Re: Review of Local Property Tax

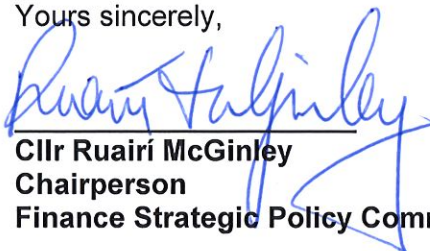

Dear Minister Murphy,

At the meeting of Dublin City Council's Finance Strategic Policy Committee on 18th January 2018 the Minister for Finance's recently announced review of the Local Property Tax was discussed.

It was agreed that the Finance Strategic Policy Committee would prepare a submission from a Dublin City Council perspective to the cross-departmental working group and it was further agreed that a meeting with the Minister for Finance or the Working Group established would be requested.

The review of the Local Property Tax is of fundamental importance to the future funding of Dublin City Council and bring your attention to the fact that the City Council is currently a net contributor to the tax. The Committee Members have issued correspondence to the Minister for Finance seeking an opportunity to present their views on this matter with him or the Cross Departmental Working Group.

Yours sincerely,

Cllr Ruairí McGinley
Chairperson
Finance Strategic Policy Committee
