That this North Central area committee requests that the manager agrees to partner up with the owners of newly opened Base Wood Fired Pizza shop in Killester and arrange the installation of a Pizza Box Bin in Killester, (similar to that which was done via the DLR Beta Project and in Fingal), in order to prevent the littering of the local area/filling up of litter bins with pizza boxes.

- b Motion in the name of Councillor Donna Cooney

That this North Central Area Committee requests that we and the Active Transport Office write to the NTA to support funding measures to prevent more motor traffic entering Richmond Road from the Drumcondra Road as part of the Swords bus connects route and that works take place including; filtered permeability, greening, planting, active transport route with residents participating in a liveable neighbourhood plan for Richmond Road.
