9 Motion in the name of Cllr. Ciaran Perry.

That this SPC notes with concern the BusConnects Blanchardstown to City Centre Core Bus Corridor Scheme was submitted to An Bord Pleanála without an opportunity for a proper public consultation on changes introduced since the final preferred route documents was published in March 2022. Given the importance and impact of the BusConnects project, at a minimum, a report should be presented to the Traffic & Transport SPC prior to progress on any of the major phases of the project.

This SPC will write to the NTA highlighting these concerns.
