<b>8</b>	<b>March 2019 Motions</b>	

**DUBLIN CITY COUNCIL**  
**SOUTH CENTRAL AREA COMMITTEE**  
**20<sup>th</sup> March 2019**

- 690**    **Councillor Tina MacVeigh**  
This Area Committee agrees that an investigation into the infestation of rats in our housing complex at Oliver Bond House be immediately undertaken, including an inspection of the old community centre and of all old rubbish flues to ensure there are no rats nesting in them.
- 691**    **Councillor Hazel De Nortúin**  
The Area Committee will facilitate a presentation by the Transition Year of Mercy Secondary school in Inchicore on their Social Innovation Fund Programme.
- 692**    **Councillor Daithi Doolan**  
This Area Committee expresses deep frustration at the delay in developing Cornamona site, Ballyfermot. We call on the Department of Housing to release the funding immediately and allow Dublin City Council to start building the 61 units without further delay.
- 693**    **Councillor Vincent Jackson**  
That this Area Committee resolves to invite Dwyer Nolan into the next or a special meeting of the South Central Committee, to discuss their plans for the development of the former De La Salle Lands at Ballyfermot Road. These lands are a substantial part of the fabric of Ballyfermot and when re-developed need to take into consideration the existing community of Ballyfermot, the potential and concerns of the area.
- 694**    **Councillor Michael Mullooly**  
That this Area Committee calls on the Area Manager to initiate a Public Realm Walking Infrastructure Scheme for Drimnagh.
- 695**    **Councillor Pat Dunne**  
That this Area Committee notes the continued and persistent dog fouling which is polluting our footpaths and green areas throughout the area. We call for a major public domain campaign aimed at tackling the problem. This campaign should educate dog owners informing them of the dangers caused by dog poo. It should also use all available powers to prosecute and fine offending dog owners and also provide bins to properly dispose of the bagged poo.

**3. Agreed. Recommend to Council.**

**7 Emergency Motion**

**Standing Orders was suspended to deal with the following Emergency Motions: -**

**Deferred Emergency Motion No. 1 in the name of Councillor Ruairi McGinley**

That this Committee agrees that the pay and display scheme scheduled for Herberton Park Dublin 8 not proceed in light of sustained objections by residents of the street in question.

**Order: Deferred to the March Area Committee Meeting.**

**Emergency Motion No. 2 in the names of Councillors Daithi Doolan, Pat Dunne and Greg Kelly**

The South Central Area Committee calls on Dublin City Council CEO, Owen Keegan, to apologise for his comments reported in the Sunday Business Post. These comments were without foundation and only serve to undermine the good work being done by Dublin City Council, DRHE and homeless groups in Dublin.

**Order: Agreed. Refer to the Lord Mayor.**

**Emergency Motion No. 3 in the name of Councillor Pat Dunne**

This Area Committee notes with alarm a reduction in available staff in the three area offices. These reductions are having an impact on the delivery of services. We are rightly concerned that the Crumlin Area office may once again have to reduce its public hours and find this unacceptable. We call upon the CEO to fill all staff vacancies in the area.

**Order: Agreed. Refer to the Chief Executive Officer.**

**Emergency Motion No. 4 in the name of Councillors Tina MacVeigh, Hazel de Nortúin and Pat Dunne**

This Area Committee has no confidence in the Chief Executive of the City and calls on him to resign his post.

**Order: Agreed. Refer to the Lord Mayor.**

**8 February 2019 Motions**

**DUBLIN CITY COUNCIL**  
**SOUTH CENTRAL AREA COMMITTEE**  
**20<sup>th</sup> February 2019**

**677 Councillor Hazel de Nortúin**

This Area Committee condemns the recent attacks on the De Le Salle site. This Area Committee also recognises the hard work done by local residents to see the site as a whole used for the community and will support their efforts going forward in every way we can. Given the lengthy planning process we're calling on DCC to lease the land on a short-term basis for furthering its use by the community and also keeping it secure.

**Order: Report to Councillor.**

**678 Councillor Críona Ní Dhálaigh**

That this Area Committee agree that DCC/Minister for Heritage engage with the HSE to get conservation led improvements to the Quaker burial ground site on Cork Street, and that a study of its historic importance, who is buried there etc. be carried out. This is a hugely important historic burial ground, that dates back from 1690s. Unfortunately, it has been allowed to fall into disrepair and is quite neglected. Conservation led improvement schemes for St Luke's and St. James burial grounds, Liberties, are a model of how this might be done.

**Order: Agreed without debate.**

**679 Councillor Michael Mullooly**

This Area Committee calls on Dublin City Council to use the powers given to it as a Planning Authority under Section 35 of the Planning and Development Act 2000 to take into account previous breaches of planning by developers when making planning decisions in respect of new applications by those developers or connected parties.

**Order: Report to Councillor.**

**680 Councillor Vincent Jackson**

That Dublin City Council take action once and for all to address the poor heating situation in the Long Meadows Pitch & Putt Club House on Sarsfield Road, Ballyfermot, Dublin 10. I have called to the club on a couple of occasions and the staff and chairperson have told me, despite the contractor calling out, the heating is not fit for purpose. I witnessed an electric bill of over €2,000 as they try and heat the building with small electric heaters.

**Order: Report to Councillor.**

- 681 **Councillor Ray McHugh**  
This Area Committee agree that Dog poo bins be installed at the entrance to Willie Pearse Park, Crumlin and on Clonmacnoise Circle.  
**Order: Report to Councillor.**
- 682 **Councillor Daithí Doolan**  
That this Area Committee calls on the owners of the De La Salle land, both the De La Salle Brothers and the developer, to properly secure and protect the buildings on the site. This includes schools and the monastery building, and this Area Committee calls on the developer to fully engage with residents before any planning permission is sought to develop the site.  
**Order: Report to Councillor.**
- 683 **Councillor Greg Kelly**  
That this Area Committee welcomes the emergency motions passed on Monday 4<sup>th</sup> February at the full Council meeting in connection to the De La Salle lands and buildings in Ballyfermot. With the recent fires and damage to the building the cost of securing the building and lands has been left to DCC. We call on the owner of the land and buildings to reimburse DCC the full costs incurred and also the cost of the number of call outs by the Dublin Fire Services.  
**Order: Report to Councillor.**
- 684 **Councillor Críona Ní Dhálaigh (as amended 20/2/18)**  
Regarding the site at Dolphins Barn that the Area Committee disposed 2 years ago but remains in dereliction. The Development Department have confirmed that legal correspondence is ongoing between both parties but it is taking too long to resolve this. This Area Committee demand that DCC Development Department exercise their rights under the agreement to take back this site as soon as possible. The members also requested a report on the current status, why it has not been expedited and why the Law Department has not exercised their powers on this matter.  
**Order: Report to Councillor.**
- 685 **Councillor Michael Mullooly**  
The recently published Core Bus Corridor proposal by the National Transport Authority seeks to restrict traffic on the Lower Kimmage Road at the Sundrive Road Junction directing city bound traffic to Sundrive Road and onto Clogher Road. This Area Committee calls on the Area Manager to write to the NTA calling on them to clarify what impact the proposal will have on Sundrive Road and Clogher Road and what traffic management arrangements will have to be put in place for these roads and the surrounding area and to ask the Area Manager to prepare a report on this issue for the March Area Committee meeting.  
**Order: Report to Councillor.**
- 686 **Councillor Vincent Jackson**  
That Dublin City Council identify a site / sites for the installation of electric charging points for cars in the Chapelizod Village Area. Many houses in the area don't have a garden / garage, hence cannot have an electric car. The provision of such facilities going forward is something we as a local authority will have to address.  
**Order: Report to Councillor.**

- 687 Councillors Daithí Doolan and Greg Kelly**  
This Area Committee calls on An Bord Pleanála to agree a site visit with Drimnagh Residents Association at the former Dulux site to discuss the impact of the proposed development.  
**Order: Agreed**
- 688 Councillor Greg Kelly**  
This Area Committee calls on the Minister for Education to address the current anomaly in pay and conditions for school secretaries throughout this state. The Department must implement measures that would provide for entitlement and protections equivalent to clerical staff on public service pay scales. This Area Committee support the Campaign SOS 'Support our Secretaries' set up by members of the Trade Union, Fórsa.  
**Order: Agreed without debate.**
- 689 Councillor Críona Ní Dhálaigh**  
That this Area Committee are frustrated and angry at the length of time it is taking to issue the report that Cllr Ní Dhálaigh called for and which the full membership of this Area Committee supported, over 8 months ago, on the social, economic and cultural impact the increased volume of development, but in particular the student, hotel and aparthotel are having on the Liberties community. We were told it was to be finished some time ago, and recently were informed that it would be issued before Christmas 2018. Given the increasing levels of such accommodation in the area and the fears within our communities that their voices are being ignored this report is urgently needed.  
**Order: Report to Councillor.**
- 690 Councillor Daithí Doolan**  
This Area Committee expresses deep concern at the development of a 'gang' mentality in both Drimnagh and Ballyfermot. This could become dangerous to both the young people involved and to the wider community. This Area Committee call on Gardaí, youth services, sporting and recreational clubs to work together with these people and give them positive alternatives.  
**Order: Agreed.**
- 9 January Questions and Answers**  
**Order: Listed.**
- 10 AOB**
- a) The Members extended their best wishes to Gerry O'Donoghue, Project Manager of Dolphin's House on his recent retirement from Dublin City Council.
  - b) The Vice Chairperson, Councillor Críona Ní Dhálaigh, chaired the meeting from at 5.00pm to 5.09pm.

