water Solutions for Union recognition, this Committee agrees to call on Dublin City Council and all Councils, to put the necessary measures in place to deal with non compliant contractors. Currently there is public sector agreements in existence but are not enforced in any way by Dublin City Council.

Order: Agreed. Report to Councillors.

609 Cllr Críona Ní Dhalaigh

That this Area Committee support the calls for the VAT to be removed from sun protection products. These products are not luxury items and given the increase in skin cancer cases in Ireland it is vital that sun protection products are affordable. We also call on the relevant ministers to act immediately to address this.

Order: Agreed.

610 Cllr Vincent Jackson

In relation to the recent series of Forbidden Fruits concerts in the grounds of the Royal Hospital Kilmainham, Dublin 8, I wish to point out if these concerts are to be facilitated at this location the following must be looked at:- security and traffic noise levels. Residents have told me they were prisoners in their own homes for a week when the concerts were taking place. Alternative entrances are available into the Royal Hospital and these need to be looked at, in line with meeting representatives, for the local residents who have to live with the consequences of DCC events division giving the go-ahead. One of those affected would love to explain at firsthand what was happening and have filmed people crossing the Camac River to pass security etc.

Order: Report to Councillors. The Councillor to pass on specific details to the Area Manager.

611 Cllrs Michael Mullooly, Greg Kelly, Hazel de Nortúin, Pat Dunne & Vincent Jackson

This Area Committee condemns the decision by the Department of Education to exclude Dublin 8 and Dublin 12 from the catchment area of the proposed co-educational, multi-denominational Post Primary School in Harold's Cross.

Order: Agreed. Agreed to write to the Minister for Education.

612 Cllr Greg Kelly

This Area Committee commends the Argentina Football team who refused to play a friendly game against Israel. This we hope will be followed by other countries and asks the FAI not to arrange any games against Israel in the future. This Area Committee asks that a letter be sent to the Argentinean Ambassador to Ireland thanking them on behalf of the Area and to wish them good luck in the World Cup.

Order: Agreed. Agreed to write to the Argentinean Ambassador.

613 Cllr Vincent Jackson

That Dublin City Council give consideration to the Cherry Orchard Running Club to come in and make a presentation in September 2018, with a view to supporting this project with a part-time coach in order to allow the group grow. Cllrs. Norton, Doolan and myself recently met a large group from the club and heard at first hand the wonderful experience running was having on their body and soul.

Order: Agreed. (This motion was taken with Item 5 (ii)).

614 Cllr Vincent Jackson

That Dublin City Council take full responsibility for the daily cleansing of the front of the Ballyfermot Leisure Centre at the Lawns Park / Blackditch Road, Ballyfermot, Dublin 10. I cannot understand why this area is not in charge of the Leisure Centre. We have spent 10`s of millions of euro on the development of Sport and Youth facilities and almost on a daily basis the area is in disgraceful state. A staff member needs to have this task incorporated into his / her tasks and twice a day it needs cleansing. If any other business left the area in the state I regularly see the area left they would be prosecuted by Waste Management Services. I am well aware there are ongoing difficulties at this location however someone needs to take responsibility for same.

Order: Agreed.

**Area Manager's Report
South Central Area Committee
Wednesday 20th June 2018**

Revised Part VIII for Dolphins Barn Village Public Realm Improvement Plan.

A Part VIII Planning Application was advertised on May 16th for a Proposal to undertake a Public Realm improvement plan for Dolphins Barn Village. However, on inspection of the planning application it was considered that the content was in contravention of the minimum requirements as set out in Article 22(4) (a) of the Planning and Development Regulations 2001 (as amended). New Drawings have been prepared that will comply with the Regulations and it is proposed to readvertise in the coming week.

CRUMLIN/KIMMAGE ELECTORAL AREA

South West Inner City Area Report

The Area office has Shopfront Improvement Schemes in place for The Liberties and Dolphin's Barn Rialto. The Liberties scheme has attracted 10 applications to date with 8 projects completed or underway. There is very positive interest on Meath Street in particular, which is an area of particular focus for this year's scheme. The scheme for Dolphin's Barn and Rialto has been advertised to all businesses in the area and has attracted 5 applications to date, with 3 more expected. The closing date for the scheme is 29th June.

The Liberties Festival 2018 will take place from 18th to 22nd July. The festival is organised by SICCD, who this year engaged a local events management company to run the festival. The community development and business departments have engaged with the festival organizers to assist as they can. The Liberties Fun Run 2018 in aid of St James's Hospital will take place in conjunction with the Festival on Wednesday 18th July.

St. Audoen's Park, High Street

Works to enhance St. Audoen's Park by improving accessibility, permeability and circulation commenced in October 2017 with the park due to reopen in July. The reconfigured western entrance will incorporate a play garden.

Bridgefoot Street Park

Detailed design works are almost complete and it is expected that tender documents will be issued in July. Construction works will commence shortly after the tendering process is complete.

High Street/Cornmarket

Works to 'green' the central median at High Street have commenced and will mirror the Nicholas Street project of 2016. The existing concrete is being removed and replaced with extensive planting including 16 new London Plane trees which are replacing 14 damaged and diseased trees. Works on High Street should be completed by the middle of July whilst similar planting in Cornmarket will take place later in the year.

St. Luke's Church

The conservation of St. Luke's Church is complete with the building now being used as office accommodation. The City Council is creating a small urban park in the north graveyard (facing St. Luke's Avenue) and carrying out improvements to the south graveyard (access via Newmarket Square). Works to both graveyards commenced in June 2017 and are due to be completed shortly. It is planned that the park facing St. Luke's Avenue will operate with normal park opening hours whilst the south graveyard can be visited by appointment.

Islandbridge Court

Tenders have been received for the installation of a hard surface MUGA (multi use games area) in Islandbridge Court and are being assessed at present.

Bluebell

The preferred bidder for the all weather pitch has come back with a works programme. They intend to commence works on Monday 16th July, 2018, with a proposed finish date of 2nd November, 2018. The Bluebell Community Council will be kept informed of developments regarding the pitch by DCC officials.

Housing Report

St. Teresa's Gardens

Phase 1 of the St. Teresa's Gardens Regeneration Masterplan is now complete following the demolition of the 6 blocks on the Eugene Street side of the site. The 4 vacant blocks on the south side have also been demolished.

A new part 8 Planning Application for 4 additional housing units (increasing the number of houses/apartments to 54), amendments to previously permitted residential units, demolition of remaining 2 blocks, an enhanced park and an interim pitch was lodged on 12th March. A report in relation to the Planning Application is included on the agenda for the May Area Committee meeting. Tenders for the updated new build are due to be issued shortly with a view to construction works commencing in Quarter 3.

Tenders are due to be issued in Quarter 2 for Precinct Improvement Works in the area between the refurbished blocks. Works will include a small playground, hard and soft landscaping, enhanced lighting, CCTV and painting. Works are planned to commence in Quarter 3 this year.

New build enabling works commenced on 22nd January and are due to be completed in May. The works include drainage, enlarging some gardens on Eugene Street, demolition of 23, 24 and 25 Eugene Street and the removal of contaminated soil.

The Development Framework Plan for St. Teresa's Gardens was endorsed by Councillors on 3rd July 2017. The Plan includes housing, community facilities, parks, open space and traffic alignments.

Dolphin House

A part VIII planning application was approved at the October 2014 City Council meeting for demolition, new build and refurbishment at Dolphin House (phase 1). A total of 96 existing flats will be replaced by 100 new units. The demolition of the 2 'canal' blocks was completed in early 2016 whilst the new build and refurbishment commenced on 17th October 2016 and are progressing satisfactorily. Work is scheduled to be completed in autumn 2018.

Planning permission was granted to Fold Housing Association in November 2016 for 42 units of older persons apartments with a community centre at a site to the rear of the football pitch. A 'sod turning' event took place on 27th April with the Minister for Housing, Planning and Local Government and the Lord Mayor in attendance. It is the intention to transfer the existing tenants in Dolphin Park to the new dwellings which are scheduled to be completed in Quarter 1 of 2019. Dolphin Park, which consists of 44 bedsits, would then be demolished to allow for new housing to be developed on the site.

The 48 residents of the 'long blocks' were contacted in February in relation to phase 2A of the project.

South West Inner Public Domain Report

An intensive clean of Merchants Quay and Bridge St. has been completed. Meath Street and Francis St will be next.

Smart Bins are currently being located at high volume sites – allocation of 3 bins along bus stops at Heuston Station. A smart bin will be placed at the Coombe Hospital on Cork St. and 2 at Cornmarket. The cast iron bins will be removed from High St and repositioned in suitable locations in the area. .

A maintenance programme has begun to include painting of decorative lamp standards along Thomas Street and Marrowbone Lane.

Street furniture in the form of 3 tiered planters have been placed at Cornmarket and St. Catherine's Church.

Graffiti removal is a high priority in the area. Oliver Bond St, Island St, Bridgefoot St. Steevens Lane, Swifts Alley & Carmans Hall have all been treated. Dublin Canvas will be treating 5 Traffic Signal Boxes in the locality. "Geometrical Calligraphy" by Aprar Elawad on SCR near the Mosque is complete along with "Flower Box" by Vini Bustamante at Donore Ave. Dn. 8

Crumlin/Kimmage Area Report

Crumlin Village Environmental Improvement Scheme

Works to upgrade the public domain of the east side of Crumlin Village from the junction with Windmill Road to St. Agnes Park, i.e. between An Post Sorting Office and the Garda Station commenced on 5th March.

