8 Emergency Motions

Standing Orders was suspended to take the following Emergency Motions: -

Emergency Motion (as amended 20/6/18) from Councillors Daithí Doolan, Greg Kelly and Criona Ní Dhálaigh.

That Dublin City Council's Housing Department acquires the former depot on Davitt Road for the construction of social and affordable housing and brings a full feasibility report to the next South Central Area Committee meeting.

Order: Agreed.

Emergency Motion from Cllr. Hazel de Nortúin

This Council calls for an immediate investigation into the demolition of a family home (mobile home) in Labre Park, Ballyfermot, Dublin on Thursday, June 14th.

We call on Chief Executive Owen Keegan to conduct a full investigation into the horrific incident in Labre Park on Thursday 14th June 2018 where a family's home (mobile home), containing personal belongings and the history of their lives including photos and irreplaceable sentimental items were destroyed under instruction by Dublin City Council.

This investigation must include;

Why and when was this action instructed?

Who was aware of this action and what was the line of communication to issue the demolition of a home?

What instructions and information was given by DCC to the contractor who demolished the family home?

When were these instructions given?

What is the legislation and what are the DCC policies in relation to the demolition of a home?

What is the legislation and what are DCC policies in relation to instructing third parties to enter and remove belongings from a family home without the family's knowledge or consent?

What steps had the council taken to ensure the rights and protection of the family?

What is the legislation required to be followed when such action is taken?

What evidence do DCC have that the requirements and protections of legislation were adhered to?

What evidence do DCC have to show that the rights and protections of the family were abided by?

Order: Agreed. Meeting arranged for 5,30pm in the Chamber to discuss this matter.

DUBLIN CITY COUNCIL
SOUTH CENTRAL AREA COMMITTEE
20th June 2018

602 Cllr Críona Ní Dhalaigh

That the Area Manager carry out an audit of vacant units belonging to DCC in the Dublin South Central area. There is a huge demand for premises particularly in the South West Inner City area for community / voluntary / charitable organisations who cannot afford the increasing rents in the area. Some organisations such as SOLAS will cease to function in the area at a huge loss to the youth of our area. Shannon's Hopeline which delivers much needed suicide prevention training and counselling have for years been trying (unsuccessfully) to source affordable units in order for them to continue and expand their valuable services. The loss of Carman's Hall was a huge blow as it provided very reasonable rooms for rent for dancers, majorettes, musicians, after schools clubs. Could the Manager please report on the following units in particular:

- The Old School in School Street
- The large Ground floor space at Eblana house
- Bridgefoot Street (Usher's Island)
- The Coombe (80)

Could the Manager also report on what if any plans there are for the space at Marrowbone Lane next to the Community Centre.

Order: Agreed. Report to Councillors

603 Cllr Vincent Jackson

Can Dublin City Council facilitate the closure of Chapelizod on the Sunday of the Chapelizod Festival, 1st July, to allow a safe non traffic environment for 4 to 6 hours. This can be done for road-races, concerts etc. Now it's our chance to support the local residents who will supply stewards, barriers, music etc.

Order: Agreed.

604 Cllr Michael Mullooly

This Area Committee asks the Area Manager to carry out an audit of street/road signs in the Crumlin Kimmage Area with a view to a work programme to repair, reinstate and replace damaged and missing signs.

Order: Agreed.

605 Cllr Greg Kelly

This Area Committee calls on Senator Ronan Mullen to resign his seat in the Seanad with immediate effect for the disgraceful remarks he made in relation to Mental Health during the referendum. On the 24th May on a live debate, Senator Mullen stated "Mental Health has no evidence base" this has caused a lot of hurt to individuals and families who have seen the pain that mental health can cause. For a member of the Seanad to make this remark is a disgrace and they should not hold a seat in Leinster House.

Order: Agreed

606 Cllr Daithi Doolan

This Area Committee notes the great work being done by the Cherry Orchard Running Club and this committee commits to providing funding, if available, to support the work of the club from the South Central Area Committee's Discretionary Fund for 2019.

Order: Report to Councillor. (Note: Cllr Dunne did not support this Motion).

