5 Items for following meetings

6 Motions

- a Motion in the name of Councillor Ciaran O'Moore

I propose that all dogs be banned from the nature reserve area and biosphere area on Bull Island at the area closed to the left of the causeway road to the Sutton end and that the right hand side to wooden bridge is open to dog walkers, once dogs are on leads.

This content of this motion was discussed at an Environmental SPC in June 2017 following a presentation from the Irish Seal Sanctuary, it was felt that seals are being subjected to harassment from dogs on Bull Island. I had made a recommendation at the time that signs and education of the risk/dangers between dogs and seals are posted in the area. It is worth noting that the grey seals are classed as an endangered species .

- b Motion in the name of Councillor Michael O'Brien

That this Area Committee supports Clongriffin Community Association's quest for a Garda station for the area.

- c Motion in the name of Councillor Ciaran O'Moore and Councillor Larry O'Toole

I propose that Dublin City Council erect a memorial stone on the Kilmore Road to remember the 48 people that perished in the Star Dust Fire in 1981.

- d Motion in the name of Councillor Damian O'Farrell

That this local Area Committee requests that a road safety audit is carried out near each of our local schools. Children are being encouraged to walk or cycle to schools nowadays whenever possible and to this end we believe that this should be further encouraged by making these routes safer.

- e Motion in the name of Councillor Deirdre Heney

That leaves and debris be cleared and removed from the green areas and surrounds of St. John's Court Senior Citizens Complex, Donnycarney, D5.
