5 Items for following meetings

6 Motions carried over from the February NCAC

- a Motion in the name of Councillor John Lyons

Motion carried forward from February Meeting.

This Area Committee calls for inspections of all homeless accommodation in the North Central Area used by Dublin City Council to be conducted by the Health Information and Quality Authority (HIQA), starting with an inspection of the family hub accommodation in the North Central Area.

- b Motion in the name of Councillor John Lyons

Motion carried forward from February meeting.

This Area Committee notes that the playground audit conducted by Dublin City Council in 2017 identified Kilbarrack, Harmonstown and Raheny as the three areas in Dublin North Central most in need of play facilities for children and young people, supports the calls of local groups in Harmonstown for a new playground for their area, calls for the inclusion of sufficient funds for the new playground in Harmonstown in the capital programme 2019-2020 and calls on the Dublin City Council to immediately commence the community consultation for the new project.

7 Motions

- a Motion in the name of Councillor Alison Gilliland

The North Central Area Committee recognises the importance of sustainable community development across our area but in particular on the Lawrence Lands currently encompassed in the Oscar Traynor Land Initiative for housing development. Recognising the particular physical constraints of this site bounded on the west side by the M1/Port Tunnel, on the northside by the Oscar Traynor Rd and on the south and east sides by well-established residential areas, the North Central Area Committee calls on DCC to lead the development of a fully comprehensive traffic, public transport, cycle and pedestrian infrastructure and connectivity plan for this site and its immediate hinterland (Kilmore West, Woodlawn/Aulden Grange/Santry Court/Larch Hill, Lorcan Estate) and including the site's ability to effectively connect with Northside Shopping Centre and Santry Village. This infrastructure and connectivity plan should seek to be realisable in conjunction with the timelines for development on the lands in question.

- b Motion in the name of Councillor Larry O'Toole

That this committee commends the Parks and Public Domain staff for the excellent work in preparing the Stardust Park and Memorial for the recent annual commemoration.

- c Motion in the name of Councillor Michael O'Brien

That this area committee supports the campaign to maintain the playschool operating from St Francis of Assisi in Belmayne which as matters stand will not be accommodated in the new permanent school building. We call upon the school authorities to reverse their decision not to include the playschool and call upon Dublin City Council to provide whatever practical assistance they can to help ensure this vital facility survives.

- d Motion in the name of Councillor Michael O'Brien

That this area committee notes the gradual progress being made in the provision of a neighbourhood centre in the Greendale area. We call Dublin City Council to

select Clongriffin as the location of the next Community Centre to be built in the North Central Area after Greendale.

- e **Motion in the name of Councillor Deirdre Heney**
That the manager arrange to have the green spaces/pitches that run along Lein Park/Páirc Léin, and parallel with the river, drained and put to use in the community as football playing areas/pitches and if he could give a report on same to include comment on whether, if drained, these pitches could meet the requirements of the two local football clubs who are seeking to have an all-weather pitch developed in McAuley Park.

Dublin City Council Housing Supply Report – March 2019

The Dublin City Council Delivery Target for the three year period 2015- 2017 was **3,347** Homes.

Delivery Output 2015-2017

Delivered through:	2015	2016	2017	Total
Construction by DCC	19	68	235	322
Acquisition/Leasing by DCC	263	259	165	687
Construction by AHB's	53	0	142	195
Acquisition/Leasing by AHB's	230	206	225	661
Part V Acquisitions	0	25	56	81
Voids Restored by DCC	1012	975	879	2866
Delivery Total	1577	1533	1702	4812

HAP Tenancies, General	0	0	1040	1040
Total Housing Outturn	1689	2467	4321	8477

The delivery target for the four year period 2018 -2021 for Dublin City is **9,094**

This target figure includes Local Authority new build, acquisitions, refurbishment/voids, leasing and part V. It also includes similar activity by Approved Housing Bodies.

Separate targets are set for the Housing Assistance Payment Scheme (HAP).

I am confident that this challenging overall target of **9,094** will be achieved.

