

Central Area Office
51/53 Sean McDermott Street
Dublin 1

4th December 2017

To the Chairperson and Members of
The Central Area Committee.

GDA Report – December Area Committee

The GDA are submitting a planning application for the planned new Educate Together Primary school on the Grangegorman site which will fall under the SDZ planning scheme.

The GDA also now propose to apply for planning permission to carry out works on the triangle at the Rathdown Road/ Grangegorman Upper junction to address the safety issues there. This will be a normal planning application.