**Councillor Pat Dunne**

South Central Area Committee  
Wednesday 20<sup>th</sup> February 2019**

**CRUMLIN/KIMMAGE ELECTORAL AREA**

**South West Inner City Area Report**

**Update on Kilmainham Mill**

Stakeholder engagement has begun with Save Kilmainham Mill Campaign and the Residents Association. Bi-monthly meetings with both groups commence on the 21<sup>st</sup> of February and the Project Manager, Darragh Cunningham is in regular contact with both groups.

Some basic site clearance work has been done to clear foliage at the rear of the Mill at the mill race and along the river. These works are basic health and safety works enabling the relevant specialists safe access around the building. The works were carried out following consultation with a licensed archaeologist, the Save Kilmainham Mill Campaign and the Residents Association who were in full support.

A grant application has been made by Dublin City Council to the Historical Structures Fund (HSF) for the amount of €200,000. If successful the (HSF) funding and additional DCC funding will enable emergency stabilisation works to the building itself, roof repairs, propping of floors, mesh on windows, clearing of guano and other bio-hazards etc. These works will make the building safe for further surveys to commence. An asbestos survey should be commissioned in the coming weeks. Future usage options are yet to be explored until such a time as the building is safe to fully access.

**Shopfront Improvement Scheme 2019**

The Area Office's Liberties Business Area Improvement Initiative has announced the latest tranche of funding available under the Shopfront Improvement Scheme. This year the scheme will cover The Liberties, Dolphins Barn, Rialto and Clanbrassil Street (Leonard's Corner area). Applications are invited by 5<sup>th</sup> April. It is hoped to support 15 projects.

**Urban Regeneration: The GEC (Guinness Enterprise Centre) Expansion**

The Guinness Enterprise Centre has announced a €10m investment in its Taylors Lane premises to double the existing floor space and allow it to accommodate up to 160 startups and companies employing over 700, as well as 200 coworking spaces. The centre is supported by Dublin City Council through its LEO Office. A planning application has been submitted to Dublin City Council.

This announcement comes ahead of a major regeneration plan for the 12acre St. James's Gate Quarter by Diageo (with the first planning applications expected later this year) and the preparation by The Digital Hub Development Agency of a masterplan for its so-called Windmill site to the north of Thomas Street. In addition, a new workshare operator, Iconic Offices, will open its latest facility called The Grainhouse at 151 Thomas Street (former IAWS) in March. The scheme will accommodate 700 people when fully open.

**BusConnects**

The NTA has published outline plans for a number of high capacity corridors through South Central Area including Liffey Valley to City Centre, Clondalkin to Drimnagh, and Greenhills to City Centre. The Area Office is currently reviewing the suggested change proposed by

BusConnects and the implications for Area Office public realm projects and the wider development agenda in the area. More details at [www.busconnects.ie](http://www.busconnects.ie).

### **St. Audoen's Park, High Street**

Works to enhance St. Audoen's Park by improving accessibility, permeability and circulation commenced in October 2017 are substantially complete with the park due to reopen in Spring 2019. The reconfigured western entrance will incorporate a play garden.

### **Francis Street**

A Part 8 Planning Application was agreed at the September 2017 City Council meeting to provide for a more pedestrian friendly environment which encourages people to visit Francis Street and its environs on foot. The plan also supports the continued commercial operation of the Arts and Antiques quarter.

The environmental improvement scheme comprises improvements to the public realm the full length of Francis Street, Hanover Lane and part of Dean Street. The proposed works will include the following:

- Improvements to kerb build-outs
- Footway repaving
- Raised junction plateaus
- Kerb buildouts to formalise parallel parking and loading bays
- Landscaping
- Greening
- Bicycle stands,
- Carriageway resurfacing
- Raised pedestrian crossings and ramps
- Public lighting improvements

Detailed design work commenced in 2018 with a view to inviting tenders in quarter2 2019. It is expected that construction works will commence in late 2019/early 2020.

### **Meath Street**

We are in the final stages of the preliminary design phase. We would hope to have another internal consultation by the end of February and another public consultation in March.

### **Francis Street**

The Francis street EIP is continuing into the detailed design phase. It is envisaged that construction will commence in the autumn of 2019.

### **Dolphin's Barn**

The Dolphin's Barn public realm improvement plan is awaiting resources from the Environment and Transportation Department to progress to the detailed design stage.

### **Bluebell**

Work commenced in June 2018 on the Tallaght to Inchicore cable project and includes:

- The demolition of the former ABC Hall
- Provision of approximately 36 community allotments

The Hall was demolished late last year whilst the allotments are expected to be completed in April. Applications for the allotments were invited from Monday, 4<sup>th</sup> February.

### **Bluebell Community Council Report**

Bluebell Community Council has recently opened their new office at no 1 Bernard Curtis House. This office will provide information to residents, community groups, and all the

relevant agencies and service providers. Bluebell Community Council has selected Mr. Kieran Rose as Independent Chairperson and Clifford Sullivan as Legal and Business Consultant. Brian Maher of GVA Planning and Regeneration LTD has been retained by Bluebell Community Council to draft a plan for the area. A meeting between Planning Department, the Area Office, GVA and representatives of the Bluebell Community Council is scheduled for Tuesday the 26<sup>th</sup> of February.

## **CRUMLIN/KIMMAGE AREA REPORT**

### **Crumlin Area Office Report**

#### **Opening Hours**

Due to reduction in staff numbers, a review of opening hours may be required, with a possible temporary reduction in opening hours.

#### **Stannaway Court, Senior Citizens Complex**

New gas boilers have been installed in all units. Bord Gais have completed the installation of new gas lines and moved meters to the gable end of each block. Old gas lines will now be removed and insulation works can commence. Insulation works are due to commence before the end of February. New composite doors have been ordered and have a six week lead in to delivery and installation. It is likely to be mid to end of March when doors are installed.

#### **St. Agnes Park – Respond VHA**

Final snagging works are continuing but there is no confirmed handover date as of yet. Respond has advised that all units have now been offered to and accepted by nominated applicants. Tenant induction has also been completed. Respond expect the units to be fully occupied by the end of February. It has been clarified that tenants will not be charged a deposit but will have to pay a week's rent in advance.

#### **Raleigh Square- Tuath Housing Association**

Works are progressing on these units and they are on course for handover at the end of June 2019. Tuath have advised they will be seeking nominations from Allocations for the 33 units in early June.

#### **Rafters Lane – WALK VHA**

Construction works are well underway on site. Due to the restricted access and confined nature of the site, the contractor has been given permission to bring in deliveries through Lissadel Court on one day a week. Deliveries are only allowed between 12.30pm and 2.30pm on Tuesdays and this arrangement is working well at the moment. The practical completion date for this project is July 2019.

#### **CCTV at Benbulbin Road and Lissadel Road**

A new 360-degree camera with a range of 500 meters was installed on Benbulbin Road. This camera was providing high quality footage but was attacked and damaged. The camera has been repaired and was reinstalled on the 15<sup>th</sup> February. The contractor is trawling through footage to try and identify the individuals responsible for damaging the camera.

We have requested a report from the Crime Prevention Officer in relation to improvements that can be undertaken in Brickfield Park to address anti-social behavior in this area. The Parks Section are currently removing trees at the Benbulbin end of the park which should allow greater visibility.

### **Cooley Road**

Bollards have now been installed on the footpath at Cooley Road at the Children's Hospital. This will help alleviate illegal parking which has resulted in a number of serious accidents and ongoing traffic delays.

### **Community Report**

The SWIC/Crumlin Kimmage Community and Social Development Team continue to support new and existing community/residents groups and organisations who are actively engaged in their communities throughout the year.

### **Maryland Grotto**

The final stage of the environmental enhancement of the Maryland Grotto is now under way, this entails the plastering and painting of the feature wall at the grotto, and some new plants to rejuvenate the area. It is envisaged to hold a community celebration here during the summer.