The works include:

- The replacement of the existing footpath with cobble lock and slabs similar to the west side of the road
- The removal of the overhead electrical cables and replacement of existing lamp posts with posts similar to those that were installed on the opposite footpath in 2008.
- Provision of an automated pedestrian crossing at the Crumlin Village/Windmill Road junction.
- Provision of cycle lanes and bicycle stands
- Additional tree planting
- Revised car parking

Contractual issues arose and will delay the completion of the project until the end of October this year. Works on the west side of the village (Tesco's side) have been completed with the exception of the replacement of some bollards on the footpath. Works on the east side are well underway and will include the replacement of the watermain. This has resulted in some inconvenience for pedestrians and the local shops. However the contractor has been liaising with the business owners to minimise any negative effects.

Stannaway Court, Senior Citizens Complex

All costings have been received for required works to allow external insulation to be undertaken in the complex. These works include changing boilers, moving of pipework, moving of gas meters, fire doors and the external insulation itself. Housing have approved the works and initial works are due to commence the week beginning 27 June.

CCTV in Benbulbin Road and Lissadel Road

Funding from the Discretionary Funds 2018 has been set aside for the installation of CCTV in these areas. Under the new General Data Protection Regulations it is a requirement to carry out Privacy Impact Assessments (PIA) and consultation before such works are undertaken. We have now received a Garda report in relation to the anti-social behavior in Benbulbin Road area and this was submitted to the Data Protection Officer. The Data Protection Officer is satisfied, based on the contents of the report, that the installation of CCTV at this location is justified. We will now proceed to consultation with the local business's. Consultation with residents representatives has already been completed.

It should be noted that Electrical Services will no longer allow installation of CCTV on lighting poles for legal and security reasons. We have now received an updated quote to include for the installation of a separate CCTV and a mini pillar for power supply. The costs are substantially greater than the initial quotes and further funding will need to be identified in order to undertake this work.

Given the increased costs, along with the substantial increase in workload in order to install CCTV and the proposed redevelopment of the Lissadel Road site it may not be possible or appropriate to install CCTV at Lissadel Road this year.

WALK – Rafters Lane

Due to the necessity to relocate an ESB pole and power supply cable crossing the site, there has been a delay in commencing work on the site. The ESB have commenced work and expect to have works completed by the middle of the week beginning 18/06/18. A revised programme of works will issue shortly and we will keep you updated on progress.

Raleigh Square, Tuath Housing

As you are aware Tuath Housing are currently building 33 Senior Citizens units in Raleigh Square. 5 of these units will be 2 bed units and 28 will be 1 bed units. The construction of these units was due to be completed in November 2018 but due to unexpected delays the units are unlikely to be completed before the 2nd quarter of 2019.

Crumlin/Kimmage Public Domain Report

Intensive washing in Crumlin Village has been deferred until after the public realm improvements are complete. Bowbridge Lane and Military Road were given an intensive hot wash after the Forbidden Fruits Festival route. Urban Shopping Areas to follow.

Offensive Graffiti has been removed from St. Teresa's Rd, Windmill Road and Stannaway Ave.

Five Traffic signal boxes in the area allocated for "Street Art" are anticipated to be complete by the end of July by the company Dublin Canvas.

Judging of the City Neighbourhoods has commenced, there are 11 entries this year including St. Agnes' Community Centre for Music and the Arts, (CCMA), which has been nominated for Pride of Place also.

The Crumlin/Walkinstown Forum Family Fun Day will host a dog show on Walkinstown Green on the 24th June at 11am. This is an opportunity to raise awareness in responsible dog ownership to combat dog fouling in the area. It is sponsored by Public Domain and organised in partnership with Community Development and the Forum.

The 3 tiered planters have been placed around the village bringing a burst of Summer colour.

Community Report

Historical Talk by Historian Donal Fallon;

A talk in St James's Parochial Hall on the architect Herbert Simms who designed several housing estates and flat complexes across the city. Residents from the Liberties live in complexes designed by Simms and the talk will have relevance to them:

The Famine Remembered:

Students in St. James's Primary School will hear a talk on the Famine from Michael Blanch of An Gorta Mór a group dedicated to remembering the Famine and the reintroduction of the Lumper potato to Ireland. In the school garden vegetable plot the students will plant the Lumper potato which was grown extensively across the country and failed at the time of the famine; **Tuesday 19th June.**

Dublin City Neighbourhood Competition/National Tidy Towns 2018

Local groups and schools are busy preparing their areas for the judging of the competition which will take place during the month of June/July by cleaning, painting and planting of flowers plants and shrubs.,

Decade of Commemorations:

As part of Dublin City Councils commemorations programme four local schools will come together to hold a Q and A secession with re-enactors posing as soldiers who went to fight in WW1. This was followed by a trip to a reconstructed WW1 Trench in Ballyjamesduff to experience what life was like for soldiers living and fighting in the trenches during the great war: **09.00hr 07/06/18**

St.Teresa's Gardens:

The statue of St Teresa has had extensive repairs carried out and is now reinstated in her new location. There are family activities/events have been organized around the event.

Bloomsday in the Barn

Once again the Community & Development Section were delighted to support the organizers of the Bloomsday event in Dolphin's Barn Sunday 10th June for the annual "Bloomsday in the Barn" event. This event was attended by many well known actors gathered in the June sunshine to perform readings and songs from the works of James Joyce. Local people arrived in their droves wearing beautiful period costumes and stunningly decorated hats! Prizes were awarded (and rightly so) to the best dressed Woman & Man.

Much to the delight of those in attendance the Lambert Puppet Theatre made a special guests appearance which brought a touch of nostalgia to the proceedings.

Following the performances afternoon tea was served in the garden where people happily mingled and soaked up the atmosphere.

Street Fest in Rialto

Residents in Church Avenue gathered to celebrate this year's Street Fest in Rialto. Trestle tables lined the street, cakes were baked, sandwiches were made and the tea flowed all afternoon while neighbor's chatted and children played together. A great afternoon was had by all.

Environmental Projects

Plants

Dublin City Council Community and Social Development Team provided a number of Groups /organisations in the Crumlin Kimmage and Liberties area with bedding, perennial, and vegetable plants to enhance their areas in preparation for this years Judging of the City Neighbourhood Competition.

Summer Projects 2018

The new Family Group meet every Tuesday morning 9.30am-11.30am. The group is aimed at parents with children up to school going age and is a joint programme with us and the HSE.

Child Protection Course

The Child Protection course was held on the morning of 14th June and was organised by Sharon Kelly, DCC Sports & Wellbeing officer. Those taking part were our CE Staff and some summer pool relief staff, as well as some local people.

Cherry Orchard Summer Fair

The centre was involved in the organising and running of the summer fair in the Equine Centre Saturday 9th June. The fair was a great success with lots of families attending.

Cherry Orchard Development

Interviews completed for position of Social Enterprise Innovator as part of Making Cherry Orchard Better Social Plan.

Various local groups applied for the out of hours fund (€50k) to enable services in the area to apply for funding for out of hours and weekend services to benefit Cherry Orchard Area. Amounts awarded will be in next report.

Multi use / Sports Hall extension for Orchard Centre should be advertised within next 6-8 weeks. Aim for a completion date within next 6 months.

Stone Soup Project, Dublin City Council, Cooperative Housing Ireland & local prison services collaborating to rejuvenate piece of green space known locally as The Grotto. Whilst it is still not the completed project just yet, we are progressing the concept rapidly. With a modern and honest approach and jointly coming up with a proactive solution from various parties, in this case Dublin City Council, including Parks & Public Domain, Cooperative Housing Ireland and Stone Soup Project amongst others. A very positive work in progress.

Community Report

Young People

The City Council has allocated funding to the Summer Projects that are commencing throughout the area. The voluntary projects taking place are: D10Swim Club, Diamond Twirlers and St. Ultans after schools group. The following 6 Youth organisations will also receive support to organise programmes: WHAD, Familibase, St. John Bosco, Ballyfermot Star, Cherry Orchard integrated project and St. Ultans Care services.

There are 3 projects from the Kilmainham / Inchicore area: The Core Youth Service and Mary Immaculate and Spraoi Le Gaelscoil, Inse Chór which are voluntary.

Bluebell

The City Council hosted a well attended on site public meeting with the residents from the maisonettes in Bluebell to discuss the installation of a small pocket park memorial garden at the back of the houses. The group have agreed a design for the area and identified an additional area at the entrance to Bluebell to enhance. The City Council will replace fencing at the maisonettes before the work commences.

Ballyfermot 70th Celebrations

The Heritage group and Cathy Scuffil series of Talks that are being held over the four Thursdays (7th, 14th, 21st and 28th) in the library are very popular and well attended. The talks are free and topics left for discussion include: Ballyfermot in War and Revolution and Ballyfermot new suburb new beginnings.

To re create the Road Leagues that were traditionally held during the summer months the City Council is working with Ballyfermot United to organise a Road league Football tournament which will take place immediately after the World Cup, commencing on 17th of July.

The Ballyfermot committee has been nominated with the Ballyfermot Youth Service, Mens sheds and Heritage Society to the Pride of Place 2018 competition. The groups have worked well together in a voluntary capacity and have generated great activity to celebrate Ballyfermot.

The Ballyfermot banners along the main street have added great colour to the area. To compliment them the City Council is placing Welcome to Ballyfermot Signs at the top and bottom of Ballyfermot Road.

Events

There are three festivals taking place in the next month all of which have received additional funding from the discretionary funds to add events and animate the festivals.

Walkinstown Green Fun Day

The Walkinstown/Crumlin Forum supported by Dublin City Council will be holding their annual Fun Day on the 24th of June in Walkinstown Green. There will be a parade from Walkinstown Library at 12:00 noon ending at Walkinstown Green. The fun day starts at 12 to 4pm and there will be entertainment and refreshments on the day.