607 Cllr Hazel de Nortúin

This Area Committee fully supports the campaign for a Gaelscoil in Ballyfermot. If lands are to become available, particularly zoned for educational purpose, that this Council allocate a portion of this land for the purpose of a Gaelscoil.

Order: Agreed.

608 Cllr Ray McHugh

This Area Committee agrees in light of the Industrial dispute between workers at Xylem Water Solutions for Union recognition, this Committee agrees to call on Dublin City Council and all Councils, to put the necessary measures in place to deal with non compliant contractors. Currently there is public sector agreements in existence but are not enforced in any way by Dublin City Council.

Order: Agreed. Report to Councillors.

609 Cllr Críona Ní Dhalaigh

That this Area Committee support the calls for the VAT to be removed from sun protection products. These products are not luxury items and given the increase in skin cancer cases in Ireland it is vital that sun protection products are affordable. We also call on the relevant ministers to act immediately to address this.

Order: Agreed.

610 Cllr Vincent Jackson

In relation to the recent series of Forbidden Fruits concerts in the grounds of the Royal Hospital Kilmainham, Dublin 8, I wish to point out if these concerts are to be facilitated at this location the following must be looked at:- security and traffic noise levels. Residents have told me they were prisoners in their own homes for a week when the concerts were taking place. Alternative entrances are available into the Royal Hospital and these need to be looked at, in line with meeting representatives, for the local residents who have to live with the consequences of DCC events division giving the go-ahead. One of those affected would love to explain at firsthand what was happening and have filmed people crossing the Camac River to pass security etc.

Order: Report to Councillors. The Councillor to pass on specific details to the Area Manager.

611 Cllrs Michael Mullooly, Greg Kelly, Hazel de Nortúin, Pat Dunne & Vincent Jackson

This Area Committee condemns the decision by the Department of Education to exclude Dublin 8 and Dublin 12 from the catchment area of the proposed co-educational, multi-denominational Post Primary School in Harold's Cross.

Order: Agreed. Agreed to write to the Minister for Education.

612 Cllr Greg Kelly

This Area Committee commends the Argentina Football team who refused to play a friendly game against Israel. This we hope will be followed by other countries and asks the FAI not to arrange any games against Israel in the future. This Area Committee asks that a letter be sent to the Argentinean Ambassador to Ireland thanking them on behalf of the Area and to wish them good luck in the World Cup.

Order: Agreed. Agreed to write to the Argentinean Ambassador.

613 Cllr Vincent Jackson

That Dublin City Council give consideration to the Cherry Orchard Running Club to come in and make a presentation in September 2018, with a view to supporting this project with a part-time coach in order to allow the group grow. Cllrs. Norton, Doolan and myself recently met a large group from the club and heard at first hand the wonderful experience running was having on their body and soul.

Order: Agreed. (This motion was taken with Item 5 (ii)).

614 Cllr Vincent Jackson

That Dublin City Council take full responsibility for the daily cleansing of the front of the Ballyfermot Leisure Centre at the Lawns Park / Blackditch Road, Ballyfermot, Dublin 10. I cannot understand why this area is not in charge of the Leisure Centre. We have spent 10`s of millions of euro on the development of Sport and Youth facilities and almost on a daily basis the area is in disgraceful state. A staff member needs to have this task incorporated into his / her tasks and twice a day it needs cleansing. If any other business left the area in the state I regularly see the area left they would be prosecuted by Waste Management Services. I am well aware there are ongoing difficulties at this location however someone needs to take responsibility for same.

Order: Agreed.

Revised Part VIII for Dolphins Barn Village Public Realm Improvement Plan.

A Part VIII Planning Application was advertised on May 16th for a Proposal to undertake a Public Realm improvement plan for Dolphins Barn Village. However, on inspection of the planning application it was considered that the content was in contravention of the minimum requirements as set out in Article 22(4) (a) of the Planning and Development Regulations 2001 (as amended). New Drawings have been prepared that will comply with the Regulations and it is proposed to readvertise in the coming week.

