To ask the Manager for an update on the Finglas Strategy, there is a lot of very disjointed planning applications going in particularly around the village area with no overall approach for the area. | |

| 8 | <u>Motion in the name of Councillor Noeleen Reilly.</u>

That this Area Committee expresses huge concern about the ongoing situation in Hampton Wood Drive where the fire alarms are consistently being set off, the fire extinguishers are being vandalised as well as people's property. There was recently a fire in the Carpark and residents did not respond when the alarms went off again assuming it was malicious. If these situations continue, I fear there will be a grave situation where people might get hurt. If the Council, Dublin Fire Brigade can be of assistance to Tuath in helping to deal with some of these issues, there as residents do not feel they are being listened to. | |