Drimnagh Festival

On the 7th of July, Dublin City Council with Drimnagh resident's community group and Tidy Drimnagh will hold the Drimnagh Summer Festival in Brickfield Park. This will be a great opportunity to introduce more people to park.

There will be a stage for dancers, a DJ, a ukulele band and a gospel choir. There will also be workshops and sports for the kids. Food and refreshment will be available on the day. The event starts at 1:00 P.M.

Chapelizod Festival

The Chapelizod Festival takes place from July until July 8th. The festival has been running for over 20 years and this year plans to hold a major Grand Opening street party on Sunday 1st. The City Council is supporting the Chapelizod tidy Towns organise their annual Garden competition which will take place during the Festival.

Cruinniu Na nÓg

As part of Cruinniu Na nÓG, the Council, working with Culture Connects, is organising an outdoor concert for young people in LA Fanu Park on Saturday 23rd of June.

Young people from Familibase, Ballyfermot Youth Service and Kylemore College have been working together on the event and will take to the stage at 5:30PM to showcase their music.

Fairy Door Project Brickfield Park

Dublin city council, Dublin 12 Men's Shed and Our Lady of Good Council Boys and Girls National School have collaborated in the installation of fairy doors in Brickfield Park. A competition to design the fairy door was ran in the primary schools. The top 12 doors were selected and sent to the local Men's Shed in Walkinstown to be made. 14 students will attend a workshop in the Men Shed to paint the doors. The unveiling of the Fairy doors will be on the 26th of June at 10:00 in Brickfield Park.

KILMAINHAM INCHICORE NETWORK

Inchicore Shopfront Improvement Scheme 2018

The deadline for this scheme was end of May 2018. There have been 10 applications received with 3 more expressions of interest. Applications are being reviewed and decisions imminent.

A sense of Place – Past Present Future – Kilmainham and Inchicore

The second series of talks – June/July 2018 have begun. This is a collaboration between KIN, OPW and DCC Historian in Residence Cathy Scuffil. It is over four Tuesday evenings in June/July 2018 at the Outhouse Kilmainham Courthouse from 7.15pm to 8.15pm. Here are the speakers: 1. Cathy Scuffil – 12th June “ SCR South Dublin Union to Islandbridge”. 2. Vincent Hourican 19th June, “Community Policing – A Personal Perspective”. 3. Liam O Meara 26th June “Who Remembers Keogh Square?” 4. Maeve Casserly 3rd July “Relics of war – the complex history of Irish War Memorial Gardens”

Goldenbridge Industrial Estate and Jamestown Road Industrial Estate

Over the next six weeks research will be carried out on these two industrial estates looking at ownership and occupancy.

Public Domain Report

10 Smart Big Belly Bins have been allocated to the South Central Area. Over the next 2 weeks Smart Big Belly Bins will be placed at the entrance to the Crumlin Hospital on Cooley Road, the Longmile /Naas Rd Jct.and Islandbridge. A further 4 similar bins have been ordered for the the area with funds allocated from the discretionary funds. These will be located at: Chapelizod Plaza, the Gala in Ballyfermot Rd; Errigal Road Shops and outside the Eleanora Public House, Drimnagh.

The City Neighbourhoods competition is in full swing with 30 groups entering this year. All Team Dublin Clean-Up entrants will qualify for the new community clean up category. Chapelizod and Drimnagh Tidy Town entrants are working very hard and Public Domain is providing practical supports along with Community Development to encourage continued success.

Urban Village hot washes will be completed at select high traffic areas in Chapelizod, Inchicore and Drimnagh over the summer.

As part of the Dublin Canvas project to reduce graffiti on public streets local artists are painting traffic signal boxes in the area: Grange Cross, Molloy's in Ballyfermot "Patience is a virtue" by Local Artist Anne Marie McGrane; Inchicore College of Further Education "Deep Forest" by Shane Ha with another 12 to follow over the coming weeks.

DUBLIN CITY COUNCIL
SOUTH CENTRAL AREA COMMITTEE
18th July 2018

- Q 1** **Councillor Ray McHugh**
To ask the Area Manager to arrange for the cleaning of the drain pipes and the moss from the porch of (*details supplied*).
- Q 2** **Councillor Ray McHugh**
To ask the Area Manager to supply this Councillor with any relevant information on (*details supplied*) if any new planning applications or any new developments are in the pipeline.
- Q3** **Councillor Ray McHugh**
To ask the Area Manager to arrange for repair to the footpath at (*details supplied*). This foot path is in a dangerous state and needs urgent repair.
- Q4** **Councillor Ray McHugh**
To ask the Area Manager to arrange for repair to the footpath at (*details supplied*).
- Q5** **Councillor Ray McHugh**
To request that when there is further allocation of Smart bins that Crumlin Pearse Park / Stannaway / Brickfield and Eamonn Ceannt Park be considered. Or that cast iron bins be placed in these parks.
- Q6** **Councillor Críona Ní Dhálaigh**
To ask the Area Manager why it is taking so long to ascertain who is responsible for this surface. Residents and reps have been sent from pillar to post on this with both Dublin City Council and South Dublin County Council stating it is not their responsibility. I would appreciate it if someone could please take charge of this. FOOTPATH ENQUIRY [11059838](https://www.dcc.ie/11059838).
- Q7** **Councillor Críona Ní Dhálaigh**
To ask the Area Manager if consideration could be given to surveying Chamber Street re pay and display parking and to consider some traffic calming measures for the street also. Some residents have suggested making it a cul-de-sac (at the top end at the park), or parking on one side only.
- Q8** **Councillor Ray McHugh**
To ask the Area Manager to arrange for a clean up of (*details supplied*) to include the cul-de-sac.
- Q9** **Councillor Ray McHugh**
To ask the Area Manager to arrange an inspection of (*details supplied*). The shower in this house is not heating the water and this lady has to go to her sons house to take a shower.
- Q10** **Councillor Críona Ní Dhálaigh**
To ask the Area Manager what plans are there for the old community Centre at Oliver Bond House flats? There is a high demand for such a facility in the complex and it's unacceptable to see it sit there empty. Residents have also stated that the building is infested with rats which have caused problems for some of the blocks.

- Q11 Councillor Criona Ní Dhálaigh**
To ask the Area Manager what streets in Rialto were surveyed for Pay and Display? What the results were?
- Q12 Councillor Criona Ní Dhálaigh**
To ask the Area Manager what progress has been made on my request to have an environmental/community impact study done on the large volume of student accommodation being built in the Liberties and surrounding area.
- Q13 Councillor Criona Ní Dhálaigh**
To ask the Area Manager to give details on the following: The tenant of (*details supplied*) has been trying for some time now to get double glazing windows put in but DCC are refusing. There are quite a few tenants who have installed double glazing themselves and any refurbished unit automatically gets them installed. Could the Area Manager please let me know how many of our units in this complex do not have double glazed windows?
- Q14 Councillor Criona Ní Dhálaigh**
To ask the Area Manager if DCC could consider inspecting all the boilers in Oliver Bond complex with a view to installing new more efficient ones.
- Q15 Councillor Ray McHugh**
To ask the Area Manager, to arrange for a cleanup of the Laneway at The Star Bingo into Pearse Park. I am informed it was cleared on the 15th of June, I passed through it yesterday and it needs urgent clearing.
- Q16 Councillor Ray McHugh**
To ask the Area Manager to arrange for the painting of the wall at (*details supplied*). The club informed me they have not got the finances to paint this and the last time it was painted was by DCC. Would it be possible to arrange Beta Project or DCC to look at having this wall painted. This I believe would help improve the area for the community.
- Q17 Councillor Tina MavVeigh**
To ask the Area Manager to provide this councillor with a full list of all Council owned properties (other than Housing) in the Dublin South Central area, both used and unused.
- Q18 Councillor Tina MavVeigh**
To ask the Area Manager whether the Council owns the site of the Ardee House on the corner of Ardee Street and Chamber Street, Dublin 8?
- Q19 Councillor Vincent Jackson**
To ask the Area Manager if he could please arrange to have the overgrown footpath beside the Chapelizod by-pass next to Californian Hills Park on the Kylemore Road, Ballyfermot cut. The bushes, brambles and trees are overgrown out onto the road resulting in people having to walk on the Kylemore Road to avoid same. I recently saw a lady in a wheelchair with a career trying to negotiate a way down.
- Q20 Councillor Vincent Jackson**
To ask the Area Manager if he could look at the possibility of buying the De La Salle School Complex on the Ballyfermot Road before the School closes finally next year after over 60 years of educational service to generations of Children from Ballyfermot and surrounding areas. The site which is extensive in size offers DCC the potential of mixed use, housing and urban regeneration in Ballyfermot. DCC should look at the

possibility of retaining one wing of the school for the development of education through the medium of the Irish Language.

Q21 Councillor Vincent Jackson

Can the Area Manager please give me a report on the rights of tenants in relation to the following: - from time to time I have complaints from residents in relation to parking in front of their property by neighbours. This can result in the Gardai being called and people falling out. Can I be given a determination on the rights of both in this instance, the legality of signs "no parking here" when the tenant doesn't even have a car. I can understand if I have a drive in to my home I do not want people parking in front on my home but the footpath facing my home is public hence should all not be able to park here?

Q22 Councillor Vincent Jackson

To ask the Area Manager that the barriers outside Mary Queen of Angels School, Gurteen Road, Ballyfermot, Dublin 10, which was hit by a car / truck in the past few months be repaired / replaced before the new School year commenced at the end of August 2018.

