Update for Dublin South Central JPC Meeting on Restorative Practices 2017

Steering Group meetings

The Restorative Practice steering group for Dublin 10 has met 8 times during 2017. The steering committee is open to representatives from a range of statutory and non statutory services from the Dublin 10 area. Local Council staff and Garda representatives are on the steering committee.

Activities Update

Training in Restorative practise has been provided to Youth Organisations including Familibase and Ballyfermot Star, to St Ultan's and St Dominic's schools. Community of practise meetings have been held quarterly to advance peoples knowledge of restorative practice.

Restorative Practices Co-Ordinator

The Restorative Practices Co-Ordinator is working with Residents and community organisations throughout Cherry Orchard to roll out a restorative practise programme called "Whats the story" which supports residents to develop their voice so as to move towards getting the best for themselves and their community.
