**Re: Rates Query raised at the Finance SPC Meeting**

Dear Fintan,

At the meeting of the Finance Strategic Policy Committee held on 16<sup>th</sup> March 2017, reports relating to rates on vacant properties and rates debtors for 2016 were presented.

During discussions that followed these presentations, a number of issues were agreed and I set out below a summary of same:

- It was agreed that a report would be provided outlining the rates liability that does not apply to properties administered by NAMA.
- It was agreed that report would be provided detailing the number of rates accounts being pursued through the court process for non payment.

The next meeting of the Committee is scheduled for Thursday 15<sup>th</sup> June 2017 and it would appreciate if you could arrange to forward a report on these matters for circulation to the members by Tuesday 13<sup>th</sup> June 2017.

Yours sincerely,

Kathy Quinn