Q23 Councillor Vincent Jackson

To ask the Area Manager to please have a look at the following: - (*Details supplied 1*) was recently onto me in relation to ongoing problems she is having with a neighbour who bought an adjoining house last year. The neighbour is storing waste in the rear garden collected from DCC properties etc. in large skips, cleaning container vehicles in the front of the property on (*details supplied 2*) at the slip way all resulting in the reduction in her quality of life. (*details supplied 1*) has lived here for over 60 years. Her late husband was born here almost 100 years ago. Her only son who lives with her, has terminal cancer needing rest, which is now next to impossible with the noise and and flies from the skips, machinery etc. Has this resident a commercial licence to operate a business at this location? (*Details supplied 1*) is a beautiful woman who doesn't want any trouble. She just wants to get on with life. She regularly gets Thorntons to sweep the area clean but with trucks etc parking there it can be impossible to get theses trucks in to sweep. I think double yellow lines outside the houses here would help the situation in the longer term.

Q24 Councillor Vincent Jackson

To ask the Area Manager to request the Parks Dept to please have all the weeds and vegetation cut back / thinned out in the large raised area of the tri-angle on Drumfinn Ave., Ballyfermot, Dublin 10. I recently organised a clean-up on the Road and will have another before the end of July this support would be very welcome.

Q25 Councillor Vincent Jackson

To ask the Area Manager for an update on the housing situation of (*details supplied*) who are living in the Maldron Hotel, Newlands Cross, for the past 18 months. The couple have told me it is becoming impossible to live here much longer, the stress of living in a confined location is destroying his relationship with both his partner and children. I am well aware there is a housing crisis, however, there are many houses in the Ballyfermot area under construction / repair. Can this family be considered for one of these units?

Q26 Councillor Vincent Jackson

To ask the Area Manager to please give me information on the following: - from time to time people contact me in relation to very large trees planted in adjoining gardens many years ago. However, with the passage of time these trees are now very large

and are shadowing adjoining houses with growth, leaves etc. Who is responsible for their maintenance / removal and have neighbours any rights in these situations?

Q27 Councillor Vincent Jackson

To ask the Area Manager to please look at the direct employment of a Litter Warden / Traffic Warden for the Ballyfermot, Chapelizod / Inchicore Area. These three areas suffer extensively with traffic parking violations, littering etc. The deployment of staff to help address such issues would be self financing. I regret to say no one puts money into traffic parking meters when there is no enforcement by the authorities. The revenue fall in parking charges in Ballyfermot is an indication of what happens when there is no sanction from the authorities.

Q28 Councillor Vincent Jackson

To ask the Area Manager please look into the current state of the footpath access from the Liffey Gales footpath along the River Liffey towards the War Memorial Gardens at Islandbridge, This area is beautiful but the sinister actions of a few with anti-social behaviour, drinking, burning bins etc is seriously reducing the amenity quality for everyone from time to time cars are also burned here can we include funding to repair the footpaths, place some public lighting and try and position some CCTV here.

Q29 Councillor Críona Ní Dhálaigh

To ask the Area Manager how much undeveloped council owned land is in the Dublin South Central area and of this what percentage has been included on the new vacant sites register. How much will this cost the council in fines?

Q30 Councillor Críona Ní Dhálaigh

To ask the Area Manager why the Council cannot come up with a better way of addressing the utility meters at this complex (*details supplied*). One of our residents nearly had her supply turned off as she could not give an accurate reading and only had estimates. Residents cannot gain access to the meters. I have raised this on numerous occasions but it has not been resolved.

Q31 Councillor Críona Ní Dhálaigh

To ask the Area Manager to report on (*details supplied*), his adaptation application on medical grounds. He is finding it extremely difficult to cope and has poor quality of life.

Q32 Councillor Daithí Doolan

To ask the Area Manager to remove the tree at (*details supplied*).

Q33 Councillor Daithí Doolan

To ask the Area Manager to have the illegal dumping at (*details supplied*) removed.

Q34 Councillor Daithí Doolan

To ask the Area Manager will Dublin City Council introduce a programme of graffiti removal in Walkinstown area?

Q35 Councillor Daithí Doolan

To ask the Area Manager to contact Eir requesting that they clear up their site in Somerville Road, Walkinstown as it is causing serious inconvenience to local residents?

- Q36 Councillor Daithí Doolan**
To ask the Area Manager to request that the Parks Department outline their strategy to maintain the hedging around Bunting Park?
- Q37 Councillor Daithí Doolan**
To ask the Area Manager to have street cleaning carried out at (*details supplied*).
- Q38 Councillor Daithí Doolan**
To ask the Area Manager to make a submission to WiFi4EU, which would allow the council to pilot a free WiFi hotspot initiative in Ballyfermot?
- Q39 Councillor Daithí Doolan**
Can the Area Manager clarify what plans Dublin City Council have for the site, (*details supplied*)?
- Q40 Councillor Daithí Doolan**
To ask the Area Manager to request that Dublin City Council actively pursue acquiring sites along Davitt Road with the view to building Council & affordable homes on the land.
- Q41 Councillor Ray McHugh**
To ask the Area Manager to arrange for Double Yellow lines at (*details supplied*). Motorists exiting the Cul De Sac cannot see oncoming traffic because of Vans /Cars parking.
- Q42 Councillor Críona Ní Dhálaigh**
To ask the Area Manager why it is taking so long to address the maintenance issues at (*details supplied*). They have not been able to even use their cooker because of the danger from the ceiling above.
- Q43 Councillor Greg Kelly**
To ask the Area Manager to have the laneway at (*details supplied*) cleaned and the mini skip dumped there to be removed.
- Q44 Councillor Greg Kelly**
To ask the Area Manager to have Double Yellow lines (*details supplied*). Staff from Crumlin Hospital are parking there, and an Ambulance had difficulty getting to a patient. Also Bin Trucks cannot get through.
- Q45 Councillor Tina MavVeigh**
To ask the City Biodiversity Manager to comment on the removal of the hedgerow at Bunting Park in Walkinstown, whether he is aware of this and what steps he will take to ensure preservation of the remaining hedgerow in the interest of the wildlife that nests in hedgerow and not in trees which have replaced the hedgerow that was removed.
- Q46 Councillor Tina MavVeigh**
To ask our planners to provide this Councillor with a report and map outlining plans for the installation of Dublin Bikes in Dublin 8 and 12 for the next two years.
- Q47 Councillor Pat Dunne**
Can the Area Manager ask our Traffic Lights Section to investigate as to why the beeping signal (for persons with sight deficiency) is very loud? Residents living in close proximity to these pedestrian lights complain that the sound signal disturbs

their sleep. Can the signal sound be toned down in a way that will continue to assist persons with sight difficulties but be less a nuisance to residents? (*details supplied*)

Q48 Councillor Pat Dunne

Can the Area Manager ask our Road Maintenance Section why the speed ramp on Toungefield Road, Dublin 12, has not be reinstated with tarmac. All other old redbrick speed ramps in the surrounding area have been tarmacked. Why was this one left undone and when can it be done?

Q49 Councillor Pat Dunne

To ask the Area Manager can our Housing Maintenance Section arrange to have the broken gas boiler in our tenants house replaced (*details supplied*). Our tenant has had a litany of maintenance issues in this house since moving in. Most of the issues related to a badly built extension and lots of problems that followed from that. In the interest of good tenant relationship, I would ask that the boiler replacement request be positively responded to.

Q50 Councillor Pat Dunne

Can the Area Manager ask our Housing Maintenance Section to arrange for an investigating engineer to inspect our tenant's home (*details supplied*), with a view to relocating the downstairs bathroom. The bathroom is effectively in the corner of the kitchen area. The bathroom and toilet door opens directly into the kitchen. In addition to privacy issues this is totally unhygienic.

Q51 Councillor Pat Dunne

Can the Area Manager provide a list of current voids, with bedroom sizes, including acquisitions in Area K, showing if they are with the depot or contractors and the expected date for them to be completed and available for allocation. Please ensure that this is a detailed list showing each property and not just a summary.

Q52 Councillor Pat Dunne

Can the Area Manager ask our Sewage Drainage Section to investigate the cause of recurring blockages in the manhole of (*details supplied*)? Can the main drains be examined to see if they are contributing to this problem? The house holders who are elderly have paid private drain companies on a number of occasions but cannot afford to do so again. The householder reports that nappies, wipes and condoms have been found in the manhole. Can we assist these residents in dealing with this problem?

