AGENDA

TUESDAY 27 JUNE 2023

PAGE

Motion 6 South East Area Committee from Councillor Mannix Flynn
That this meeting of Dublin City Council calls on the Planning Department and CEO to include all planning applications for street furniture licenses on the Planning List; this gives transparency and the opportunity for the public residents and other concerned citizens to make observations in relation to such planning. There is no reason whatsoever that this planning process should not be included on the Planning List that I send out to customers on a weekly basis and they're published on Dublin City Council's planning website.
