### DUBLIN CITY SPORT & WELLBEING PARTNERSHIP

19<sup>TH</sup> FEBRUARY 2018

- The **Lord Mayor's 5 Alive Challenge** is back for 2018! The initiative is a partnership programme between Dublin City Sport & Wellbeing Partnership and the Lord Mayor's Office. The Challenge is in its 6th year and has encouraged hundreds of people to take up regular exercise over the past 5 years.

This year we are going back to our roots and have targeted people who are interested in taking up jogging or those who have started and need some encouragement to keep it going. For 2018, we have also introduced Mentors - people who have completed the Challenge in previous years and who will run with slower joggers/walkers and encourage them around the course.

The Challenge is to complete 5 Dublin road races –

Tom Brennan Memorial 5k New Year's Day Road Race on 1st January

AXA Raheny 5 on 28th January

BHAA Garda Cross Country 2 Mile/4 Mile on 3rd February

MSB St. Patrick's Festival 5k Race and Family Fun Run on 18th March

BHAA Dublin City Council 10k race on 7th April

The Tom Brennan Memorial 5k took place in the Phoenix Park on New Year's Day. It was a cold and breezy day but there was a great atmosphere amongst the committed and enthusiastic Five Aliver's helped along by their Mentors who provided great support.

The **Raheny 5 Mile** was a huge success for our Five Alivers with some saying that it was the furthest they had run or the first time they had run five miles without stopping.

### **Boxing Development Officer Update**

It is delivered by our 5 dedicated IABA/DCSWP Development Officers via local schools (primary & TY level) in communities across the Dublin City area. Approx 2,000 young people take part each year.
- Mid February, the Bronze programmes will be coming to an end. All interested participants will progress from Bronze to the Silver stage, in March, where sessions will become more intense and technical. In the Silver, participants will wear headgear and gumshields for the first time as we conduct body-sparring sessions and this gives us a better idea on whether or not the student will have what it takes to continue to the Gold. Schools that will be visited in this period include 6th class St. Francis SNS Priorswood, St. Davids Artane Transition Year, 6th Class Scoil Chiaran Donnycarney boys.
- Students are weighed and graded in the Silver for suitable sparring, as we progress

Every child involved has shown ability to play rugby regardless of Autism Spectrum Disorder, Down Syndrome or other reasons that they require a little extra help. Many of their brothers and sisters play rugby, now these boys and girls have their own team. The team is being led by a group of rugby coaches (including our own Leinster Rugby/DCSWP Development Officer) and volunteers with a particular interest in promoting the abilities of these children. The coaching group draws on active players, ex-players, teachers, special needs assistants, and academics focusing on people with special needs.

## Rowing

- **Get Going ... Get Rowing**

This initiative, jointly supported by DCSWP, Sport Ireland, Healthy Ireland, Active School Flag & Trinity College, has been successfully rolled out for a number of years by Rowing Ireland's Leinster Women's Development Officer, Michelle Carpenter. A Transition Year Programme gives students the opportunity to get on the first step of the coaching ladder and enables them to be involved in a youth leadership role, working in a fun and interactive environment with younger students and hence, bringing value to the school.