Member of the Public	10/04/2018	Recommended	After a site visit it was noted that there was a high demand for parking in the area. For this reason I would recommend a disabled parking bay outside number 6 Clarke's Terrace . Stat – install a disabled bay on the west side of Clarke's Terrace in the indented parking area, parallel to the kerb, centred outside number 6.	0
3	7002513		Yellow Box	DRIMNAGH ROAD (SC)	Dublin 12	Yellow Box	outside entrance to Costa and Boots.	Internal	20/04/2018	Recommended	SR Recommended – After a site inspection it was recommended to install a Yellow Box at the entrance to the car park at Costa Coffee/Centra/Boots on both sides of the carriageway. Vehicles exiting this car park are finding it extremely difficult to join the Drimnagh Road. Stat – install a Yellow Box starting from a point 20m east of LS92 stretching for 20m for both sides of the carriageway excluding the bus lanes.	0

4	7002981		Yield Sign	THOMAS COURT (SC)	Dublin 8	Yield Sign	At junction with School Street.	Internal	21/05/2018	Recommended	After a site inspection it was recommended to install a Yield Sign on Thomas street at the junction of School Street as cars accelerating through this junction. There is added traffic to this junction now with four buses from the Guinness Storehouse forced to take this route. Stat – install a Yield Sign and relevant road markings at the southern end of Thomas Court at the junction with School Street for traffic travelling south towards Marrowbone Lane.	0

The bus cage at present is 19m long and ideally it would be somewhere closer to 21m long. It was also noted that No 68 has off street parking to allow for parking.	0
6	7003125		Stop Sign	CRANE STREET (SC)	Dublin 8	Stop Sign	at the junction with Thomas Street.	Internal	30/05/2018	Recommended	Stop sign recommended at the junction of Crane Street and Thomas Street.	0
7	7003507		Traffic Calming	MONASTERBOICE ROAD (SC)	Dublin 12	Traffic Calming	Including ramps	Councillor	25/06/2018	Not Recommended	After a site inspection it would not be recommended to install speed ramps on Monasterboice Road as it would not meet the criteria for a number of reasons. The road is less than 200m, it's residential in nature with parking on the road which acts as a natural traffic calming technique. It is short in length and has a cross roads in the middle and during the site inspection speeding didn't occur.	0

- **Dublin Sports Fest**

General:

DCSWP's flagship event will take place during European Week of Sport (September 23rd – 30th). The focus will be on encouraging participation across all ages, backgrounds & abilities and, importantly, sustainability. The festival will comprise of a week-long programme of activities, comprising of pre-existing events and the delivery of specific one-off events & promotions across many of DCC's facilities, parks and urban spaces.

Website & Calendar of Events:

A holding page currently sits on the URL: dublincity.ie/sportsfest, informing people that the event is coming soon and providing contact details for anyone who wishes to find out more information or get involved. It is hoped that we will have our calendar of events up on the site within a number of weeks. The calendar will continue to evolve as more events are added.

Pre-Existing Events:

We are delighted to confirm that the Great Dublin Bike Ride, the Laser Run World Championships & Parkrun/Junior Parkrun have all formally agreed to allow us to market their events as part of Dublin Sportsfest. In relation to Parkrun, we will look to 'turn parkrun blue' on Sept. 29th by encouraging all participants in Parkruns across the city to wear blue for Sportsfest!

DCC Facilities & NGB Participation:

All DCC sport & recreation facilities have been informed that there is an expectation on them to participate in the week by delivering an innovative event, open day or special promotion. It is an opportunity for them to showcase their facility & avail of the marketing and promotional push that Dublin Sportsfest will hopefully bring. A number of the centres have already put plans in place to deliver free swimming lessons to local schools etc...

We are currently contacting all National Governing Bodies for the various sports to see if they will get involved. The response to date has been positive with the FAI, Volleyball Ireland, Leinster Cricket, Tennis Ireland, Rowing Ireland, Leinster Rugby, Ladies Gaelic Football & Tug of War keen to get involved.

Response from Clubs to Date:

We issued a call out to sports clubs at the beginning of June, informing them what Dublin Sportsfest is all about, how they could get involved, why it would be in their interest to do so and to invite expressions of interest. The deadline was June 29th and so far we have had 13 formal expressions of interest although we expect that number to at least treble based on phone queries, e-mail correspondence & social media activity. We will not treat June 29th as a hard deadline & fully expect further engagement from clubs after this date. Some examples of responses to date include:

- *Good Counsel GAA will host an open weekend on Sept 29th & 30th to include an Operation Transformation style programme, GAA skills demo, Puc Fada, Irish Dancing Classes, Meet & Greet with County Stars and to showcase their Healthy Clubs Initiative.*
- *St. Bernadette's Boxing Club, Santry, plan to host an army style assault course event on Portmarnock Beach on Sept 23rd. They will invite other sporting clubs from the locality to take part in 'club v club' and 'coach v coach' challenges.*
- *Ierne Social & Sports Club, Drumcondra, will host an open day on Sept 27th with free access to activities for older adults in the local community & beyond. Activities include pitch 'n' putt, bowls, tennis, snooker & table tennis.*

Launch:

The Lord Mayor of Dublin, Cllr. Nial Ring will launch Dublin Sportsfest on Tuesday, September 4th. The plan is to have Sportsfest ambassadors there on the day – a mix of well known sporting personalities and everyday people who use DCC sporting facilities on a regular basis – in addition to dignitaries & media. Taster sessions for various sports will be ongoing at the venue and we will invite local schools & other groups to ensure the venue is a hive of activity on the day!

Commercial Partner / Means of Promotion:

We are currently in talks with Lidl to see if they can come onboard as a partner with a view to providing refreshments at many of the Sportsfest events taking place during the week.

We will 'dress the city' by way of lamppost banners along a section of the quays and in other prominent places across the city such as O'Connell St, Merrion Square & Stephen's Green North. A JC Decaux billboard campaign will run from 12th August – 8th Sept in addition to 20 poster sites (usually on hoarding surrounding derelict buildings or spaces). We will contact Dublin Bus, Luas & the National Transport Authority to see what possibilities there are for promotion on public transport.

Flyers will be distributed to libraries and similar outlets. Branded assets such as bunting, teardrop flags & t-shirts will be used at Sportsfest events taking place across the city. We will also distribute Sportsfest branded social media photo frame props to clubs for use at their event. Images can then be shared to maximise promotion.

The promotional campaign will take place across all social media platforms and some elements of radio in order to gain as much traction as possible for Dublin Sportsfest.

EVENTS

Please see below a flavour of some of the bigger events planned:

Sports Stadium @ Dalymount Park

Venue booked for Monday 24th September. We hope to host a Walking Football event for older adults on half the pitch and run cricket / tag rugby taster activations for schools on the other half. We hope to link with D.I.T. Grangegorman & the Bohemians Foundation on this event.

Dublin Sportsfest Seminar: Olympic Values & Insight into Elite Sport

In conjunction with our team of Boxing Development Officers (who deliver an annual Olympic Values Educational Programme to schools), we have provisionally booked the Wood Quay Venue on Tuesday Sept 25th (afternoon) to deliver a seminar broader in scope than the above. It will give an insight into elite sport and what it means to be an Olympian via presentations, motivational speeches and Q&A session.

We will obviously need some major sporting personalities (Olympians & other elite) to agree to appear on the day and if they could bring trophies or medals along all the better!
The invited audience will consist of TY students sourced via the GAISCE Awards or nominated directly by schools citywide. Capacity is 120.

Liffey Odyssey

At 3pm on Saturday, September 29th a huge flotilla of craft (rafts, canoes, kayaks) will sail at a leisurely pace from the Rowing Centre in Islandbridge to Poolbeg. Our friends in Ballyfermot Youth Service Adventure Centre will lead this event and will also be responsible for promoting it amongst other youth services & kayak clubs etc... from across the city in an effort to recruit additional craft & participants. A Family Fun Day will take place at the starting point from 11am that morning.

Docklands Event

Event to take place on Thursday 27th September (National Fitness Day) in partnership with Ireland Active. We are currently in the process of trying to secure the space on Grand Canal Quay, just in front of the Bord Gais Energy Theatre and have applied to the relevant management company for a permit for same.

The vision is for a day full of activity comprising of open air fitness classes (pre-registrations will be required), pre-work tai chi and post-work silent disco alongside some other ancillary fun activities. We will bring an Event Management Company on board. The event will be promoted amongst the corporate organisations and local businesses in the area in addition to the National College of Ireland.

Glow Sports

DCSWP will purchase two 'glow packs' to enable us to deliver a number of 'glow' events during the week of Sportsfest and beyond. Glow football and Glow spin are the most popular manifestations to date but the concept is transferrable to many different sporting & fitness activities. It is hoped a number of DCC Sport & Recreation facilities will agree to host glow events during the week. This particularly appeals to teenage girls, a demographic we are keen to engage with.

Trinity Tag

Trinity College have agreed to expand a tag rugby tournament for freshers, scheduled for Wed Sept 26th, to include a number of local schools as their way of reaching out to the local community for Dublin Sportsfest.

NEIC

The Senior Sports Development Officer working in the area is currently exploring the possibility of delivering an Olympic Handball event and a special 'Gaelic for Mothers & Others' Programme during the week of Sportsfest.

Sports History

As part of the Festival of History, a talk on the 'Impact of World War 1 on Sport in Ireland' will take place in Pearse St. Library on Sept 29th. The organisers are happy for this to be added to the Dublin Sportsfest schedule. The possibility of doing some kind of a Sport History Cycling Tour is also being looked at.

- **Sport for Young People – Small Grants Scheme**

The aim of the grant is to increase participation by young people throughout Dublin City in sport and physical activity. Grants were advertised in mid-May via email to Clubs and Sports Contacts, newspaper advertisement and via social media. Deadline for receipt of applications was Friday, June 29th at 4pm.

More details can be found at: dublincity.ie/smallgrantscheme2018

- **Bike Week**

- **Summer Camps:** Our FAI/DCSWP Development Officers will be rolling out a huge number of football based summer camps across the city throughout July & August. One such camp will take place at the Crumlin Utd facility.

Boxing Development Officer Update

- The *Startbox* Initiative, a partnership between the IABA and Dublin City Sport & Wellbeing Partnership, represents an ideal way for young people (10 – 17 years) to first engage with amateur boxing, Ireland's most successful Olympic sport. It is delivered by our 5 dedicated IABA/DCSWP Development Officers via local schools (primary & TY level) in communities across the Dublin City area. Approx 2,000 young people take part each year.

The Programme is structured into Bronze (non contact), Silver and Gold phases. The first two phases focus on general strength & fitness, method and technique. The Gold phase introduces an element of contact to those participants who have displayed a particular talent & enthusiasm for the sport.

