**To the Chairperson and Members of
The Central Area Committee.**

GDA Report – April Area Committee

Construction work is about to commence on two new DIT Quads in Grangegorman. These two buildings, once complete, will provide a new home to over 10,000 DIT students and staff. This is over half of the overall number of students studying in DIT.

The contract is being undertaken by the Eriugena consortium, which includes Sisk & Son (Holdings) Ltd and FCC Ireland Ltd as the construction contractors.

If you require further information please phone **01 4024140** or e-mail communications@ggda.ie.
