

Grant towards the running costs of private swimming pool at Trinity Sports & Leisure

An application has been received for financial assistance towards the running costs of the private swimming pool listed below, for the year 2017. The Pool Administrator has submitted accounts showing the operating costs. The swimming pool is open 7 days a week and caters for members of the public, children's swimming lessons, adult swimming lessons and parent and toddler swimming and groups and other schools in the area.

Dublin City Council has supported this facility financially over the years to ensure that the swimming pool remains open for public use as the Council does not operate a swimming pool / leisure centre in this area. The grant is conditional on the swimming pool being available for public use. The grant being recommended is the same as the grant in 2016. The swimming pool would not be available to the public without the financial assistance of Dublin City Council.