Targets and Delivery in 2018:

Programmes:	Target	Delivery	+_	
<i>Construction by DCC</i>	271	264	-7	
<i>Construction by AHB's</i>	403	282	-121	
<i>Part V</i>	71	105	+34	
<i>*Voids restored by DCC</i>	300	200	-100

Total HAP	4,693	2,511	-2,182	
Total Re-Building Ireland	6,456	3,968	-2,488	61%

*Actual voids restored by DCC in 2018 was **871**, however this figure was originally capped in respect of Re-Building Ireland by the Department at **300** and later in the year at **200**. In all previous years Dublin City Council counted all restored voids as completions.

** This activity is largely demand led and outside our control.

***This activity refers to existing tenancies under the Rent Supplement Scheme who are to transfer over to HAP, this is led by the Department of Social Protection and progress has been slow, and is outside our control.

Note: There was a further over 900 Homeless HAP tenancies created by the DRHE/DCC in 2018 but they are located in the three Dublin Local Authority areas and are part of their output figures.

Vacant Housing property acquisitions

The Housing Department is currently negotiating the acquisition of 11 vacant residential properties under the buy and renew scheme.

Current processes underway to identify additional properties

The City Council has established a communication forum with other Local Authorities, State Agencies and Approved Housing Bodies in relation to the recording and where possible the sharing of data on vacant properties. There is a dedicated vacant housing database to record all properties reported to it and the City Council continues to liaise with Landlords, Estate Agents, Property Owners and the General Public to help identify vacant properties in the City. The Housing Department has established a vacant housing register which has recorded 349 residential properties by accessing data from the CSO, Geodirectory, Vacanhomes.ie and internal databases.

The City Council has undertaken a total of 245 site inspections with regard vacant properties. A further 29 inspections are scheduled and 12 title researches are currently in progress for potential vacant properties.

Vacant (Void) Property Refurbishments: Housing Maintenance refurbished **969** properties in 2018.

DCSWP – FEBRUARY - MARCH EVENTS & PROGRAMMES

THE LORD MAYOR'S 5 ALIVE CHALLENGE 2019

The Lord Mayor's 5 Alive challenge is back for 2019! The initiative is a partnership programme between Dublin City Sport & Wellbeing Partnership and the Lord Mayor's Office. The Challenge is now in its 7th year and has encouraged hundreds of people to take up regular exercise over the past 6 years.

Last year the initiative went back to its roots and targeted people who were interested in taking up jogging or novice joggers who needed some encouragement to sustain progress. The focus on encouraging new and novice joggers to sign up to the challenge continues in 2019. In 2018 the challenge also introduced Mentors to accompany slower joggers and walkers and encourage them along each route. The mentoring aspect of the challenge also continues with 30 mentors appointed to support participants in the 2019 challenge. Each mentor has completed the 5 Alive challenge in previous years.

The Challenge is to complete 5 Dublin road races between January and April 2019. Details of the races are outlined below. In the event that a participant is unable to complete the 5 races they will have the opportunity to substitute a race for one of the city's Parkruns. Dublin hosts free 5k Parkrun in 5 locations across the city every Saturday morning. Details on times and locations can be found at www.parkrun.ie.

- Tom Brennan Memorial 5k New Year's Day Road Race at 12noon on Tuesday 1st January 2019 in the Phoenix Park
- AXA Raheny 5 Mile at 3pm on Sunday 27th January 2019 in Raheny
- BHAA Garda Cross Country 2 Mile & 4 Mile country races at 11am on Saturday 2nd February in the Phoenix Park.
- MSB St. Patrick's Festival 5k Race and Family Fun Run
- BHAA Dublin City Council 10k race

Over 400 participants have registered to take part in this year's challenge which commenced in the Phoenix Park with the New Year's Day Road Race on Tuesday 1st January 2019. The second race, the AXA Raheny 5 Mile race, took place on Sunday 27th January in St Anne's Park. Participants included the Lord Mayor Nial Ring who on completion of the race cheered on fellow contenders! The third race, the Garda Cross Country 2 and 4-mile country race took place on Saturday 2nd February in the Phoenix Park.

CHANGE FOR LIFE 2019

Change for Life is an 8 week programme that aims to improve the health of local communities through a partnership approach designed to support people to become more physically active on a regular basis and adopt a healthier diet. The programme runs in tandem with the RTE Operation Transformation TV show.