### **Celebrate all that's great about Dublin 8**

Dublin City Council's Area Office is delighted to be associated with the LOVE DUBLIN 8 Community Fair which is taking place in St Patrick's Cathedral on Tuesday 26<sup>th</sup> February.

Over one hundred and twenty local groups will participate in this event including: Social & Community Groups & Networks, Voluntary Agencies, Adult Education, Youth Groups, Schools, Art / Culture / History Groups and local Businesses to name but a few. The event will commence at 5.20pm with an Evening Song recital by the St. Patrick's Cathedral Choir. Doors will open to the public at 6.15pm

### **Environmental and historical talks**

Eric Dempsey, renowned Ornithologist, will be presenting the first of a series of educational and informative talks on bird life in the city, the first of these presentations will take place on the 6<sup>th</sup> March at 11.00am in the Educate Together School in Griffith Barracks, the theme of this talk is aptly timed for the springtime arrival of our City visitors *Apus Apus*, the Common Swift.

### **Historian in residence**

Historian in residence, Cathy Scuffil, will give one of her many and interesting talks about the Dublin connection to the "Way of Saint James" on the 20th March at 2.30pm in St James Church parish hall.

### **Tidy Towns Conference**

Following the successful Better Links Stronger Communities Tidy Towns Conference 2019 last month, a number of communities are now energised and motivated to get ready for their spring cleaning city neighborhood competitions.

### **Crumlin Walkinstown Local Forum History Subgroup Historical Exhibition**

Dublin City Council Community Development team supported the forums history group on their Historical Exhibition with the title of: - *15\* acres in Crumlin (\*15 acres. Oroads. 39perches) From Leicester house to a Children's Hospital.* The exhibition is taking place on Friday 22nd February 2019 in St Mary's Parochial Hall, St Agnes Road, Crumlin, Dublin 12 from 10.00a.m. - 6.00p.m. All materials which will be on display have been sourced from Pearse Street Library Archive by the Crumlin Walkinstown Local Forum History Sub Group. All welcome. See attached brochure for further details.

### **International Women's Day**

To celebrate International Women's Day, Dublin City Council Community and Social Development is supporting Dublin12 Meditation Group. They are hosting a free taster session in meditation, head, shoulder or massage and ear acupuncture in Fr. Kitt Court, on Thursday 7th March 2019 from 11a.m.-1p.m. Booking is essential, please ring 0852362491 to reserve your place.

### **Open Day from Community Groups**

Following on from the success of last years Open Day, Dublin City Council Community Development Team is assisting the Crumlin Walkinstown Local Forum in hosting an Open day for Community Groups on Saturday 9<sup>th</sup> of March between 11.00am - 3.00pm in the school hall, Scoil Una Naofa. The event will be an opportunity for groups to network among themselves as well as with the wider community.

### **Lá le Prátaí at Flanagan's Fields**

St. Patrick's Day is the traditional day for planting early crops of potatoes and once again the Back of the Pipes Residents Association will be hosting their annual "Lá le Prátaí". This much loved community event will take place in Flanagan's Fields in Reuben Street. Local residents will gather to plant potatoes and take part in the Patrick's Day Celebrations. Residents can expect some amazing culinary delights cooked from locally sourced food from the community garden not to mention great music and craic.

## **BALLYFERMOT/DRIMNAGH ELECTORAL AREA**

### **Housing and Environmental Issues**

#### **Cherry Orchard**

The contractors, MDY, are back on site since Tuesday 12<sup>th</sup> February and they have been mandated to carry out all outstanding works. They expect to have the remaining thirty-six houses ready for occupation within the next six weeks. Prior to this, some sub-contractors were back on the site under the direct provision of CHI. That work related to street lighting and enabling works in preparation for the main contractor returning. Applicants are being contacted by CHI and interviewed in preparation for offers of accommodation.

#### **Elmdale**

The new housing units in Elmdale in Cherry Orchard will be ready for letting shortly on a phased basis. We expect that nineteen (19) units will be ready over the coming weeks and the Ballyfermot Area office is awaiting confirmation from Architects Section that the paperwork is in order and that the keys can be collected. The nineteen units consist of 11 two bedroom units and 8 three bedroom units. We intend to hold additional viewings as the units become available for letting and all prospective tenants will be viewing the units before they make a final decision. As with the previous Rapid build units in Cherry Orchard, we will set up interviews with MABS, Citizen information and the Community Welfare Officer before the prospective tenants sign for their tenancies. We have had expressions of interest from over 300 applicants in the units.

#### **Cornamona Court**

The tender process for this scheme has recently concluded and a report recommending an award of contract has been issued. Approval is now being sought from the Department of Housing, Planning and Local Government to award the contract.

### **Environmental Works**

Outstanding work for Barneville include a stone planter with the name of the estate engraved to be installed at the entrance to the estate. The playground company have taken delivery of the play equipment and will be on site before the end of February to discuss the location of the football goals and standalone basketball hoop. Sites have been identified throughout the area for additional trees which will be planted in the Spring.

Outstanding works for California Hills include the crowning of trees and the planting of bulbs. It is hoped to upgrade two wheelchair accessible gates in the near future to prevent access to the Park by scramblers and horses.

### **Chapelized**

A Chapelized Steering Group meeting was held on 6<sup>th</sup> February at which Parks Dept. and Public Domain staff were also in attendance. Issues around derelict sites, new developments, tidy towns proposals and the general upkeep of the area was discussed. Members were also invited to agree a date for a public meeting regarding the Springvale site. The date of 28<sup>th</sup> February to hold the public meeting with the residents of Chapelized in St. Patrick's School to discuss the proposals for the Springvale site was agreed.

### **Business Community/Christmas**

The Area Office intends to arrange a meeting with the business owners in the Spring to discuss the impact of the improvements to the streetscape and to work with them with new initiatives. We are hopeful that the row of shops adjacent to the Gala building will be painted soon as organised by the owners and it is hoped that this will encourage other shop owners to link with us regarding their own shop fronts.

## **Community Report**

### **Community Environmental Projects**

The City Council is working with the Bluebell Environmental Group and local interests to redesign and redevelop the grass area opposite the shops.

The Community Team is supporting transition year students from Mercy Secondary School, Goldenbridge to take part in the Young Social Innovation Programme. The girls hope to link in with older people in Bulfin Court and participate in environmental projects like planting and clean-up's in the area.

### **Ballyfermot Environmental Project**

The Ballyfermot Environmental Project will be opening its 2019 activities with a series of community clean ups which will take place over a four-week period. The first two will commence in the Drumfinn Park area and Cherry Orchard's Croftwood Gardens. These environmental projects are joint collaborations between the Council, local residents, and various community groups and educational agencies.

### **California Hills Math's Eyes Project's**

The California Hills Math's Eyes Project's planning stage is complete as the overall project nears fruition. It is planned that the final phase of the project will see an unveiling in early March following extensive collaboration between DCC's Community and Parks Departments, St. Dominic's school and Tallaght IT.

### **Coiste Bhailethormaid**

Coiste Bhailethormaid is an exciting new Irish language and cultural heritage project designed to enhance and further promote all thing Irish in the Ballyfermot area. This local Coiste already has a full schedule of events lined up for March's Seachtain na Gaeilge festivities with its centerpiece being a full Ceili for over two hundred second year students from local schools being hosted in the Ballyfermot Community Centre. The City Council is

hoping to establish a similar group in the Drimnagh area to organise events for Seachtain na Gaeilge. Banners promoting Irish and Seachtain na Gaeilge will be placed along the main street, Ballyfermot aided by funding from the 2019 Discretionary Fund.

### **History / Heritage group**

There is a big interest in local history in the Dublin 12 area. Dublin City Council brought those interested together and a new History / Heritage group has been established. The Council will support the group through providing seed funding, speakers, and organise visits to historical points of interests. The Council hopes that a committee will form and the group will grow. The next meeting will be held in Good Counsel GAA club on Wednesday the 6<sup>th</sup> of March.

### **Social inclusion**

- Community Development is supporting Inchicore Works Resident Association to set up a Men's Shed.
- Meetings are ongoing with Community Development, the H.S.E. and the Oblate Community Employment Scheme to extend and retain the daily meals produced in La Touche Court. It is also proposed to book a number of practitioners to host a series of talks on health and wellbeing.
- A new walking group has been established in Inchicore supported by Dublin City Council. The Ring Walkers Group meets Monday to Friday at 9am and 7pm and family walks will be on Saturday at 4pm and Sunday at 12:30pm. The Council has also supplied hi-vis vests and walking leader training for group members.
- The Council is working with the Ballyfermot Resource Centre to organise classes to set up an ukulele band. The first classes will take place on 22<sup>nd</sup> Feb at 11:30AM
- The Ballyfermot /Chapelizod Partnership grants are now open. The Community team have worked with local organisations to submit applications for LCDC Local Facilities Enhancement Fund and Creative Ireland for Cultural events.

