**With reference to a Naming Proposal for a Development at Point Square, Dublin 1**

---

This is a commercial development on a site at Point Square, Dublin 1.

The developer has requested that the development be named “**The Exo Building**” and the address to be “**The Exo Building, Point Square, Dublin 1**”.

The Heritage Officer considers the proposed name appropriate. The proposed name is derived from the large scale exoskeleton exposed steel trusses of the structure. The architectural expression is inspired by the Docklands location and the trusses will be painted in a similar blue to that of the structures in the dock.

The name “**The Exo Building**” is considered suitable and is recommended for adoption.