The programme was first developed in 2013 when a partnership was developed between Dublin City Sport & Wellbeing Partnership, Fatima Groups United, Health Promotion & Improvement, HSE Dublin Mid-Leinster and Dolphin Health Project. This partnership identified a need to tackle the issues of obesity and low physical activity levels in a new and innovative way

While weight loss was considered an important aspect of the programme it was also felt that there were many other health indicators that could be improved through participation in the programme such as aerobic fitness, body fat percentage and blood pressure. Improving the psychological well-being of participants was also considered an important outcome of the programme. Following planning and consultation meetings between the partners it was decided to run a diverse health & fitness programme aimed at having a positive impact on the overall health and wellbeing of the participants.

The 2019 Change for Life programme commences in early January and is being rolled out in fourteen communities over an 8 week period. The programme provides fitness assessments, a 5K timed walk (repeated at week 8) and nutritional/dietary advice. Independent nutritionists gave a series of talks on healthy eating habits and dietary information such as portion size and calorie counting. Weekly weigh-ins to assess progress will also be provided.

GENERAL PROGRAMMES – FEBRUARY -MARCH 2019

Boxing Development Officer Update

- The **Startbox** Initiative, a partnership between the IABA and Dublin City Sport & Wellbeing Partnership, represents an ideal way for young people (10 – 17 years) to first engage with amateur boxing, Ireland's most successful Olympic sport. It is delivered by our 5 dedicated IABA/DCSWP Development Officers via local schools (primary & TY level) in communities across the Dublin City area. Approximately 2,000 young people take part each year.

The Programme is structured into Bronze (non-contact), Silver and Gold phases. The first phase focuses on general strength & fitness, method and technique. The Silver Programme consists of higher intensity sessions & limited contact and the Gold phase takes it on to another level again. The DCSWP/Leinster Rugby Development Officer is currently engaging with schools across the South East Area.

Startbox programmes will continue in the following school in the North Central area in January 2019. Details are outlined below;

- **Programme:** Boxing Programme
Dates/Times: Ongoing. Fridays 1-2pm
Location: Our Lady of Consolation, Donnycarney
Participants: Mixed ages 10-12 years
Partners: IABA and local Boxing Development Officer