During the Summer months the IABA/DCSWP Development Officers take a break from *Startbox* to deliver an Olympic Values Education Programme in June. It includes 3-D Printed exact replicas of various Olympic medals. July & August are geared towards the Startbox Aviva Stadium Experience (which includes a stadium tour). These innovative programmes are aimed at primary schools for their end-of-term trips in June and then latterly to Youth Projects & Summer Camps throughout July & August.

For more information on which schools in the South Central Area our IABA/DCSWP Development Officer is linking in with, please contact Ed Griffin directly. Contact details can be found at the foot of this report.

Rugby

- Our DCSWP/Leinster Rugby Development Officer will be working on **Summer Camps** throughout July & August in addition to assisting DCSWP Sport Officers with Green Scene Programmes or similar.
- **Pathway & Progression:** Our DCSWP/Leinster Rugby Development Officer will also act as an intermediary for any kids who display a particular talent or enthusiasm for the sport to make contact with their local club.
- Specific programmes to target older adults, people with disabilities & youth at risk are currently under development.

Rowing Development officer Report

- **Get Going ... Get Rowing - General**

This initiative, jointly supported by DCSWP, Sport Ireland, Healthy Ireland, Active School Flag & Trinity College, has been successfully rolled out for a number of years by Rowing Ireland's Leinster Women's Development Officer, Michelle Carpenter. This is a 4/6 week school's programme for girls (second level). Rowing Ireland provide rowing machines and a community coach to the schools.

A Transition Year Programme compliments the above by giving students the opportunity to get on the first step of the coaching ladder and enabling them to be involved in a youth leadership role, working in a fun and interactive environment with younger students who will be taught values such as fair play, respect, dignity etc...

- **2017/2018 Review**

So, we take stock of the *Get Going...Get Rowing* programme a few weeks from the end of what has been a bumper academic year in terms of introducing rowing to new schools and students.

We held our biggest ever #Blitzit event in Dublin City on Friday 10th November with over 900 students attending the third annual competition in Trinity College Dublin. We also had our #Blitzit *Splash and Dash* on the water in Grand Canal Dock on Friday 20th April 2018 which was a tremendous success. The sun shone, the weather stayed dry and we had 57 crews from our Dublin schools taking part, in addition to our partners who contested the partner's race. This event is the culmination of the indoor coaching and on-the-water sessions provided by the programme.

The *Get Going ... Get Rowing* programme will be complimented by Summer Camps for those students who wish to take their introduction to rowing to the next level and create a pathway to sport and physical activity for life.

Dublin City schools on board or in the process of coming on board for 2018/2019 are as follows:

St. Dominic's Cabra
Dominican College, Griffith Ave
Presentation, Terenure
Our Ladies, Terenure
St. Mary's Glasnevin
Mercy School Goldenbridge Avenue

High School, Rathgar
Colaiste Bride, Clondalkin
Kings Hospital, Palmerstown
Larkin College
Marino College
Maryfield College, Sion Hill
Caritas College, Ballyfermot
*Kylemore College, Ballyfermot**
*Margaret Aylward Community College, Whitehall**
*Rosary College, Crumlin**
*Scoil Chaitriona, Glasnevin**
*Holy Faith, Clontarf**
Sutton Park, Sutton
*Trinity Comprehensive, Ballymun**
*Our Lady of Mercy College, Beaumont**

*schools new to the programme this academic year

- **Phoenix Rowing Club:** A recreational rowing club for adults based in Dublin Municipal Rowing Centre. The club is purely aimed at getting people on the water to enjoy the activity and surrounding environs of the Memorial Gardens, Phoenix Park & River Liffey. No previous experience required and members can progress at their leisure to a level of their comfort and choosing.
- **Active Age Rowing** - Tuesdays and Fridays from 12.20pm - 1.30pm in Dublin City Municipal Rowing Centre, for new and on-going participants aged 55 and over. No previous experience required.

Cricket Development Officer update

- Liaising with DCSWP Sport Officers in the area to organise the running of cricket programmes for the coming months, in addition to any Summer Projects/Events that may be on in the area (e.g. Inchicore Family Fun day on the 19th July and the Fatima Summer Camp which starts on August 6th and will run every Monday for the month of August)
- We have a number of players involved in the provincial teams (U11, U13, U15, U17, and U19), both male and female, from 9 - 18 years of age, who have training sessions and cricket tours during this period. These sessions take place on a weekly basis at different venues in the Dublin City area. Although all the venues may not be in the SCA, many of the participants are from here. Some of these events include:
 - *Dublin City Summer Camp, 16th - 20th of July from 10am - 4pm in the Phoenix Park*
 - *Dublin City U17 match in YMCA cricket grounds on the 23rd July from 11am - 5pm*
 - *Dublin City Girls Camp, 30th July – 3rd August from 10am - 4pm (Venue TBC)*

Dublin City Sport & Wellbeing Partnership

To the Chairperson and Members of

The South Central Area Committee

Meeting: 18 July 2018

Item No:

**Re: Proposed disposal of site at St. Luke's Avenue and Brabazon Place, Dublin 8,
Purchaser: Summix FRC Developments Ltd.**

Dublin City Council is the owner of a vacant site at the junction of St. Luke's Avenue and Brabazon Place, Dublin 8 having an area of c.306 m². The site which adjoins a larger development site was included in a planning application and was granted permission for a mixed-use development comprising a co-working shared space with associated café/bar, student accommodation, retail/restaurant, conservation and works to the existing brick tower, the retention of the brick and stone walls at ground floor level on Newmarket and Ardee Street and the restoration of windows at ground floor level and the cleaning of the stone façade to the protected structure at the corner of Newmarket and Brabazon Place/Brabazon Row. The development also provides for a high quality pedestrian link from St Luke's Avenue to Newmarket Square. Access and egress will be available on all 4 sides of the proposed development – from Ardee Street, Newmarket, Brabazon Place and St Luke's Avenue. 52% approx (2206 m²) of the site will be open space with hard and soft landscaping including a courtyard. The total area of the proposed development is 4,274 m² of which the council site comprises 7%.

The Chief Valuer has reported that agreement has now been reached with Summix FRC Developments Ltd (the Purchaser), the owner of the adjoining site, for the disposal of the Council's site subject to the following terms and conditions:

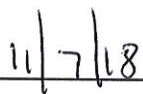

1. That the Council will dispose of the freehold interest with vacant possession in the property at St. Luke's Avenue and Brabazon Place, having an area of 306 m² or thereabouts, as shown outlined in red and map Index no. SM-2017-0727.
2. That the consideration payable for the Council site shown outlined in red on drawing index no. SM-2017-0727 in full and final settlement shall be in the sum of €1,000,000 (one million euro) which shall be payable as follows:
 - a. 70% deposit on signing of contracts, which must be within three months of Council approval.
 - b. 30% on transfer of title.
 - c. Interest at the rate of 12% per annum shall apply to outstanding amounts which have not been paid as they have fallen due.
3. That the Law Agent shall prepare the necessary contract documents, to include a Building Licence, to be ready for execution by the parties within four weeks of the date of issue of the formal approval of the transaction by the Council. The applicant must execute and return such documentation within two weeks of receipt of same.

4. The Council's site and the purchaser's adjoining site are shown outlined in red on drawing index no. PL (99)08 for identification purposes. Planning permission (Ref No. 2812/17) has been granted for a development comprising of 349 student bedrooms, co-working/communal space, café gym and the retention of an industrial building which is a protected structure.
5. That the purchaser must commence work on the site shown outlined in red on drawing no. PL (99)08 within four weeks of the signing of contract documentation. Works by the purchaser on the Council's site will be carried out under a building licence from the City Council and they must complete the development for which planning permission (ref no. 2812/17) has been granted under one building contract within twenty four months from the date of the signing of contracts.
6. That the Council reserves the right to re-enter on the site at no. 1 above and resume possession thereof should the purchaser fail to commence and complete the buildings within the specified period or in the event of the purchaser's bankruptcy or insolvency, save in the case of a Financial Institution, which has entered into a mortgage with the purchaser for the purposes of financing development of the site.
7. That all site investigations (including archaeological investigations), ground works, services connections, planning fees, development and associated professional costs incurred in the delivery of the completed development on the site shown outlined in red on drawing index no. PL(99)08 above, shall be borne by the purchaser.
8. That the purchaser shall ensure that all necessary safety precautions are taken in accordance with Health & Safety Regulations and all other statutory requirements.
9. That the purchaser shall undertake not to use the said site at No.1 above, for or build on the site, anything other than the buildings shown on the approved drawings and for which planning permission (ref no. 2812/17) has been granted.
10. That during the building period, the purchaser will insure the buildings on the site shown outlined in red on drawing index No. PL(99)08 against fire and all other insurable risks with an appropriate insurance policy and pay all necessary premiums.
11. That the insurance will be in the joint names of the purchaser and the City Council and will be for such an amount as will provide cover for full reinstatement value of so much of the building as is erected at any time together with a sum for Professional Fees and removal of debris charges. The purchaser's financial institution may be a mentioned party on this insurance policy.
12. That the purchaser shall be responsible for fully insuring the premises and shall indemnify Dublin City Council against any and all claims arising from its use of the premises. The applicant shall take out and produce Public Liability Insurance in the sum of €6.5million and Employers Liability Insurance in the sum of €13million for any incident with a recognised insurance company with offices in the state and the policy shall indemnify Dublin City Council against all liability as part owner of the property.
13. That the purchaser and its design team shall indemnify the City Council against any claim for compensation which may be made by any party arising out of building works being carried out on the site shown outlined in red on drawing index No. PL(99)08, or any working areas or on any access points thereto.
14. That this agreement is non-assignable or transferable to any other party, save in the case of a Financial Institution which has entered into a mortgage with the purchaser for the purposes of financing development of the site shown outlined in red on the attached drawing index no. PL(99) 08 above which mortgage must be approved by the City Council in writing, and must have been entered into specifically for the purpose of financing the purchaser to undertake the development of the property at no.1 above.

