1	7000234		Stop Sign	CLANMAURICE ROAD (NC)	Dublin 5	Stop Sign	at junction Clanboy Rd	Minister	07/11/2017 12:46	Not Recommended	Clanboy Road ends at a T junction with Clanmaurice Road. Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates. Therefore this request is not recommended.	0
2	7000387		Double Yellow Lines	GREENDALE ROAD (NC)	Dublin 5	Double Yellow Lines	for yellow lines (single/double) on one side of the road near the shops.	TD	14/11/2017 15:39	Not Recommended	At over 8m wide the carriageway can accommodate parking on either side of the road without interfering with traffic flow	0
3	7000501		Double Yellow Lines	WINDSOR AVENUE (NC)	Dublin 3	Double Yellow Lines (Extend)	St Mary's National School are looking for a review of the current double yellow lines to see if they are adequate.	Member of the Public	21/11/2017 12:57	Not Recommended	Double yellow lines have been provided at the most appropriate locations adjacent to the school entrance on Windsor Ave. These include restrictions on either side of the lane itself and on the southern side of the entrance on the western side of the carriageway. On the eastern side of Windsor Ave Double yellow lines have been provided opposite the entrance lane fronting nos. 8 to 10 Windsor Ave. Restrictions on the west side of the carriageway north of the entrance lane are not necessary because parked vehicles do not interfere with traffic exiting the lane as it is a one way street. Traffic exiting the lane can only turn right. Therefore further parking restrictions are not recommended.	0
4	7001342		School	MCAULEY AVENUE (NC)	Dublin 5	School Warden	School Warden / Dishing on kerb at Scoil Neasin	Internal	22/01/2018 12:52	Recommended	It is recommended that a school warden be provided at the pedestrian entrance to Scoil Neasin. To facilitate the School Warden it is also recommended that the existing grassed margin be paved over from a point 6m west of the existing speed ramp for a distance of 2m to facilitate a school warden crossing point. An M121 School Warden Crossing Patrol Point (yellow box) should be provided centered on the new paved area.	0
5	90046151	SP_31329	Yellow Box	MALAHIDE ROAD (NC)	Dublin 3	Yellow Box (Extend)	roundabout that connects Malahide Rd to Donaghmede Road R139	Member of the Public	13/05/2016 12:45	Not Recommended	The existing yellow box on the roundabout at the exit from Templeview Estate extends across both inner and outer traffic lanes. When observed correctly this measure is adequate to maintain traffic flow and prevent blocking access to the roundabout. Therefore extending the box is not recommended.	0

6	90051319	SP_40222	Children Crossing	CASTLE GROVE (NC)	Dublin 3	Children Crossing Sign	at entrances to Castle Grove	Member of the Public	12/09/2017 12:39	Not Recommended	With regard to ""children crossing" signs (W142) Signs are generally only provided at the entrances to housing estates from main traffic routes, and roads adjacent to large public open spaces where children play. These signs are not normally erected on main roads, traffic calmed roads or cul de sacs. As Castle Grove does not meet the criteria, Children crossing signs are not recommended.	0
7	90051643	SP_40553	Double Yellow Lines	THORNVILLE ROAD (NC)	Dublin 5	Double Yellow Lines	at the entrance to the cul-de-sac on Thornville Road (No. 13-47a)	Councillor	03/10/2017 00:00	Recommended	Following investigation it is recommended that double yellow lines be provided on either side of the entrance to the Cul de sac on Thornville Road for a distance of 15m. This measure is to facilitate access and visibility and also to maintain clearance at the footpath dishings.	0
8	90051708	SP_40622	Children Crossing	CASTILLA PARK (NC)	Dublin 3	Children Crossing Sign	Entrance just off Vernon avenue	Member of the Public	04/10/2017 00:00	Not Recommended	As ""children crossing" signs (W142) generally are erected only at the entrances to roads of a primarily residential character with continuous frontage. Signs are only provided at the entrances to housing estates from main traffic routes, and roads adjacent to large public open spaces where children play. These signs are not normally erected on main roads, traffic calmed roads or cul de sacs. As Castilla park is a cul de sac with no large public open space a "children crossing" sign is not recommended.	0
9	90051824	SP_40738	Double Yellow Lines	WOODBINE PARK (NC)	Dublin 5	Double Yellow Lines (Extend)	on the road	Member of the Public	10/10/2017 00:00	Recommended	Following investigation it is recommended that double yellow lines be provided for 15m on either side of the entrance to Woodbine Park in order to improve visibility and maintain access to the footpath. STAT:15m dyls centered on either side of the junction of Woodbine Park and Raheny Road.	0
10	90051888	SP_40802	Double Yellow Lines	CROMCASTLE GREEN (NC)	Dublin 5	Double Yellow Lines	outside school	Member of the Public	12/10/2017 00:00	Not Recommended	Parking restrictions by way of "school keep clear" markings have been provided where appropriate at the entrances to Scoil Fhursa at Kilbarron Park and Cromcastle Green. Additional restrictions are not recommended as the Traffic Dept. is of the opinion that the provision of additional restrictions such as double yellow lines or set down parking areas will not alleviate the problem of illegal or otherwise parking by parents. In general, there is a disregard for double yellow lines by parents. Where restrictions are provided and observed parking is usually shifted further away to locations that impinge further on local residents living near schools. In the event that parking restrictions are ignored by parents, it is not feasible to provide enforcement at schools in Dublin. The Gardai or Dublin City Council's parking enforcement contractor do not have the resources to patrol all schools.	0

11	90051945	SP_40859	Children Crossing	GRANGEMORE RISE (NC)	Dublin 13	Children Crossing Sign	For entrance to Grangemore Rise	Member of the Public	18/10/2017 00:00	Not Recommended	Grangemore Road is a short cul de sac, The Traffic Advisory Group have reported that 'Children Children' signs are not recommended on traffic calmed roads or cul de sac's, in accordance with the City Council's criteria for the provision of such signage. Therefore "a Children Crossing" Sign is not recommended. Signs are normally only provided at the entrances to housing estates from main traffic routes, and a W142 children crossing sign has been provided at the entrance to the estate at the junction of Grange Road/Grangemore Road.	0
12	90052022	SP_40936	Yellow Box	SAINT ASSAM'S ROAD WEST (NC)	Dublin 5	Yellow Box (Extend)	outside library on the Howth road to aid exit from St.Assam's Road West	Councillor	20/10/2017 00:00	Recommended	The existing yellow box on the inbound carriageway is to be extended 5m eastwards to facilitate egress from St.Assam's Road West.	1