### **Cherry Orchard**

#### **Christmas Panto - "The Fairies and the Shoemaker", Basement Productions Theatre Company.**

We were very happy to have our second Christmas Panto in the centre during the month of February. The Panto took place on the weekends of 2<sup>nd</sup> 3<sup>rd</sup> 9<sup>th</sup> & 10<sup>th</sup> with a 3pm show each day. These shows were open to the public and had a good attendance. There was also a special show put on, on 31<sup>st</sup> January for St. Ultan's school which was greatly enjoyed by the younger pupils and teachers alike. This was an opportunity for the Parents and Young Children from Cherry Orchard and Ballyfermot as well as other areas to come to a Pantomime and experience the fun and laughter enjoyed by so many other children around this time of year. Most if not all attending would not have this opportunity if it was not brought to the centre. Many thanks to all involved in putting on such a successful event which was attended by nearly 400 people.

#### **Mica's New Hair Salon in the centre.**

Our new venture is coming along nicely with customers coming and going and creating a great buzz in the building. It is an appointment only service and appointments are made directly through Mica the lady who operates it.

#### **Sequence/Ballroom Dancing Classes.**

This group meet every Wednesday and Friday mornings 11-12.30pm. The group are together less than a year and have grown from 4 members to over 40. A great bunch of people and always inviting new members.

**Afternoon Activity Clubs.**

Our children's clubs every afternoon Tues-Friday are going strong with over 60 children attending weekly.

**Boxing Club.**

This well-established club is going great and has a waiting list for new members.

**New Baton Twirling/Majorettes Group.**

Elite Twirling Academy started with us at the beginning of February. So far the group are going great and have a large number of children attending. The group have reached out and have members of the Traveling community as well as some homeless children attending. This is a great thing for all involved and we are giving as much support as we can to the organisers.

**Men's Music Shed.**

This group who started not too long ago with us have grown greatly in numbers and confidence. From small beginnings around 5 men they now have over 20 in the group. Not bad for a group who are together less than a year.

**Bingo Nights.**

We have two bingo nights in the centre. Monday and Wednesday's. This is a popular past time especially for our older people.

**Cherry Orchard Tae Kwan Do Club.**

This group are together around a year and have taken on new members over that time. They are with us Tuesday and Thursday evenings.

**St. Vincent de Paul Food Bank.**

The food bank is continuing to provide a vital service to many individuals and families in the area with over 120 people collecting food bags every Friday from the centre.

**DUBLIN CITY COUNCIL**  
**SOUTH CENTRAL AREA COMMITTEE**  
**20<sup>th</sup> March 2019**

- Q1 Councillor Ray McHugh**  
To ask the Area Manager to urgently arrange for the repair to a shore that has collapsed outside (*details supplied*). This shore and path needs to be made safe today.
- Q2 Councillor Ray McHugh**  
To ask the area Manager to arrange for a continuous double yellow line outside (*details supplied*), this gentleman is 80 year of age and twice in the last 6 months his gates have been damaged by cars/vans parking outside his home. He feels double yellow lines would help this problem.
- Q3 Councillor Ray McHugh**  
To ask the Area Manager to arrange for an inspection of the green on (*details supplied*) and have the black area on the green reseeded with grass seed and the trees on the green checked and pruned etc. Also could we arrange for the weeds growing on the kerb be removed.
- Q4 Councillor Ray McHugh**  
To ask the Area Manager to arrange for the island and bollards be upgraded at (*details supplied*), cars are turning at these bollards and are causing a dangerous situation.
- Q5 Councillor Ray McHugh**  
To ask the Area Manager to arrange for an inspection of the constant smell of sewerage at the junction of (*details supplied*). This I believe is a health hazard and needs to be addressed.
- Q6 Councillor Ray McHugh**  
To ask the Area Manager to inform this councillor when the windows at (*details supplied*) will be replaced. This resident is waiting over 4 years.
- Q7 Councillor Ray McHugh**  
To ask the Area Manager to arrange for a general clean-up of (*details supplied*). I feel this area needs regular cleaning.
- Q8 Councillor Ray McHugh**  
To ask the Area Manager to address the following issues at (*details supplied*1):-
1. Arrange for the footpath outside (*details supplied*2) be repaired urgently.
  2. To examine the large trees that are uprooting and causing damage in this area.
  3. The removal of graffiti from the wall at the entrance to the estate.
- Q9 Councillor Ray McHugh**  
To ask the Area Manager to arrange for an examination of the road calming measures on (*details supplied*) with a view to increasing height to slow down traffic which is a problem on this road.
- Q10 Councillor Ray McHugh**  
To ask the Area Manager to arrange for an inspection of the parking on (*details supplied*). Residents are complaining of non-residents parking on a daily basis.
- Q11 Councillor Ray McHugh**  
To ask the Area Manager to arrange for the examination of (*details supplied*). This road is being used as a rat run. Residents are very concerned for the safety of their

children out playing and for senior citizens. Traffic calming, a one-way system, or Children at Play signs would go some way to addressing the concerns of residents.

**Q12 Councillor Tina MacVeigh**

To ask the Area Manager to ask our Public Domain Unit to address the problem of the trees on Donore Road. The roots of the trees have come up through the footpath causing the pavement to crack. This presents a hazard for path users, particularly those with mobility issues. These trees are not suitable for this road and need to be replaced. Please provide this Councillor with a full report.

**Q13 Councillor Tina MacVeigh**

To ask our Area Manager to ask our Planning Department how we might address the issue of buildings on Hamilton Street who are rented out on Air BnB and who are using the laneway behind the buildings for access.

**Q14 Councillor Rebecca Moynihan**

To ask the Area Manager for an update on the provision of pedestrian crossing at Herberton Road.

**Q15 Councillor Rebecca Moynihan**

To ask the Area Manager to request a bin for the area around the Blackpitts Mosque.

**Q16 Councillor Rebecca Moynihan**

To ask the Area Manager if she could arrange for cycle lane along Dolphins Barn which has significant potholes in it to be resurfaced.

**Q17 Councillor Rebecca Moynihan**

To ask the Area Manager to install designated parking bays along O'Donovan Road. Currently residents park with two wheels on the footpath to ensure that pedestrians have footpath access that the bus can safely get by. However, recently residents have received notices to say it is illegal to park on the footpath and they will be clamped. There is a need to have residential parking along this road and designated parking bays could be installed (similar to parking bays along Reuben Street by Herberton apartments), which will ensure there is safe parking without blocking pedestrian access. To further ask the area Traffic Engineer to meet with residents to come to a long term parking solution for residents.

**Q18 Councillor Daithi Doolan**

To ask the Area Manager to ensure the windows at (*details supplied*) are installed without further delay. There has been an unacceptably long delay and a series of broken appointments and still no windows installed. Can the windows be installed as soon as possible.

**Q19 Councillor Daithi Doolan**

To ask the Area Manager for a progress report of the Drimnagh Task Force established to tackle the causes and consequences of anti-social behaviour in the Drimnagh area. Please include who is on the task force and when have they met?

**Q20 Councillor Daithi Doolan**

To ask the Area Manager has the Council requested a meeting with the owners of the (*details supplied*) and if so what was the response?

**Q21 Councillor Daithi Doolan**

To ask the Area Manager to ensure the lane way between (*details supplied*) is regularly cleaned.

- Q22 Councillor Daithi Doolan**  
To ask the Area Manager does she expect the Rapid 2 at Elmdale to be delivered on time and to outline the timeframe for allocations.
- Q23 Councillor Daithi Doolan**  
To ask the Area Manager to outline in tabular form the number of burnt out cars collected in Dublin South Central for the years 2016, 2017, 2018 & so far in 2019?
- Q24 Councillor Daithi Doolan**  
To ask the Area Manager to outline in tabular form the amount of illegal waste collected, the cost of collection and disposal in Dublin South Central for years 2016, 2017, 2018 & so far in 2019 and to outline what are the areas that suffer most from illegal dumping?
- Q25 Councillor Daithi Doolan**  
To ask the Area Manager can she ensure the pitches at Liffey Gaels are regularly cut as they are currently in a dangerous condition for younger players?
- Q26 Councillor Daithi Doolan**  
To ask the Area Manager can she provide the councillor with a report on the development at the Gort na Mona site, outlining the time frame of events to date, all correspondence with the Department of Housing pertaining to the site's development and why there is such a delay in starting the development of this site?
- Q27 Councillor Daithi Doolan**  
To ask the Area Manager to outline a timeframe for the construction and completion of the extension to the Orchard Centre?
- Q28 Councillor Vincent Jackson**  
To ask the Area Manager that Dublin City Council look at tidying up the grounds of the Conradh Na Gaeilge / Naíornra at Grattan Crescent, Inchicore, Dublin 8. This group, who promote the Irish Language with cultural events, the Naíornra, are finding the looking after of the grounds impossible. They need a little support with a clean-up and a one off help from time to time to sort out same. The centre is surrounded by Grattan Crescent Park.
- Q29 Councillor Vincent Jackson**  
To ask the Area Manager that Dublin City Council's Housing Department look into the following (*details supplied*).
- Q30 Councillor Vincent Jackson**  
Can the Area Manager request the Parks Department to please ensure the heating system in the Long Meadows Pitch and Putt Club House is repaired to a reasonable standard and working effectively. For the past few months and despite numerous attempts to repair same, it is still not heating this building, resulting in large electric bills as the centre is heated by electrical fires / appliances.
- Q31 Councillor Vincent Jackson**  
To ask the Area Manager can Dublin City Council please ensure that the Cornamona Site on Kylemore Road next to Kylemore College and the Church of Our Lady of the Assumption is cleaned of waste. Neighbours in the vicinity are fed up with illegal dumping at this location. I am aware it will not be properly solved until the housing construction commences here at this location, which I believe is to start before the end of May this year 2019.