15. That the fee simple title to the lands shown outlined in red on drawing index no. SM-2017-0727 shall be transferred on full completion of the development for which planning permission (ref no. 2182/17) has being granted, as certified by the City Architect and when all monies have been paid by the purchaser.
16. The purchaser shall provide evidence that it holds the unencumbered freehold title with full vacant possession in the site shown outlined in red on drawing Index No. PL (99)08 for identification purposes save for the interest held by the Council in the site.
17. The purchaser shall satisfy the Council that sufficient funds are available for both the payment of the Capital Premium, interest and the undertaking and completion of the proposed development.
18. That each party shall be responsible for their own professional fees arising in this transaction.
19. That all VAT payable and any Stamp Duty liabilities, on this transaction and any proposed development shall be the responsibility of the purchaser.
20. That any of the dates/time frames outlined above may be extended by the Chief Executive at his absolute discretion and all notices must be given in writing.
21. That the above agreement is subject to such additional terms and conditions as the Law Agent deems appropriate.
22. No agreement enforceable at law is created or intended to be created until exchange of contracts has taken place.

Q1 Councillor Paul Hand

To ask the Area Manager If the tree outside (*details supplied*) can be removed. This is not a step to be taken lightly, but the tree is totally unsuitable for this area and three different utilities are going through its branches. The residents there during storm Ophelia were worried during the extreme wind for their safety. I would appreciate a response on this matter.

Reply

This tree has been removed.

Q2 Councillor Tina MacVeigh

To ask the Area Manager what was the outcome of the investigation carried out on the Iveagh Markets and whether the Council have made any decision as to future steps to be taken in relation to the markets?

Reply

The consultants engaged by the City Council have carried out a dilapidation survey of the main market building and the 2 adjoining buildings will be inspected shortly. When the results of the survey are made available to the Council, it will then be in a position to take advice on an appropriate course of action.

Q3 Councillor Paul Hand

To ask the Area Manager if DCC would consider installing CCTV at the following locations (*details supplied*).

Reply

CCTV has been installed in Dublin City Council flat complexes but, as the vast majority of the houses in the locations outlined by the Councillor are privately owned, additional security measures including CCTV are an operational matter for the Gardaí and any requests should be directed accordingly.

Q4 Councillor Paul Hand

To ask the Area Manager if the rent for (*details supplied*) can be looked at (*details supplied*) ex partner was on the rent, but he left her some time ago. They lived together from December to March of last year, a figure of only 4 months, but DCC had him down for longer and a result she is in arrears. I would appreciate if this could be looked at and her arrears re-calculated.

Reply

(*Details supplied*) ex-partner was added to the rent account from 09/01/17 and he continued to claim Social Welfare from her address until 15/02/18. He was approved to reside at another Dublin City Council tenancy and added to that account from 12/02/18 on approval from the Finglas Area Office. He was removed from (*details supplied*) account at the same time. He should not have been claiming from the tenant's address if he was not residing there. Before he was added to the account, (*details supplied*) did not inform the Rents Section that her partner was not residing nor did she cancel the application for permission to reside. Dublin City Council Rent Assessment Section acted in accordance with the information that was to hand when assessing (*details supplied*) rent.

Reply

This park is litter picked and cut on a weekly basis. Staff will monitor the area more closely as illegal dumping is an occasional problem. Incidents of dumping can be reported directly to this office, so that it can be dealt with as soon as possible.

I don't like to see trees removed, but this tree has had a car crash in to it, severely uprooting it and it is at a 30 degree angle. To ask the Area Manager to investigate the possibility of erecting “Welcome to (*details supplied*)” at the corners of the field on (*details supplied*), or create something in these corners for the community.

Reply

There has been a number of recent requests for 'welcome to' signs to be installed on stand alone roads. All roads and streets in the South Central Area have identifying name plates and any additional signage is considered unnecessary. There are moreover hundreds of roads in the South Central Area and the likely escalating costs of such installations would be prohibitive.

Q31 Councillor Vincent Jackson

To ask the Area Manager has Dublin City Council given up on the greening of our estates. All too often I see the old tree pits being concreted over and the area loses the potential for another tree. The vision to plant a tree gives an area heart and soul. We must ensure for future generations they see not just concrete but a streetscape softened by the growth of trees.

Reply

Dublin City Council endeavours to protect, maintain and develop our city tree cover wherever possible. Unfortunately trees sometimes need to be removed for a variety of reasons. In most cases these trees are eventually replaced, however if there are services nearby a tree will not be replanted in the exact location and alternative locations are investigated. Occasionally a resident will also express a wish that a new tree is not replanted directly outside their own premises. Individual cases can be investigated if details are passed on to this office.

To ask the Area Manager in relation to Carmans Hall and the recent Orders of the Assistant Chief Executives on the change of use for a two year period:-

- (i) What is the position in relation to ownership of Carmans Hall into the future? What is the leasehold interest held by Dublin City Council? Is there an option to extend the lease or purchase the property outright? Has a decision been made on Dublin City Council's future interest/ownership of the property?
- (ii) What is to happen at the end of the two year period and has the local authority considered the future use of the property? Has the local authority considered renovating the property at the end of the two year period as a community centre? Has the local authority taken any steps in this regard?
- (iii) At the end of the two year period is it permissible for the local authority to extend the change of use for a further period if the current homeless crisis persists?

Reply

- (i) The premises at St. Nicholas of Myra Parish Centre, Carman's Hall, Dublin 8 is under lease to Dublin City Council for a period of 5 years, with a break clause in favour of the Lessor, at the end of year 3. As a result of legal proceedings and for the purposes of clarification, the change of use of the premises was confirmed for a period of two years with effect from 20th April 2018. There is no provision within the lease to purchase the property outright. No decision has been made in relation to Dublin City Council's future interest / ownership of the property.
- (ii) The premises are currently being used to provide emergency accommodation for people experiencing homelessness in the Dublin Region, which is expected to continue into the future. No further decisions have been made in relation to the premises, which is the property of the Diocese of Dublin.

Q34 Councillor Hazel De Nortúin

Can the Area Manager confirm what is the process when a building is found in breach of fire safety? What is the role of the fire officer for the City within this?

Reply

LOCAL AUTHORITIES (FIRE AUTHORITIES and BUILDING CONTROL AUTHORITIES)

The process depends on the nature of the breach and the Fire Authority has a number of powers depending on the individual circumstances. Statutory powers of inspection, enforcement and prosecution may be used in response to complaints made in relation to the safety of buildings.

The principal piece of legislation is the Fire Services Acts 1981 & 2003.

The general approach of the fire authority is to identify the owner of a premises and, depending on the particular situation, to engage with them using one of the powers available to achieve the desired result of enhancing fire safety. This will usually involve negotiations with professional advisers for the person having control.

Different powers are used in different situations, depending on the seriousness of the perceived threat to life safety. However, primary responsibility for fire safety rests with the persons having control of buildings/ premises, as outlined below, and not with fire services

Section 18(2) of the Fire Service Act places a responsibility on the owner / occupier of a building:

It shall be the duty of every person having control over premises to which this section applies to –

- *take all reasonable measures to guard against the outbreak of fire on such premises,*
- *provide reasonable fire safety measures for such premises and prepare and provide appropriate fire safety procedures for ensuring the safety of persons on such premises,*
- *ensure that the fire safety measures and procedures referred to in paragraph (b) are applied at all times, and*
- *ensure, as far as is reasonably practicable, the safety of persons on the premises in the event of an outbreak of fire whether such outbreak has occurred or not*

Fire authorities have a range of powers available to use in an enforcement role if they are not satisfied about fire safety in a particular building and these include

- giving advice (orally or in writing) in relation to fire safety to the owner or occupier of any premises,
- giving warnings (orally or in writing) in relation to fire safety to the owner or occupier of any premises,
- seeking to have an assessment of fire safety carried out for the premises,
- serving a Fire Safety Notice requiring certain fire safety enhancement works to be carried out or that the use of the premises is limited or ceases altogether,
- serving closure notices directly on the person having control over any premises where there are significant concerns for life safety,
- seeking High Court orders for the immediate closure of premises.

Dublin Fire Brigade carry out an extensive range of inspections both management and technical under the Fire Services Act 1981 and 2003 and other legislation. These inspections arise from complaints received from the public, referrals from Dublin Fire Brigade operational crews, during performance inspections of places of public assembly, court licensing, dangerous substances, etc. In addition operational crews carry out pre incident inspections of premises. The primary role of inspection is to identify any fire safety deficiencies and engage with the owner/occupies to remedy these. Dublin Fire Brigade does not per se issue approvals for buildings other than approvals for fire safety certificate applications under the Building Control system. Fire safety audits on buildings are carried out by Fire Safety Consultants, Chartered Engineers or Registered Architects.

Application of the Fire Services Acts by Fire Authorities excludes premises that are a dwelling house occupied as a single dwelling. This in effect means fire authorities have no powers of inspection in respect of these dwellings.