**Naming & Numbering Proposal for a new development on a site at
the rear of 27/29 Kincora Road, Clontarf, Dublin 3**

1-5 Castle Gate / 1-5 Geata an Chaisleáin

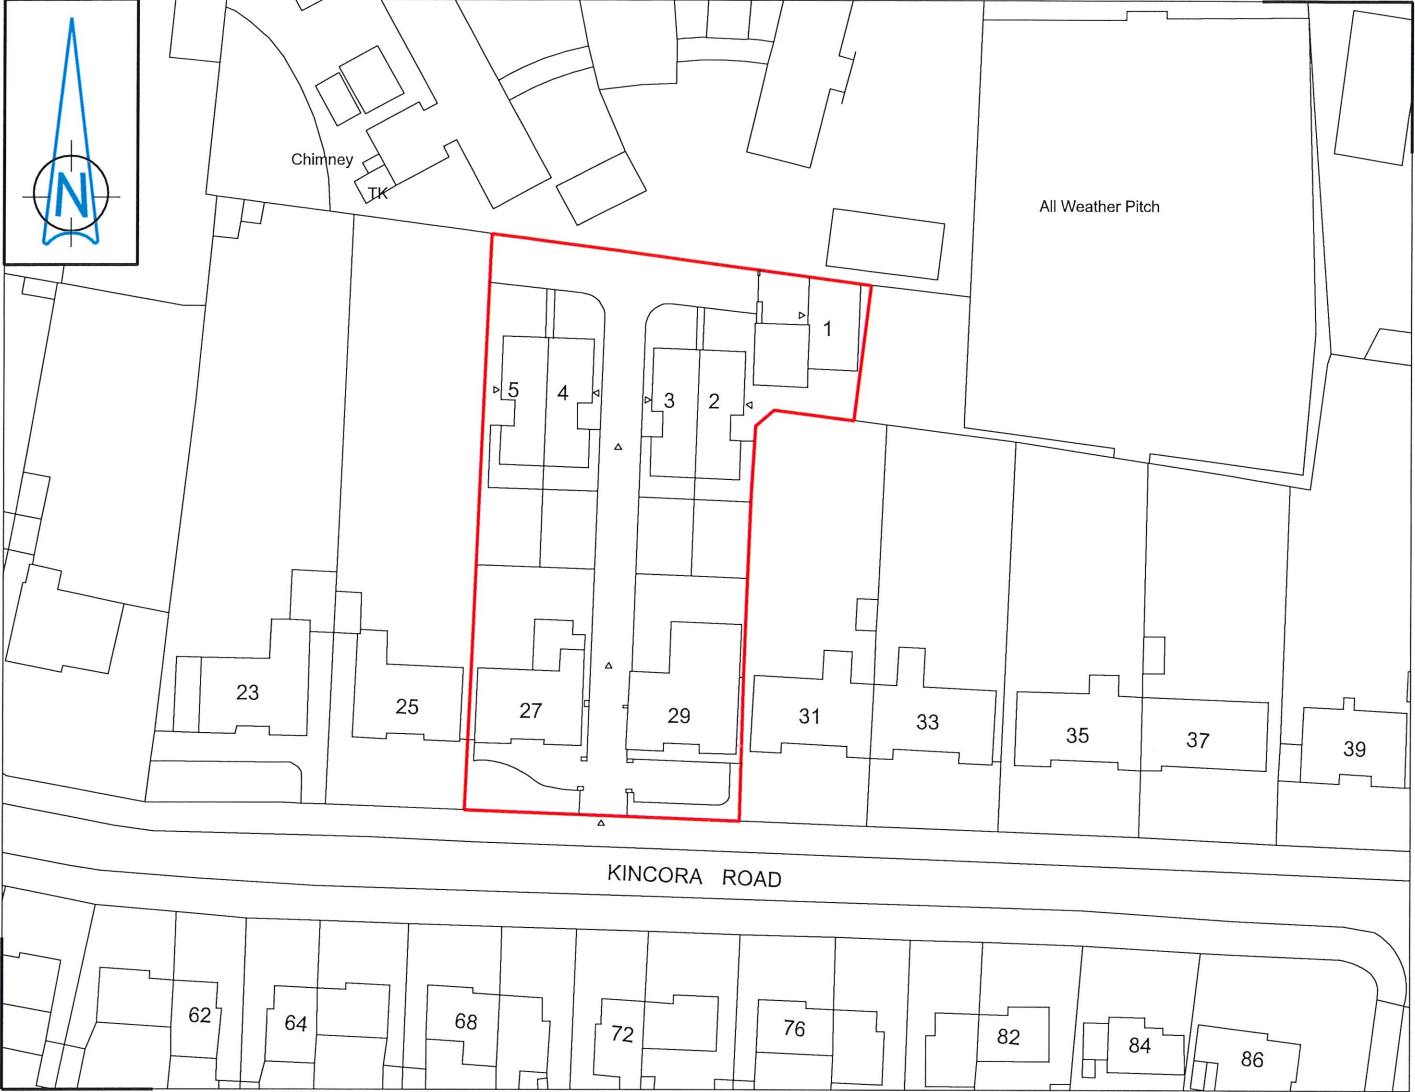

This is a development by Denali Holdings on a site at the rear of 27/29 Kincora Road, Clontarf, Dublin 3. The development will consist of 5 new houses. The development is indicated on the attached drawing **SM-2019-0119**

The developer has requested the name and numbers 1-5 Castle Gate, Kincora Road, Clontarf, Dublin 3 / 1-5 Geata an Chaisleáin, Bóthar Cheann Cora, Cluain Tarbh, Baile Átha Cliath 3 for the new development. He chose this name due to the close proximity of Clontarf Castle and feels that there is an over use of the name 'Kincora' in the area. The Heritage Officer considers the proposed name and numbers appropriate.

The name and numbers 1-5 Castle Gate, Kincora Road, Clontarf, Dublin 3 / 1-5 Geata an Chaisleáin, Bóthar Cheann Cora, Cluain Tarbh, Baile Átha Cliath 3 is considered suitable and is recommended for adoption.

Proposed Junk Collection 2019

REPORT TO THE MEMBERS OF THE NORTH WEST & NORTH CENTRAL AREA COMMITTEES

Allocated Discretionary Spend

North West Area	€216,000
North Central Area	€216,000

Public Domain Teams from North West Area and North Central Area have met with Waste Management with regard to the Proposed Junk Collection.

According to Waste Management If the Junk Collection is to be re-introduced it must be carried out by direct labour, as this was a core duty for Waste Management Staff prior to it being abolished. Therefore, this work would have to be carried out on an overtime basis over weekend periods. This will affect the value for money element to the proposal.

