North Central Area Committee**

Update on Kilbarron Road

Regarding the proposed parking scheme on Kilbarron Road cul de sac to the rear of Beaumont Hospital.

The concrete plinth has been removed and a new concrete surface has been provided. A site meeting was held on 23/4/18 with local residents to discuss the implementation of the scheme and the one way system being introduced.

It was agreed to alter the proposed parking layout to take into account the concerns of the residents regarding the parking restrictions proposed on the southern side of the scheme. The traffic officer is currently liaising with the residents on the logistics of removing parking temporarily in order for the scheme to be marked out and fully implemented.
