8 Motion in the name of Cllr. Damian O'Farrell:

“That this Protocol Committee reviews the possibility of reducing the ‘20 years after death’ protocol whereby DCC waits for twenty years after an individual has passed away before considering whether or not to honour that person, whether for example a memorial or a park or road naming etc. Separately, and in view of time lag that a register and / or waiting list of approved nominations be considered in order to formalise and record decisions.”
