Following discussion with the City Council's Head of Finance, the Chairperson of the Finance SPC, Councillor R. McGinley, “asked that the North West Committee be advised that his response, as Chair of the Finance SPC Committee, is that this is a matter for the North West Area Committee to consider either as part of its discretionary fund allocation or to seek information from the Environment and Transportation Department as to whether this project is included in the Capital Programme 2018 to 2020.”

A copy of the original report submitted to the North West Area Committee is attached.
