WHAT IS CREATIVE IRELAND... REALLY?

... a **culture-based programme**
designed to promote individual,
community and national **wellbeing.**

... IT REALLY IS ABOUT CREATIVITY

... a set of innate abilities and learned skills: the capacity of individuals and organisations to transcend accepted ideas and norms and by drawing on imagination to create new ideas that bring additional value to human activity.

...AND CULTURE – NOT JUST ‘ARTS & CULTURE’

The shared values, patterns of behaviour, customs and forms of expression that characterise different social groups and communities - at any given time.
