To the Chairperson and Members of
The Central Area Committee.

With reference to a Naming and Numbering Proposal for a Residential Development

This proposal is for a residential development which forms part of the Dominick Street Redevelopment Project and is located on the east side of Dominick Street Lower bounded by Dominick Place to the north and Parnell Street to the south

It will consist of 67 dwellings comprising twelve no. one-bedroom apartments, 50 no. two-bedroom apartments, and five no. three-bedroom apartments in a six-storey block, with associated balconies with three entrances onto Dominick Street Lower. There is also ground floor retail circa 2750sqm and a 350sqm community centre and 5 townhouses on Dominick Place.

Dublin City Council wants the development be named “**Dominick Hall**” for the Apartments and “**Dominick Place**” for the townhouses.

The Heritage Officer considers the proposed names appropriate.

The apartments will be numbered 1-67 Dominick Hall and the townhouses will be numbered 1-5 Dominick Place.