Waste Management have given approximate cost and no. of Households they will be able to cover within the allocated funding above.

No. of Households North Central Area (cso 2016)	60,117
No. of Households North West Area (cso 2016)	48,355
<u>Total Households</u>	<u>108,473</u>

Working over 44 weekends for 2019 it is possible that the allocation of funding as above will cover maximum 17,000 households between the two areas.

This would give a percentage of households serviced between the two areas at:

North Central:	14.14%
North West:	17.58%

This figure indicates that over 80% of households will not be serviced in 2019 by the proposed collection.

Alternatives for 2019

Public Domain Teams discussed alternatives for both the long term and projects that could be carried out within 2019.

Option 1.

Locally arranged collections in conjunction with well-established residents' groups. This would entail arranging skips/grab truck within estates and allowing residents to dispose of household junk in this manner. In order for this to operate smoothly we would need residents' groups heavily involved.

Cost per collection: (Dependent of size of estate) €600 to €2000

Option 2.

Amnesty Day within our Depots for the collection of Household Junk. This would be arranged with Waste Management and Public Domain Teams.

Option 3.

Large scale clean ups of roads/areas as per the large scale multi departmental clean ups that took place in 2018 i.e. R139, River Road and Ratoath Road.

The above options are the most practicable for 2019 and can all be applied throughout the year.

We discussed numerous other options: reduction in the cost of the current offer of the bulky waste collection from €40 to €20 or an increase in the number of items from 5 to 10, however this would have to be a citywide initiative and given that South Central Area have confirmed that they are not planning to use this money for waste management initiatives this would not be a viable option.

We also discussed the idea of engaging with Re-Discovery Centre to explore the idea of having ongoing recycling days in the area, operated and managed by them. This would take some time to negotiate and manage and would not be practical to offer it for 2019.

1	7004268		Speed Ramps	SLADEMORE AVENUE (NC)	Dublin 13	Speed ramps for this location.	Not Recommended	Speed checks carried out on 30/31 August 2018 show the 85th percentile speed at 39 k/hr. This does not meet the warrant for traffic calming and is therefore not recommended.	Member of the Public	13/08/2018	0
2	7005073		Speed Ramps	MARYVILLE ROAD (NC)	Dublin 5	On the road	Not Recommended	Speed checks carried out on 18/19th December 2018 show the 85th percentile speed at 40 k/hr. This does not meet the warrant for traffic calming and is therefore not recommended. It should be noted that parked vehicles on either side of the carriageway act as a traffic calming influence the entire length of Maryville Road. As this is now a 30k/hr Zone, signage has been provided to this effect at the entrance to the Zone on All Saints Road.(Housing Estate Speed Limits Home Zone 1) from either direction.	TD	25/09/2018	0
3	7005419		Children Crossing Sign	GROVE PARK (NC)	Dublin 17	Traffic is heavy in the area	Not Recommended	Due to the recent installation of 30 km/h speed limit signs in the area, including "Home Zone" and "Slow Zone" signage, it is not recommended to install additional signage as this leads to a proliferation of signage in the city.	TD	15/10/2018	0
4	7006117		Disab Park Bay Residential	TURLOUGH GARDENS (NC)	Dublin 3	10 Turlough Gardens, Fairview, Dublin 3	Recommended	Following investigation it is recommended that a disabled parking bay be provided at no 10 Turlough Gardens.Running from the common boundary of 10/12 eastwards for 6m.	Member of the Public	20/11/2018	0
5	7006742		Double Yellow Lines (Extend)	HOLYWELL AVENUE (NC)	Dublin 13	Outside the Crèche on Holywell Avenue, Donaghmede, Dublin 13.	Not Recommended	The traffic Advisory Group recommended the following restrictions on 24/04/2018. "due to persistent illegal parking at this location,it is recommended that double yellow lines be provided on the western side of the junction,extending around the corner for 13m"It is not recommended to extend these restrictions as it would only shift parking further up the road and impinge further on the free parking amenity of local residents.	Internal	08/01/2019	0
6	7006790		Disab Park Bay General	EDENMORE PARK (NC)	Dublin 5	Outside the school	Recommended	Due to a change of circumstances it is recommended that the previously removed disabled parking bay at the pedestrian entrance to St. Malachy's B.N.S. be reinstated: Stat: Disabled Parking Bay south side, outside the school, from the eastern end of the School Keep Clear markings, eastwards for 6m (towards the Edenmore Avenue junction). 7	7006825		Roundabout (Rescind)	ELMFIELD RISE (NC)	Dublin 13	Remove roundabout, and instate junction arrangement to control traffic flow & delivery trucks, etc.	Not Recommended	The mini roundabout has been provided as a traffic calming measure and to assist traffic flow by giving equal priority at this T junction. The removal of the roundabout is therefore not recommended.	Councillor	14/01/2019	0

