

- **Dublin Sports Fest**

DCSWP's flagship event will take place during European Week of Sport (September 23<sup>rd</sup> – 30<sup>th</sup>). The focus will be on encouraging participation across all ages, backgrounds & abilities and, importantly, sustainability. There will also be the added bonus of the chance to showcase DCC's many sport & recreation facilities.

The festival will comprise of a week-long programme of events across many of DCC's facilities, parks and urban spaces. We will look to link with many of the sporting NGB's/sports clubs across the city and encourage them to participate in the festival by hosting open nights, taster sessions, blitzes etc...

We hope to develop a promotional pack to assist them with this. Larger clubs may have the capacity and resources to deliver bigger one-off innovative events that could feature as one of the headline attractions on our Programme of Events for the week.

We also hope to link with schools and third level institutions in addition to curating links with some corporate entities in order to deliver some fun & novel workplace wellbeing initiatives during the week (e.g. silent disco, lunchtime tai-chi, outdoor spin, tug of war, relay race, dance flashmobs etc...)

A large element of Dublin Sports Fest will involve tying in with pre-existing events such as the Great Dublin Bike Ride, Sport Ireland's Family Sportsfest in the National Sports Campus and Parkrun etc... (i.e. turning Parkrun blue for the weekend in question)

Other big ticket events proposed for the week include:

- Tag Rugby event in Trinity College
- *Liffey Odyssey* event comprising of a flotilla of small craft including kayaks, canoes, rafts etc... that will go on a leisurely journey from the Garda Boat Club in Islandbridge right through the city centre to the 3 Arena - run on behalf of DCSWP by Ballyfermot Outward Bounds Adventure Centre and some other partners
- Large scale 5-a-side soccer tournament - the FAI propose to run this as a pilot for a similar initiative they hope to deliver as part of the Euro 2020 Legacy Programme
- DCSWP's Older Adult Sports Day will take place during this week
- *and many more!*

As the week of Dublin Sports Fest also coincides with *Positive Ageing Week* and *National Fitness Day (28th September)*, we will endeavour to speak to the organisers of these initiatives to see if any of their events can come under the umbrella of Dublin Sports Fest.

This initiative, jointly supported by DCSWP, Sport Ireland, Healthy Ireland, Active School Flag & Trinity College, has been successfully rolled out for a number of years by Rowing Ireland's Leinster Women's Development Officer, Michelle Carpenter. This is a 4/6 week school's programme for girls (second level). Rowing Ireland provide rowing machines and a community coach to the schools.

A Transition Year Programme compliments the above by giving students the opportunity to get on the first step of the coaching ladder and enabling them to be involved in a youth leadership role, working in a fun and interactive environment with younger students who will be taught values such as fair play, respect, dignity etc...

- **2017/2018 Review**

So, we take stock of the *Get Going...Get Rowing* programme a few weeks from the end of what has been a bumper academic year in terms of introducing rowing to new schools and students.

We held our biggest ever #Blitzit event in Dublin City on Friday 10<sup>th</sup> November with over 900 students attending the third annual competition in Trinity College Dublin. We also had our #Blitzit *Splash and Dash* on the water in Grand Canal Dock on Friday 20<sup>th</sup> April 2018 which was a tremendous success. The sun shone, the weather stayed dry and we had 57 crews from our Dublin schools taking part, in addition to our partners who contested the partner's race. This event is the culmination of the indoor coaching and on-the-water sessions provided by the programme.

The *Get Going ... Get Rowing* programme will be complimented by Summer Camps for those students who wish to take their introduction to rowing to the next level and create a pathway to sport and physical activity for life.
