

Audit Committee Charter and Work Programme 2018

Audit Committees are required, under Article 8 and 9 of the Local Government (Audit Committee) Regulations 2014 to (a) operate in accordance with a written charter that shall be adopted by the Local Authority with or without amendment and (b) to prepare an annual work programme that shall be adopted by the Local Authority with or without amendment, respectively.

At a meeting of the Audit Committee held on the 7th December 2017, the Committee approved the Charter set out in Appendix A and also agreed the 2018 Annual Work Programme set out in Appendix B. Both documents were prepared in accordance with the above referred to Regulations and the Guidance Notes issued by the Department of the Environment, Community and Local Government.

There are two proposed amendments to the current Audit Committee Charter, as follows:

1. The deletion of the following from Article 2.1:

“This will incorporate a review and consideration of all aspects of the financial cycle within Dublin City Council from budget preparation and adoption, monitoring of income and expenditures through to the completion of the annual financial statements”

The Audit Committee considered that this was too prescriptive and encroaches on the role/function of the Executive.

2. Under Article 10 on Protected Disclosures (Whistleblowing):

The wording “will arrange to put in place a protocol” to be replaced with “a protocol has been put in place”

The Audit Committee 2018 Work Programme is similar to the 2017 Work Programme. However, it is proposed to delete a reference to a recommendation by NOAC in Report No. 7, “Local authority Rates Collection 2013-2014”, which was a once-off requirement.

Accordingly, I now submit the amended Audit Committee Charter and 2018 Work Programme to the City Council and I recommend that they be formally adopted.
