26th May, 2017

Dear Mr. Fitzpatrick

I refer to the forthcoming attendance by the Construction Industry Federation at the meeting of Dublin City Council's Finance Strategic Policy Committee (SPC) in City Hall on Thursday 15th June 2017 at 3pm.

The Finance Strategic Policy Committee Chairman, Councillor Ruairi McGinley, has asked that you discuss the following issues with the Committee, providing the Construction Industry Federation's perspective. Each of these issues has been raised consistently by the SPC members. The issues are:

- The impact of the use of pyrite in the construction process and the cost of necessary remediation works;
- The compliance with workplace related legislation for employees of subcontractors on public contracts (whether supplies, services or works);
- The structure of public sector construction contracts with regard to the making and settling of contract related claims.

I look forward to seeing you on 15th June 2017.

Yours sincerely,

Kathy Quinn
Head of Finance
