Arts Bursaries 2017

The Dublin City Council Arts Office operates an annual programme of Arts Bursaries. A total amount of twenty thousand euro has been provided in the 2017 annual budget for this purpose. The process this year began on the 27th March 2017 with a public advertisement in a National newspaper and on-line. A total of seventy six applications were received as follows;

Visual Art: **27** applications
Dance: **5** applications
Drama: **12** applications
Literature: **12** applications
Music: **20** applications

An assessment panel was established for each Bursary category with either one or two external adjudications on each. Arising out of this process a number of Arts Bursaries are being recommended and are set out in the attached schedule. I am seeking approval for the payment of same.