Building Control Authorities are required to certify that the design of many buildings complies with the requirement of Part B (Fire Safety) of the Second Schedule to the Building Regulations. This work is carried out by Dublin Fire Brigade on behalf of the 4 Dublin Local Authorities. Contrary to common public perception, the Building Control Authority is not responsible for compliance with Building Regulations. The Building Control Act clearly places responsibility for compliance on the owner, designer and builder of the building concerned. Moreover, Section 6(4)(a) of the Building Control Act 1990 clearly specifies that where a commencement notice is submitted to a building control authority; the building control authority is not under any duty to any person to ensure that the building or works to which the notice relates will comply with the requirements of the Building Regulations or be free from any defect.

Building Control Authorities do however have a responsibility for the enforcement of the Building Regulations and under the Act have strong powers to:

- scrutinise proposals and inspect works in progress;
- serve enforcement notices for non-compliance;
- institute proceedings for breaches of regulatory requirements;
- seek High Court injunctions if non-compliance poses considerable and serious danger to the public.

Summary proceedings for serious non-compliance can only be brought by Building Control Authorities within 5 years of the completion of the building concerned.

A Joint Report of the Assistant Chief Executive of Housing and Community and the Assistant Chief Executive of Planning and Property Development on submissions received from the public consultation for the Development Framework for St. Teresa's Gardens and Environs (June 2017) was prepared in response to the public consultation undertaken in relation to a Draft Development Framework Plan for St Teresa's Gardens and Environs.

A multi-departmental team from Dublin City Council (DCC) prepared a Draft Framework for the 9.33 hectare site with frontages to Donore Ave and South Circular Road. The site includes 6ha of DCC lands (inclusive of St Teresa's Gardens) and lands controlled by receivers acting on the behalf NAMA, consisting of the Player Wills lands (2.78ha) and part of the Bailey Gibson lands (0.55ha).

The City Council, having regard to the submissions received on the Draft Framework and the Chief Executive's Response and Recommendations, by resolution noted the Development Framework, subject to recommended amendments.

The document had been prepared in response to the requirements of the City Development Plan (CDP) 2016-2022 for Strategic Development and Regeneration Area (SDRA) 12 - St. Teresa's Gardens and Environs. Section 15.1.1.15 of the CDP sets out seven Guiding Principles for the development of the SDRA 12 that seek to:

- Develop an integrated network of streets and open spaces to ensure physical, social and economic integration with surrounding sites.
- Promote a vibrant mixed-use urban quarter with complementary strategies across adjoining sites in terms of urban design, inter-connections and land-use, including a 80m x 130m playing pitch.
- Provide a well supervised and landscaped new public park with a diverse range of sporting and recreational facilities.
- Make provision for one or two landmark buildings (up to 50m in height), with 20% of the site be used as open space, recreation and sporting facilities.
- Create strategic links through the site between Donore Avenue, Cork Streets and South Circular Road so as to open up the lands and connect adjacent neighbourhoods.
- Establish a 'community hub' that provides a range of community facilities accessible to the wider neighbourhood.
- Enable the expansion of St Catherine's National School.

The framework has also been prepared in response to concerns raised by the Department of Housing, Community and Local Government on the Proposed Amendments in relation to the impacts of a large playing pitch on the capacity of the lands to deliver housing. In this respect, it was the intention of the Framework to show how elements can be delivered in an integrated manner to provide much needed housing and open space and to assist in securing funding.

Since June 2017 the following has taken place:

- Four of the six remaining blocks of apartments with St Teresa's Gardens have been demolished

- Capital enabling works programme is substantially complete by DCC's contractor and is now awaiting Irish Water to expedite the water element of this programme.
- Specifications by City Architects and an internal multi-disciplinary working for an interim 100m x 64m playing pitch have been initiated for construction on the site of the four demolished apartments.
- Feasibility and scoping being drafted by City Architects and a multi-disciplinary working group for the municipal sports campus and how this relates to the existing community centre
- The tender for 54 new housing units and associated area of open space, approved under Part 8 is substantially completed and will shortly issue. (This includes the 4 additional units)
- A Part 8 process is due for completion on the 12 June 2018 for the additional 4 units
The next steps in relation to the municipal multi-sports campus will be:
- Procuring, engaging and briefing of consultant landscape architects to oversee the design and build of the pitch
- Consultation with relevant stakeholders on the municipal sporting campus.
- An interim pitch of 100m x 64m will be delivered. The pitch will be sufficient to cater for senior rugby and football matches. It is also large enough to cater for juvenile (i.e. under 17s) GAA matches.
- A larger pitch of 130m x 80m, capable of hosting adult GAA (in addition to senior rugby and football) matches will be delivered following the construction of the 54 new units approved under Part 8 and demolition of the remaining two apartments blocks.

The Housing Regeneration Team intend to submit and present a full updated report to the elected members during September 2018.

Q39 Councillor Criona Ní Dhálaigh

To ask the Area Manager if mobile cctv could be used in the Dublin South Central area to address the serious illegal dumping. This unit could be moved from area to area where needed.

Reply

CCTV cameras are installed at bottle and clothes banks at the following sites.

- Tesco car park, Ballyfermot.
- Sundrive Road, Dublin 12.
- SuperValu car park, Walkinstown, Dublin 12.

The cameras are installed at the above sites to capture footage of vehicles used in the commission of an offence. The registration number can be used to trace the details of the owner of the vehicle in order to take enforcement action.

If the Councillor is willing to provide details of locations where dumping is taking place, consideration will be given to installing CCTV cameras to capture footage of offences.

Q41 Councillor Greg Kelly

To ask the Area Manager to arrange a Welcome to (*details supplied*¹), sign to be put up in the (*details supplied*²) area.

Reply

There has been a number of recent requests for 'welcome to' signs to be installed on stand alone roads. All roads and streets in the South Central Area have identifying name plates and any additional signage is considered unnecessary. There are moreover hundreds of roads in the South Central Area and the likely escalating costs of such installations would be prohibitive.

Q51 Councillor Pat Dunne

Can the Area Manager ask our Public Domain and Litter Warden Sections to take action to try and prevent persistent illegal dumping in the laneway between (*details supplied*)? Given the long history of illegal dumping, a surveillance programme should be put in place with a view to catching those responsible, and taking legal action against them.

Reply

The area has been inspected and it would appear that the dumping is pedestrian in nature. Public Domain has submitted a request for CCTV at this location. Surveillance of the area may not provide enforcement evidence however it may deter would be passers by from creating litter at the location. There is already signage in place which is largely ignored. A street sweep of the area has also been requested.

Q52 Councillor Pat Dunne

Can the Area Manager provide a list of current voids, with bedroom sizes, including acquisitions in Area's K and L showing if they are with the depot or contractors and the expected date for them to be completed and available for allocation. Please ensure that this is a detailed list showing each property and not just a summary. A promised detail list for a similar question last month was never sent on to this councillor.

Reply

The following is a summary of current voids in the South Central Area:

Property Type	No. of Bedrooms	No. in Category	Total Vacancies in Category
House	2 Beds	30	49 units
	3 Beds	18	
	4 Beds	1	
Apartment	0 Beds	6	84 units
	1 Bed	37	
	2 Beds	39	
	3 Beds	2	
Senior Citizens'	0 Beds	7	27 Units
	1 Bed	20	
Total			160 Units

Of the properties listed above, 156 are being refurbished by contractors and four by Direct Labour.

52 properties are expected to be complete before early July and the remaining properties by dates before late September.

The Councillor was contacted by the Voids Unit who had sent the previous list to the Members' Room. At the Councillor's request the updated list has been sent to the Constituency office.

Q55 Councillor Tina MacVeigh

To ask the Area Manager to begin the process of planning at Derry Park, Derry Drive and Derry Road. so as to deter from Halloween activities as was discussed at recent Area Committees and at the Discretionary Fund meetings.

Reply

€20,000 was allocated from the 2018 Discretionary Fund to upgrade the greens at Derry Drive and Kells Road. It is planned to spend this money in the main to provide additional tree planting at both locations. It is likely that the work will take place after Halloween which will reduce the risk of vandalism and coincide with the tree planting season.

Dublin City Council is keen to work in partnership with local groups to arrange community lead safe family friendly events/activities as an alternative to bonfires which over time has lead to anti-social behaviour. Events and activities have a greater chance of success when local community members are involved. The South Central Area Halloween Action Plan is already in motion. It is a collaborative approach with key stakeholders to tackle bonfire material hoarding and retrieval in the public domain and to encourage an activities programme.

Q56 Councillor Tina MacVeigh

To ask the Area Manager to ask our Planning Department to provide this Councillor with a map and schedule for the planned roll out of the Dublin Bike scheme in Dublin South Central.

Reply

Dublin City Council is currently in the process of extending the Just Eat dublinbikes scheme catchment to serve Grangegorman Campus and the surrounding local area. This expansion is facilitated by a €1.2 million sustainable transport grant from the National Transport Authority (NTA). The funding provided allows for the construction of 15 stations, the majority of which will service Grangegorman with additional capacity provided in other areas of the existing network.

On Wednesday, 30th May, 2018, Dublin City Council launched the first regulated Stationless Bike Hire Scheme in Dublin city. Two operators, Urbo and Bleeperbike have been granted licences to operate the low cost bike hire scheme which is planned to complement the existing Just Eat dublinbikes scheme. The Stationless Bike Hire Scheme will expand bike hire services to areas not yet served by Just Eat dublinbikes.

Any further growth of the Just Eat dublinbikes scheme beyond the 2018 Grangegorman expansion will likely be dependent on the identification of additional sustainable funding for capital and operational costs; and pending a strategic review of the impact of stationless bike hire on the Just Eat dublinbikes business and operational model. It is the intention that this review will be completed in early 2019. There is therefore no definite timeline in place for the delivery of Just Eat dublinbikes scheme expansion to the South Central Area at this time.
