The Chairman and Members of
North Central Area Committee.

With reference to a proposal to initiate the procedure for the
Extinguishment of the Public Right of Way over a laneway at
1-5A Cecil Avenue & 7 Marino Avenue, Dublin 3.

Proposal

A request to have the public right of way extinguished over the laneway at 1-5A Cecil Avenue & 7 Marino Avenue, Dublin 3 was received from the residents whose properties abutt the laneway. The reason for the closure is to prevent anti-social behaviour & illegal dumping in the laneway and to improve the safety and security of their homes. The proposed method of closure is by means of a lockable gate. Residents are willing to provide access to all services that may require access. The extent of the proposed extinguishment is shown on Drawing **RM 37020** (copy attached).

Service Checks

A service check has been initiated.

Statutory Requirement

The statutory procedure involves giving public notice of the proposal in one or more newspapers circulating in the City and the affixing of that notice at each end of the right of way for a period of not less than 14 days. Any objections or representations made and not withdrawn shall be considered. The extinguishment of a public right of way is a function reserved to the elected members of the City Council.

Recommendation

I recommend that procedures be initiated under Section 73 of the Roads Act 1993 to extinguish the public right of way over the area indicated on Drawing **RM 37020**