8	7006876		TAG General Engineer Query	MALAHIDE ROAD (NC)	Dublin 3	Difficult for residents in Burnell to exit their estate safely onto the Malahide Road	Recommended	Burnell Court is 150m north of one of the busiest junctions on the North of the City linking the M50 with the N32 and R139 to Grange Road and Baldoyle. Although Burnell Court is not in charge, Malahide Road is. A solution to minimise the risk of traffic conflict at this junction would be to introduce a right turn ban from Burnell Court onto Malahide Road. This would force traffic wanting to turn right onto Malahide Road to exit from the rear of the development onto the R139 at Bewley's. Therefore it has been recommended that this right turn ban be introduced on a 24 hour basis. The Developer is in the process of converting the nose to kerb parking to parallel parking which will improve visibility exiting onto Malahide Road. It is also recommended that a left turn only road marking be provided to complement the turn ban.	TD	16/01/2019	0
9	7006967		Single Yellow Line	DONAGHMEDE AVENUE (NC)	Dublin 13	from House No.2 to end of road	Not Recommended	Following investigation, it was noted that parking was not interfering with traffic flow and was subsequently helping to calm traffic on the approach to the corner south of no 2 Donaghmede Ave. by reducing vehicle speeds. Therefore this request is not recommended.	Councillor	21/01/2019	0
10	7007031		Double Yellow Lines (Extend)	RATHMORE PARK (NC)	Dublin 5	Extend DYs all around the green space to ease congestion.	Not Recommended	Following inspection, there was no evidence of parked vehicles around the green on Rathmore Park interfering with traffic flow. Moreover parking restrictions would lead to increased traffic speed. Therefore further parking restrictions are not recommended.	Member of the Public	23/01/2019	0
11	7007358		Parking Restrictions	DUNLUCE ROAD (NC)	Dublin 3	DYs, or other prohibitions (permits?), to prevent all-day parking by DART users and to ensure access for emergency vehicles.	Not Recommended	The Area Traffic Engineer has reported that substantial parking restrictions have been provided on Dunluce Road, with double yellow lines installed on appropriate sections. Further parking restrictions are not recommended as it would interfere with the free parking amenity of local residents and possibly lead to increased traffic speeds on the road. Dunluce Road is included in a new 30km/h speed limit zone, as set out in the Dublin City Council Special Speed Limit Bye-Laws 2018, which came into effect on 5th November, 2018. Signage is being put in place at present, at the entrances to the zones, indicating the lower speed limit and that the area is a Home Zone/Slow Zone, which warns motorists that it is a residential area and to expect children. The new 30 km/h zones have been operative since the end of November, 2018.	Member of the Public	12/02/2019	0
12	7007555		Cont. White Line (Rescind)	BELTON PARK ROAD (NC)	Dublin 9	Partially rescind in the bend at junction with Donnycarney Road	Recommended	Following investigation it is recommended that the existing continuous white line approaching the bend at Belton Park Road/Donnycarney Road be rescinded from the common boundary of no 62/64 Belton Park Rd. southwards for 7m to the boundary of 61/63. Also from the common boundary of 95/97 Donnycarney Rd. westwards for 15m to common boundary of nos 61/63.	Councillor	21/02/2019	0

13	7007556		Mini Roundabout	KINCORA ROAD (NC)	Dublin 3	at junction with Conquer Hill Rd	Not Recommended	Conquer Hill Road is a through Road to SeaPark Road whereas Kincora Road ends in a cul de sac. Conquer Hill has been prioritised to this effect where stop lines have been provided. The provision of a roundabout is not recommended as it could lead to increased speed and confusion where equal priority prevails and the onus is on drivers to give way..	Councillor	21/02/2019	0
