

Casino park footpath and parking up grade works

Dublin City Council are proposing to upgrade the footpaths and parking areas in Casino Park, particularly the area bordering the park and entrance to St Vincent's GAA club later this year.

Attached is a map of the intended upgrade works, the areas showing red highlight the parking areas and areas showing grey are highlighting the footpaths.

Works are due to commence early Q4 this year and last for approximately 3-4 weeks.

Proposed work schedule;

- House number 1-6 upgrade footpaths
- House number 7-17 parallel parking bays and upgrade footpaths
- House number 18-97 two parallel parking bays and upgrade footpaths
- House number 98-106 parallel parking bay and upgrade footpaths

The attached leaflet and map will be distributed to the resident in Casino Park by week ending the 25th of May.

Contact details for the liaison officer will also be included.

Next steps

- Consult residents
- Survey Casino Park estate
- Agree final design
- Tender / appoint contractor
