**To the Chairperson and Members of  
The Central Area Committee.**

**Central Area Age Friendly Report – January 2018**

An initiative was undertaken through the Central Area Age Friendly strategy which was funded by the NEIC taskforce in 2017. This was to develop a Men's Shed and community garden facilities in Rutland Street community garden. The D1 Men's Shed is now up and running with over 14 members and facilities are now also available to the members of the community garden. The community development section are working with local agencies to support the further development of this project.