- Q32 Councillor Vincent Jackson**  
To ask the Area Manager can Dublin City Council please look into the chronic living conditions of (*details supplied*).
- Q33 Councillor Vincent Jackson**  
To ask the Area Manager that the following be looked at as a matter of urgency (*details supplied*).
- Q34 Councillor Vincent Jackson**  
To ask the Area Manager to please outline the eligibility criteria for Housing Supports for both DCC owned properties and privately owned dwellings to include supports for:
- Windows
  - Heating
  - External Wall Insulation
- Do we currently have an application form in which citizens can apply for supports and if so can I have one?
- Q35 Councillor Vincent Jackson**  
To ask the Area Manager to please look into the following housing application request (*details supplied*).
- Q36 Councillor Vincent Jackson**  
To ask the Area Manager to please report on the following (*details supplied*).
- Q37 Councillor Vincent Jackson**  
To ask the Area Manager to please indicate the level of litter fines in the South Central Area and the resources available to staff to try and enforce bye-laws and local initiatives etc.
- Q38 Councillor Michael Mullooly**  
To ask the Area Manager what criteria are used to determine where a pedestrian crossing is placed and where a location is not suitable for a pedestrian crossing.
- Q39 Councillor Michael Mullooly**  
To ask the Area Manager when the next phase of the development of walking and cycling infrastructure along the Grand Canal between Sally's Bridge, Clogher Road and Inchicore is to take place and if it going out to public consultation.
- Q40 Councillor Michael Mullooly**  
To ask the Area Manager when the repair and resurfacing works to the Lower Kimmage Road, for which money has been allocated, are due to begin, whether these works will include Riversdale Grove a small cul-de-sac off the Lower Kimmage Road, which is in a desperate state of disrepair.
- Q41 Councillor Michael Mullooly**  
To ask the Area Manager what traffic control measures and parking measures are proposed for Drimnagh given the increased traffic, rat running and parking issues in the area.
- Q42 Councillor Michael Mullooly**  
To ask the Area Manager what is the protocol where Irish Water carry out works and fail to reinstate roads and footpaths to a proper standard. Does Dublin City Council carry out inspections? Where roads and footpaths have not been reinstated to a

proper standard does DCC require Irish Water to carry out further remedial work? Is there a sign off procedure where DCC signs off on the reinstatement works as being of a proper standard? In Dublin 12, where there are a number of examples of poor reinstatement works by Irish Water, has DCC had cause to require Irish Water to carry out further reinstatement works?

**Q43 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to list the voids in area L.

**Q44 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to give a time frame for *(details supplied)*.

**Q45 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to update this Councillor on the anti-social behaviour in *(details supplied)* and what is being done to address it?

**Q46 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to update this Councillor on the plans for *(details supplied)*

**Q47 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to outline in tabular form the amount of illegal waste collected, the cost of collection and disposal in Dublin 8 for the past 5 years.

**Q48 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to report on the following *(details supplied)*.

**Q49 Councillor Críona Ní Dhalaigh**

To ask the Area Manager to update this Councillor on the planning application for *(details supplied)*.

**Q50 Councillor Pat Dunne**

To ask the Area Manager to confirm ownership of the piece of vacant land *at (details supplied)* and if the Manager intends to do anything with the site? Also can the area be cleared of illegally dumped waste and litter?

**Q51 Councillor Pat Dunne**

To ask the Area Manager to replace the tarmac path at *(details supplied)* with concrete? This has been an eyesore for many years and to replace it with concrete will give the area an uplift.

**Q52 Councillor Pat Dunne**

To ask the Area Manager to arrange to have the bushes and shrubbery on the boundary wall on Rafter's Avenue, Dublin 12 removed. Residents complain of rats and illegal dumping at and around these bushes.

**Q53 Councillor Pat Dunne**

Can the Area Manager ensure that the grass cutting on local greens in Dublin 12 is carried out professionally and regularly this year, and that the edges are also cut to avoid the growth of weeds. Residents complain that this service has dis-improved in recent years since this work has been contracted out. Can the Area Manager also ensure that the growth of weeds on our footpaths and kerbsides is properly dealt with?

**Q54 Councillor Pat Dunne**

To ask the Area Manager to ask our Roads Traffic Section to extend the double yellow lines in the cul-de-sac at *(details supplied)* to the front of this house so as to deter non-residents all day parking at this location. This householder reports that his vision when exiting from his driveway is blocked by parked cars and on a recent occasion damage was caused to his gate by a non-resident motorist.

**Q55 Councillor Pat Dunne**

To ask the Area Manager to ask our Roads and Traffic Section to install road ramps or other traffic calming measures on Derry Road, Crumlin. If not possible can Children at Play signs be erected?

**Q56 Councillor Pat Dunne**

To ask the Area Manager to ask our Roads Department to resurface the roadways on Clonard Road between Armagh and Stannaway Road. Also Derry Road is bad coming out onto Cashel Road. The 3 tonne limit is not enforced and heavy trucks are using some roads for short cuts damaging the roadways.

## **1. DCSWP HIGHLIGHT PROGRAMMES/EVENTS MARCH - APRIL 2019.**

### **THE LORD MAYOR'S 5 ALIVE CHALLENGE 2019**

The Lord Mayor's 5 Alive concludes on 30<sup>th</sup> March with the BHAA Dublin City Council 4-mile race on Saturday 30<sup>th</sup> March. The 5 Alive challenge is a partnership programme between Dublin City Sport & Wellbeing Partnership and the Lord Mayor's Office. The Challenge is now in its 7th year and has encouraged hundreds of people to take up regular exercise over the past 6 years.

Last year the initiative went back to its roots and targeted people who were interested in taking up jogging or novice joggers who required some encouragement to sustain progress. The focus on encouraging new and novice joggers to sign up to the challenge continued in 2019. In 2018 the challenge also introduced mentors to accompany slower joggers and walkers and encourage them along each route. The mentoring aspect of the challenge also continues with 30 mentors appointed to support participants in the 2019 challenge. Each mentor has completed the 5 Alive challenge in previous years. Over 400 people registered to participate in this year's challenge which commenced in the Phoenix Park on New Year's Day.

In the event that a participant is unable to complete the 5 races they have the opportunity to substitute a race for one of the city's Parkruns. Dublin hosts free 5k Parkrun in 5 locations across the city every Saturday morning. Details on times and locations can be found at [www.parkrun.ie](http://www.parkrun.ie). Details of the final 2019 5 Alive races are outlined below;

- MSB St. Patrick's Day Festival 5k Race and Family Fun Run. This race commences at Stephen's Green at 12 noon on Monday 18<sup>th</sup> March.
- BHAA Dublin City Council 4 mile race. This race takes place in St. Anne's Park, Raheny at 11am on Saturday 30<sup>th</sup> March.

### **BOXING DEVELOPMENT OFFICER UPDATE**

- The **Startbox** Initiative, a partnership between the IABA and Dublin City Sport & Wellbeing Partnership, represents an ideal way for young people (10 – 17 years) to first engage with amateur boxing, Ireland's most successful Olympic sport. It is delivered by our 5 dedicated IABA/DCSWP Development Officers via local schools (primary & TY level) in communities across the Dublin City area. Approximately 2,000 young people take part each year.

The Programme is structured into Bronze (non- contact), Silver and Gold phases. The first phase focuses on general strength & fitness, method and technique. The Silver Programme consists of higher intensity sessions & limited contact and the Gold phase takes it on to another level again. The DCSWP Boxing Rugby Development Officer will be liaising with local schools in the South Central area during the next period.

