A Chara

At a meeting held on the 8<sup>th</sup> May 2017 of South Dublin County Council, members agreed to circulate the following to all Local Authorities for support.

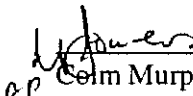

"In regards to Cyberbullying and children, we ask SDCC

1) That SDCC look at what can be done in Libraries in all of SDCC to combat this growing and worrying issue. To ask that a campaign be looked at to deal with this issue that poses a serious threat to many children within our area. This should include all types of Social Media.

2) That SDCC write to the Minister for Children , Minister for Justice and Minister for Education and ask that they work together to combat this serious matter with both Legislation and an Education programme in our schools and Education campaign for Parents"

Copy it to all other City and County Councils.
