NOTIFICATION – OPENING OF REFRESHMENT KIOSK NORTH BULL WALL.

A tender was advertised on the etenders website for a vending trade concession at Bull Island in March 2017. Two submissions were received. Only one was deemed eligible and the Container Café Ltd were awarded the tender.

Dublin Port Company previously licenced an operator with a mobile unit for the provision of coffee tea/snacks on the North Bull Wall. This licence expired in April 2017.

The refreshment kiosk comprises two small steel containers, one for serving refreshments and the other for sheltered seating, which will be placed on the existing concrete plinth alongside the existing toilets.

This is a temporary structure.