### **CRICKET DEVELOPMENT OFFICER UPDATE**

- Cricket Development sessions will be delivered in the following schools in the area during this period:
  - Drimnagh Castle BNS, Drimnagh - Wednesdays 11am-12.30pm
  - Scoil Úna Naofa, Crumlin - Wednesdays 1pm-2.30pm
  - The annual Dublin City U12, U14 and U17 Girl's Easter Camps will take place at St. Columbus College from 10am-17.30pm from the 15<sup>th</sup>-18<sup>th</sup> April. Participants attending from the South Central area will be mainly from the Drimnagh area.

### **FOOTBALL DEVELOPMENT OFFICER UPDATE**

For details of Football events/programmes/initiatives in the South Central Area please contact the local Football Development Officers. Contact details are listed below.

## **ROWING DEVELOPMENT OFFICER UPDATE**

Get Going...Get Rowing

- Having spent the winter months learning rowing techniques on indoor machines, rowing students are now ready to apply their skills in the water. Water taster sessions will be delivered from March 11th to mid-May in Neptune Rowing Club in Islandbridge. 39 sessions are planned with participants from 22 schools. The indoor rowing programme will continue to be delivered in schools based in Cabra, Ballyfermot, Coolock and Beaumont.
- Rowing students continue to virtually row around the world as part of the Student World Indoor Rowing Challenge and are currently making their way through Addis Ababa.
- Preparations have commenced for the Rowing '*Splash and Dash*' event on May 9<sup>th</sup> in Grand Canal Dock.
- Rowing Ireland activities can be tracked on Twitter, Instagram and Facebook.

12<sup>th</sup> March 2019

**To: The Chairman and Members of  
South Central Area Committee**

Meeting: 20<sup>th</sup> March 2019

---

**With reference to the proposed grant of a further licence for the use of part of the premises at Longmeadows Pitch & Putt Club, Sarsfield Road, Ballyfermot, Dublin 10.**

---

By way of Agreement dated 18<sup>th</sup> October 2011 part of the premises at Longmeadows Pitch & Putt Club, Sarsfield Road, Dublin 10 which said part is more particularly shown outlined red and coloured pink on Map Index No.SM-2019-0188 was let by Dublin City Council under licence to Longmeadows Ballyfermot Pitch & Putt Company Limited for a period of 11 months from 1<sup>st</sup> July 2011 and subject to a licence fee of €100 (one hundred euro).

This licence was subsequently renewed and the most recent licence agreement expired on 30<sup>th</sup> November 2017 and the licensee has been overholding under same. The Council's Parks and Landscape Services Division of the Community, Recreation and Amenity Department have confirmed that they have no objection to the granting of a further licence on similar terms and conditions.

Accordingly, it is now proposed to grant a 3 year licence for use of part of the premises at Longmeadows Pitch & Putt Club, Sarsfield Road, Dublin 10 to Longmeadows Ballyfermot Pitch & Putt Ballyfermot Company Limited subject to the following terms and conditions:

1. The licence shall be for a further period of 3 years commencing on 1st December 2017.
2. The licence fee shall be €100.00 (one hundred euro) per annum.
3. That the licensee shall be required to sign a Deed of Renunciation.
4. The premises which is more particularly shown outlined red and coloured pink on Map Index No. SM-2019-0188 shall be open solely for use in connection with the activities of a pitch & putt club at a minimum of between the hours of 7.30am and one hour before dusk.
5. The licensee shall be liable for all outgoings associated with that part of the building used by the licensee.
6. The licensee shall at all times adequately secure the building against entry by unauthorised persons or damage by third parties and maintain a safe and secure environment for all users of the facility including the taking of all reasonable steps

to prevent undesirable persons gaining access at any time which shall include the locking of all doors, windows and all other apertures of whatsoever nature located within the licenced area.

7. Dublin City Council will arrange a fire and security maintenance and monitoring contract. The licensee will pay 50% of the call out charge in relation to key holding and alarm response service.
8. The licence shall be non-transferable.
9. The licensee shall provide and maintain services within the pavilion such as catering facilities and shop as agreed with Dublin City Council and shall provide club hire as required.
10. There shall be a prohibition on the sale or consumption of intoxicating liquor on the premises except with the written consent in advance of the licensor, along with the licensee obtaining a Court order and complying with all statutory requirements in this regard.
11. The licensee acknowledges and agrees that the building is a no smoking area in its entirety.
12. The licensee to inspect on a regular basis the state of repair and condition of the unit and to immediately notify same to Council. The cost of repairs will be incurred by the Council unless caused by the negligence of licensee or invitee, employee etc. The licensee shall keep the premises in good condition during the term of the licence and shall not remove or permit the removal of the fixtures, fittings and appliances from the building.
13. The licensee shall operate and run the facility on behalf of Dublin City Council in accordance with the principles of good business management and further, with a view to maximising the potential of the Pitch & Putt Club as a sports facility.
14. The licensee shall prepare and produce financial accounts and other relevant information in accordance with Dublin City Council's requirements.
15. The licensee shall take out and produce Public Liability Insurance in the sum of €6,500,000 (six million five hundred thousand euro) and Employer's Liability Insurance in the amount of €13,000,000 (thirteen million euro) for any one incident with a recognised Insurance Company with offices in the State and the policy shall indemnify the Council against any liability as owner of the premises.
16. The licensor shall insure the building on its block policy of insurance for all its buildings in respect of fire, damage, damage through storm or tempest in accordance with the normal fire insurance policy. The licensee shall be responsible for insuring its' own contents.
17. The licensee shall not erect or exhibit any sign, board, placard, poster or advertising matter or any flag or banner on or outside the facility without first obtaining the written consent of the licensor.
18. The licensee shall be responsible for keeping the immediate environs of the licensed part of the building and the Pitch and Putt course clear of litter.
19. This licence does not confer any rights under Landlord and Tenant Law and may be terminated by the Dublin City Council, giving two months notice, for any breach

- of the conditions of the licence and such other terms regarding termination as determined by the Law Agent.
20. Each party shall be responsible for their own legal fees in the transaction.
  21. If the Company formally disbands the facility will be passed back free of charge to Dublin City Council.
  22. On termination of the licence the licensee shall at their own expense remove all materials not belonging to Dublin City Council and shall leave the property clean and cleared to the satisfaction of the Council.
  23. The licensee shall organise the order of play on the course and generally ensure appropriate behaviour of those using the course and pavilion. The licensee shall facilitate individual and group pre-booking. The licensee shall undertake day-to-day housekeeping such as lighting, heating, cleaning and keeping in good order the facilities in and around the pavilion including the supply of cleaning materials, towels, toilet rolls etc.
  24. The licensee shall provide reliable, experienced and trained personnel at all times to deliver the required level of service.
  25. During the term and at all times, the licensee to observe and comply in all respects with the provisions and requirements of any and every enactment, regulation, statutory order, statutory instrument, government, departmental, EU, Local Authority Order, regulation or directive, including the recommendations and regulations of the Fire Authority, Health & Safety Authority, Office of Minister of Children and any recommendations and regulations as laid down from time to time by any appropriate body or authority and to indemnify the City Council at all times against all proceedings, actions, costs, charges, claims, expenses, damages and liabilities losses and demands arising from any breach of this Clause.
  26. Dublin City Council reserves the right to enter the building and to allow other users to access to the Building from time to time following consultation with the licensee.
  27. The licensee shall facilitate Dublin City Council, its servants and agents, accompanied by all necessary equipment, to enter the Licensed area giving at least two weeks notice in writing of its intention, (except in emergency situations) without liability to compensate the licensee for any loss, damage or inconvenience, and do all acts necessary for the purpose of carrying out such works to the premises which the Council may think fit and on demand forthwith to remove all such articles out of the premises as may be indicated by the Council as requiring removal (vacating the space completely if necessary) in order to enable such works to be more conveniently carried out.
  28. The licence will be subject to any other terms and conditions deemed appropriate by Dublin City Council's Law Agent.

**Q1 Councillor Ray McHugh**

To ask the Area Manager to arrange for dog poo bins at the entrances to (*details supplied*). Dog owners leaving the park are placing bags of dog poo at the wall as they leave. Dog poo bins would address this problem.

**Reply**

The Waste Management Department does not recommend the installation of further dog fouling bins in any locations and recommends the use of standard litter bins for the disposal of dog litter and general litter. It is not recommended to install bins at the suggested location as the area is entirely residential and the policy of the Waste Management Department is not to install litter bins in residential areas. Main thoroughfares surrounding the suggested location have an adequate number of bins for dog walkers and the public generally to avail of.

It is the responsibility of dog owners to both remove and dispose of their dog waste appropriately and it may be disposed of either in the nearest available public litter bin or in their domestic bin.

