

COMHAIRLE | CLARE
CONTAE AN CHLÁIR | COUNTY COUNCIL

13th March, 2018.

Our Ref: March 18-28/CG/MMcI

To Each Local Authority.

A Chairde,

I set out below the terms of resolution adopted by the members of Clare County Council at their March monthly meeting:-

“That Clare Council request the Minister for Communications, Climate Action and Environment in view of the recent study findings issued by NUIG that 73% of deep water fish living in the North West Atlantic Ocean had ingested micro plastic, which is one of the highest recordings found worldwide; to tackle this ticking time bomb before it is too late.”

It was agreed that the terms of this resolution be circulated to each local authority and I would be obliged if you could bring this to the attention of your elected members for their consideration.

Is mise, le meas,

Carmel Greene,
Senior Executive Officer,
Corporate Services Department,
Finance and Support Services Directorate.
