11 Motion referred from the South East Area Committee South East Area in the name of Councillor Mary Freehill

“In the interest of minimising dumping, that DSE LAC consider some method of providing a regular collection point to dispose of small to medium size household equipment.”

During the debate councillors agreed that the motion should be conveyed to the Environment and Transportation SPC and also asked if the proposal could have input from the Waste Sub-committee. Cllr. Flynn asked if it would be possible to send out a tender for firms to collect small items for transport to bring centres.