**Q2 Councillor Ray McHugh**

To ask the Area Manager to arrange for the tree stump outside (*details supplied*) be removed, and the tree beside the stump is examined with the possibility of cutting it back.

**Reply**

The tree stump at this location has been removed. The tree nearby has been inspected regarding the request to cut it back, however pruning would not be deemed a priority at the present time.

**Q4 Councillor Criona Ní Dhálaigh**

To ask the Area Manager who authorised the obtrusive gas installation on the new street beside Aloft Hotel Dublin 8? Does it require planning permission or any form of consent from Dublin City Council? There is a growing fear that these can now pop up anywhere on our city streets. Can these be made less obtrusive, see attached photo:

**Reply**

The Planning Enforcement Section will open a file on this matter and investigate the issue raised and respond directly to the Councillor shortly.

**Q5 Councillor Criona Ní Dhálaigh**

To ask the Area Manager to report on all listed derelict sites in Dublin 8. How many are on the derelict sites register and what sites if any are pending to be added?

**Reply**

A Derelict Sites Report is listed on the Agenda for this month's Area Committee Meeting under the following headings: -

1. Sites under investigation / subject to formal action / kept under review.
2. Sites entered on the Derelict Sites Register

**Q6 Councillor Criona Ní Dhálaigh**

To ask the Area Manager (*details supplied*).

**Reply**

A report on (*details supplied*) was sent to the councillor.

**Q7 Councillor Criona Ní Dhálaigh**

To ask the Area Manager if a report can be carried out on (*details supplied*). That a report be carried out as to the future of this complex. That full demolition, part demolition/part refurbishment be considered. The front 2 blocks in particular (at the pitch) are magnets for serious anti-social behaviour and although attempts have been made to physically improve the complex there are still huge issues with dampness and other maintenance issues.

**Reply**

Dublin City Council are currently completing a city wide audit of all our flat complexes. This is being carried out with a view to prioritising future development of our sites. The review includes certain criteria, including current condition, development potential, energy rating, Planning zone & Maintenance History. All Complexes are being ranked with a view to future development. The *(details supplied)* complex is part of this review which is due to be completed in March 2019.

**Q8 Councillor Críona Ní Dhálaigh**

To ask the Area Manager why, *(details supplied)* has a different fob mechanism to open their gates than the other blocks across the way. Tenants can only open the gates if they go out to the gate and use their fob to open it. The fob does not work from inside their flat. In one case a tenant who needed an ambulance could not let them in as she could not go to the gate.

**Reply**

Tenants at *(details supplied)* have fobs to open the gates. It was recently brought to our attention by one of the tenants living in *(details supplied)* that there is a problem with opening the gates with the intercom system from inside their homes. The problem was reported to our Electrical Services Section whereby they requested a contractor to investigate the issue. The fault has now been rectified and the tenants in *(details supplied)* can now operate the gates.

**Q9** **Councillor Críona Ní Dhálaigh**

To ask the Area Manager to ask the Housing Maintenance Section do a condition survey of (*details supplied*). This tenant recently moved into this unit, which was refurbished by a contractor, but informs me that the following maintenance issues need to be addressed:

- The boiler does not work properly.
- The walls are wet and tenant reports that the rain is actually coming through the walls.
- The hall door does not lock properly and she feels very vulnerable because of this.

**Reply**

A contractor has called to this dwelling and reports the following:

- Arrangements have been made for a heating contractor to inspect the boiler and carry out any repairs deemed necessary.
- Housing Maintenance Engineer will carry out damp testing on the walls of this dwelling.
- The door has been inspected and is in good working order with the lock also in good working order.

**Q10** **Councillor Críona Ní Dhálaigh**

To ask the Area Manager to report on the length of time it is taking to address the serious dampness issues at (*details supplied*). The tenant has also reported that it is almost impossible to heat the flat up. Can the heating system be inspected please?

**Reply**

There is no record to date on our system of a complaint of dampness in this dwelling. This has now been logged and Housing Maintenance will investigate. The heating system has been inspected and a new boiler is required. This is scheduled for completion of works within the next week.

**Q11** **Councillor Críona Ní Dhálaigh**

To ask the Area Manager to address the increasing volume of abandoned cars at (*details supplied 1*). Residents have reported that it was always a problem but has got worse of late. Rubbish is now being dumped there. Also there are problems with erratic parking in and around this area (*details supplied 2*). Can this also be followed up on?

**Reply**

The locations (*details supplied*) were inspected for illegal dumping and abandoned vehicles. All illegally dumped materials will be removed and disposed of. Appropriate signage will be displayed in the vicinity. All the vehicles parked there had valid tax and insurance discs. Parking Enforcement have been notified and DPS on request will survey the area for illegal parking.

**Q 12 Councillor Greg Kelly**

To ask the Area Manager for an update on (*details supplied*). The roof was insulated in September but the job was not finished. When will the job be completed and when can she expect windows fixed?

**Reply**

Housing Maintenance Energy Liaison Officer confirms that this dwelling is included on our Phase 2 list for external wall insulation works, however it is not scheduled for completion in 2019.

A request for an inspection of the windows has been logged and will be carried out in the next few weeks.

**Q 13 Councillor Greg Kelly**

To ask the Area Manager for an update on (*details supplied*). There is damp in one of the bedrooms in this house. It was inspected by a contractor and he said it needs work as the house is insulated and the damp should not occur. Can DCC inspect and fix the issues causing the damp.

**Reply**

Housing Maintenance Energy Liaison Officer called to this dwelling 8<sup>th</sup> February by appointment. He reports: This dwelling was insulated in 2015. The tenant states she likes heat and keeps the house quite warm. Our Officer tested for dampness with the damp meter however there were no readings of same. There is a little mould in the upstairs rooms. He has made arrangements to have a filter less fan installed on the landing to assist with this issue.

To ask the Area Manager to urgently fix the paths on (*details supplied*). There was work carried out last year but only part of the road was completed

**Reply**

Upon inspection of the footpath on (*details supplied*) the majority of the pavement was reconstructed on one side of the carriageway while the other is still in its original condition. These works have not been selected for our 2019 minor works contract. The original footpath, although older, is in a reasonable condition and the only defects I could log were on the footpath located past the roundabout. These have been added to our works list for repair.

**Q 18 Councillor Greg Kelly**

To ask the Area Manager who is responsible for installing Electric Car Charging Points throughout Dublin South Central? Have DCC any plans to install any in the next 12 months for Dublin South Central?

**Reply**

Initially EV chargers were installed throughout the City by ESB E-cars. The ESB as statutory undertakers did not have to seek permission for the installation of the chargers. Due to funding issues the ESB ceased rolling out EV chargers and now only maintain/upgrade the existing EV chargers.

The Department of Transport established a Low Emission Vehicles (LEV) Taskforce Working Group in 2017. The working group is led by the Department's Climate Change Unit and comprises members from the Department and members from the Department of Communications Climate Action and the Environment, the Department of Housing Planning Community & Local Government, the Department of Public Expenditure & Reform, the Department of Finance, the CCMA, Sustainable Energy Authority of Ireland (SEAI), Transport Infrastructure Ireland (TII), the National Transport Authority (NTA) and the ESB.

The objective of the working group is to present a range of 2020-2025 vehicle growth scenarios, recommend a revised national LEV target for 2020, accompanied by a roadmap and to link these growth rates to a range of stimulus options and public leadership measures. The working group surveyed parking operators, both private and local authority and sought parking operator's views regarding the installation of charging infrastructure in their facilities and potential incentives to encourage more widespread deployment.

The Council as co-chair of the Smart Docklands Energy Action Group agreed in 2018 to investigate the feasibility of installing EV chargers and undertook to undertake a trial installation on Sir John Rogerson's Quay. It is expected that this EV charger will be commissioned in Q2 2019 and this experience will inform the Council's policy on the possible further roll out of EV chargers.

**Q19 Councillor Vincent Jackson**

Can the Area Manager please give an up to date report on the efforts to secure the future of the Bluebell Cemetery, Dublin 12, from further vandalism? What efforts have been taken to date to repair the damage caused? Efforts to try and prevent re-occurrence of this damage to a space which right thinking persons should never interfere with.

**Reply**

Following the vandalism at Bluebell Cemetery a fence was erected at a breach in the boundary on the west side, where it is likely the perpetrators entered the site. The pillar at the main entrance was also repaired and the gate re-hung. A company was engaged to repair and replace the damaged headstones. Over 30 headstones were damaged altogether in the attack and a company was engaged to carry out repair. There are 2 remaining headstones to be repaired and 2 more that will need to be replaced entirely. Pruning has been carried out to help decrease the likelihood of further anti-social behaviour. A private company installed CCTV next to the laneway and this should also help the situation.

**Q20 Councillor Vincent Jackson**

Can the Area Manager please arrange that the badly broken footpaths / road surface outside (*details supplied*) be repaired, the residents along here have said the water is ponding in the badly worn surface.

**Reply**

I have inspected the footpath and carriageway at this location, there is slight ponding present at the kerb side of the footpath but this is within concrete tolerances. There is a pothole at this address and this has been added to our works list for a temporary repair. This road is starting to degrade and I will put forward this section of carriageway for possible inclusion in our 2020 Resurfacing programme. This is dependent on available budget.

**Q21 Councillor Vincent Jackson**

To ask the Area Manager to please seek from senior management / An Garda Siochana a large CCTV camera be positioned in the top section of Californian Hills Park, Rossmore Road, Ballyfermot, Dublin 10, similar to the new cameras in Cherry Orchard, to deter anti-social behaviour in this beautiful park. The capacity to police the area is greatly reduced due to Garda numbers. A camera will act as a serious deterrent in stopping anti-social behaviour in both Californian Hills Park and Glenaulin Park a SDCC park which borders the city administrative boundary.

**Reply**

Dublin City Council will discuss with An Garda Siochana the feasibility of installing pole mounted CCTV at Rossmore Road to see if it would enhance the security of the area by supplementing the existing CCTV. Costs for the installation of a standalone pole and CCTV may be prohibitive but an upgrade of the existing CCTV might be an option for consideration. All installations are now subject to the GDPR legislation.

**Q22 Councillor Vincent Jackson**

Can the Area Manager please report to me on the following housing issue (*details supplied*)?

**Reply**

The above named applicant is on the Housing list with an application date of December 2007, and holds the following positions on this list;

Area	Bed size	position
J	3	33
J	4	12

Dublin City Council acknowledge that there is a significant over-crowding issue in this property. And the family are residing in difficult circumstances. As this family require four bed-room accommodation which is in short supply across all areas of the city it

may be some time before they are reached for an offer of a social housing tenancy. We have noted the applicants interest in housing in the Cherry Orchard area.

**Q23 Councillor Vincent Jackson**

To ask the Area Manager to request that the Housing Department look at the following housing request (*details supplied*).

**Reply**

The above named applicant is on the transfer list with an application date of June 2008, and holds the following positions on this list;

Area	Bedroom size	Position
J	3	80
J	4	16
J	5	3
Area	Bedroom size	Position
E	3	105
E	4	19
E	5	6
Area	Bedroom size	Position
B	3	77
B	4	17
B	5	5

Dublin City Council acknowledge that there is a significant over-crowding issue at this tenancy and the family are residing in difficult circumstances. As this family require four or five bed-room accommodation which is in short supply across all areas of the city it may be some time before they are reached for transfer to larger accommodation. It is not possible to improve this household's positions on the transfer list as all tenants ahead of this household are also in need of larger accommodation.

**Q24 Councillor Vincent Jackson**

To ask the Area Manager to request that the Housing Department look at the following housing request (*details supplied*).

**Reply**

The applicant (*details supplied*) is on Band 1 of the Housing list since 16<sup>th</sup> of June 2015 with the following positions

- 97 for Area B (Kilbarrack/Darndale)
- 47 for Area J (Ballyfermot/Bluebell)
- 115 for Area L (James Street/Newmarket/Coombe)

Homeless Allocations will get a member of the Homeless Action Team to link in with the applicant (*details supplied*) this week to discuss all housing options. They will also discuss the options around a more suitable placement through Central Placement Services and will advise on all available supports around medical issues.

It is not possible to indicate accurately the prospect of an offer of accommodation for any applicant. The number of vacancies arising will be a determining factor in the length of time applicants could expect to be on the waiting list.

I can confirm that the household is also eligible for the "Household Assistance Payment" (HAP) scheme which would greatly assist them in accessing the private rental market. This means that the household is eligible to be considered for one month's advance deposit and one month rent in advance with differential rent payable to Dublin City Council.

Access to/further information on HAP is available from the HAP unit on [placefinders@dublincity.ie](mailto:placefinders@dublincity.ie) or 222 6955

The applicant can contact the Homeless Allocations Section on 222 2205 at any time to discuss their application.

**Q25 Councillor Vincent Jackson**

I contacted the Area Manager in relation to the following case a few weeks ago (*details supplied*). Can they transfer?

**Reply**

The Allocations Section will follow up with the local area office in relation to addressing the anti-social issues in this estate. The household are currently not on a transfer list as they have not been in residence for the required two years. Please advise the above named tenants to make contact with the Allocations Section to discuss their options regarding transfer options.

Should this applicant wish to be considered for a Medical Priority she should submit written medical evidence from a Medical Doctor or a Medical Consultant to the Allocations Section for review, along with the completed Medical Priority Application Form.

In addition, the applicant may also submit explanatory and background material from Public Health Nurses, Social Workers, Occupational Therapists and other Health Professionals this may accompany the application but will not form the basis of the decision which must be based on a report from a Medical Doctor or Consultant. Priority status may be awarded for conditions, which cause major problems where the management of the course of the illness will be helped by a change in housing. The housing support offered may be HAP/RAS/AHB/Leasing/Social Housing stock depending on the suitability of the accommodation to meeting the needs Applications forms for Medical Priority are available on the Dublin City Council website or from any local Area Housing office.

**Q27 Councillor Vincent Jackson**

Can the Area Manager please indicate if and when the 3 tonne vehicle limit on Le Fanu Road, Ballyfermot, Dublin 10, was lifted / removed? Residents tell me the situation has become intolerable over the past few months with the volume of heavy traffic. I am asking that this decision be addressed as a matter of urgency.

**Reply**

The above matter is under investigation by the Area Traffic Engineer. The Councillor will be informed in due course.

**Q28 Councillor Michael Mullooly**

To ask the Area Manager to ask Waste Management to set out the criteria and policy for providing and locating ordinary waste bins, smart bins and dog fouling bins within the South Central Area and if different policies and criteria apply in other areas.

**Reply**

It is the policy of Dublin City Council to maintain the stock of 3,000 plus litter bins and to ensure that bins are located at the most effective locations to cater for the needs of the city population. The policy is to ensure that bins are located in close proximity to significant litter generators and in areas of high pedestrian footfall. Significant litter generators and areas of high footfall include:

- Neighbourhood shops
- Schools / Educational Facilities
- Shopping centres
- Leisure areas
- Community centres / Facilities
- Major bus stops / Transport hubs
- Main thoroughfares / Arterial routes
- Car Parks

It is not the policy of the Waste Management Department to install bins in residential areas. In order to ensure that bins are located in the most appropriate locations to cater for levels of demand and to ensure that bins are adequately serviced and maintained Dublin City Council is using technology to assist in managing this aspect

of the service through QR code reporting, asset mapping and the use of smart bin technology. In 2017 /2018 as part of the objectives of the Litter Management Plan 2016 – 2018 over 120 dog fouling specific litter bins were installed in the 5 areas in conjunction with the area Public Domain teams. There are no further plans for the installation of such bins as these bins have had limited success in tackling dog fouling and have a low capacity. The criteria used for siting these bins at the time were:

- Areas of high footfall dog walking
- Proximity to Parks
- Proximity to open green spaces

In 2018 the roll out of a number of smart bins took place following a successful trial of these units. The installation of these units has been concentrated in confined city centre areas on service route basis as this is the optimum way in which to benefit from the technology. As part of the installation 50 units were located throughout the 5 areas again in areas agreed with local Public Domain teams to assess whether the locations identified would benefit from the increased capacity of the units. 4 additional units were installed in the South Central Area following receipt of funding for these units from the area department.

A further installation of these units in the North Inner City was undertaken by the North East Inner City Task Force and a recent installation in Dublin Docklands has been undertaken by Smart Dublin / Dublin Docklands office. Both of these installations have been carried out with the agreement of the Waste Management Department in respect of the locating and servicing of the units.

There is no variation in the application of the criteria or policy in relation to the locating or supply of litter bins between the 5 areas.

To ask the Area Manager to ask Parks Department to set out the criteria and policy for locating ordinary waste bins, smart bins and dog fouling bins in parks in the South Central Area.

**Reply**

The placing of bins in parks is decided on an as-needed basis. Standard bins take all forms of litter including dog waste. Parks and Landscape Services will begin to trial Smart bins in a number of its parks in 2019 in locations where weekend use is particularly high.

To ask the Area Manager what cycling facilities have been provided in the South Central Area in 2017/2018 and what maintenance and repairs have been carried out to existing cycling facilities in that period.

**Reply**

Road Maintenance Services 2017 and 2018 South Central Area Works Programmes included carriageway resurfacing which would have incorporated some cycle lane resurfacing as part of these works. Records of every repair that Road Maintenance Services carried out do not differentiate between cycle lane and road carriageway.