CRUMLIN/KIMMAGE ELECTORAL AREA

South West Inner City Area Report

The Area office has Shopfront Improvement Schemes in place for The Liberties and Dolphin's Barn Rialto. The Liberties scheme has attracted 10 applications to date with 8 projects completed or underway. There is very positive interest on Meath Street in particular, which is an area of particular focus for this year's scheme. The scheme for Dolphin's Barn and Rialto has been advertised to all businesses in the area and has attracted 5 applications to date, with 3 more expected. The closing date for the scheme is 29th June.

The Liberties Festival 2018 will take place from 18th to 22nd July. The festival is organised by SICCCA, who this year engaged a local events management company to run the festival. The community development and business departments have engaged with the festival organizers to assist as they can. The Liberties Fun Run 2018 in aid of St James's Hospital will take place in conjunction with the Festival on Wednesday 18th July.

St. Audoen's Park, High Street

Works to enhance St. Audoen's Park by improving accessibility, permeability and circulation commenced in October 2017 with the park due to reopen in July. The reconfigured western entrance will incorporate a play garden.

Bridgefoot Street Park

Detailed design works are almost complete and it is expected that tender documents will be issued in July. Construction works will commence shortly after the tendering process is complete.

High Street/Cornmarket

Works to 'green' the central median at High Street have commenced and will mirror the Nicholas Street project of 2016. The existing concrete is being removed and replaced with extensive planting including 16 new London Plane trees which are replacing 14 damaged and diseased trees. Works on High Street should be completed by the middle of July whilst similar planting in Cornmarket will take place later in the year.

St. Luke's Church

The conservation of St. Luke's Church is complete with the building now being used as office accommodation. The City Council is creating a small urban park in the north graveyard (facing St. Luke's Avenue) and carrying out improvements to the south graveyard (access via Newmarket Square). Works to both graveyards commenced in June 2017 and are due to be completed shortly. It is planned that the park facing St. Luke's Avenue will operate with normal park opening hours whilst the south graveyard can be visited by appointment.

Islandbridge Court

Tenders have been received for the installation of a hard surface MUGA (multi use games area) in Islandbridge Court and are being assessed at present.

Bluebell

The preferred bidder for the all weather pitch has come back with a works programme. They intend to commence works on Monday 16th July, 2018, with a proposed finish date of 2nd November, 2018. The Bluebell Community Council will be kept informed of developments regarding the pitch by DCC officials.

Housing Report

St. Teresa's Gardens

Phase 1 of the St. Teresa's Gardens Regeneration Masterplan is now complete following the demolition of the 6 blocks on the Eugene Street side of the site. The 4 vacant blocks on the south side have also been demolished.

A new part 8 Planning Application for 4 additional housing units (increasing the number of houses/apartments to 54), amendments to previously permitted residential units, demolition of remaining 2 blocks, an enhanced park and an interim pitch was lodged on 12th March. A report in relation to the Planning Application is included on the agenda for the May Area Committee meeting. Tenders for the updated new build are due to be issued shortly with a view to construction works commencing in Quarter 3.

Tenders are due to be issued in Quarter 2 for Precinct Improvement Works in the area between the refurbished blocks. Works will include a small playground, hard and soft landscaping, enhanced lighting, CCTV and painting. Works are planned to commence in Quarter 3 this year.

New build enabling works commenced on 22nd January and are due to be completed in May. The works include drainage, enlarging some gardens on Eugene Street, demolition of 23, 24 and 25 Eugene Street and the removal of contaminated soil.

The Development Framework Plan for St. Teresa's Gardens was endorsed by Councillors on 3rd July 2017. The Plan includes housing, community facilities, parks, open space and traffic alignments.

Dolphin House

A part VIII planning application was approved at the October 2014 City Council meeting for demolition, new build and refurbishment at Dolphin House (phase 1). A total of 96 existing flats will be replaced by 100 new units. The demolition of the 2 'canal' blocks was completed in early 2016 whilst the new build and refurbishment commenced on 17th October 2016 and are progressing satisfactorily. Work is scheduled to be completed in autumn 2018.

Planning permission was granted to Fold Housing Association in November 2016 for 42 units of older persons apartments with a community centre at a site to the rear of the football pitch. A 'sod turning' event took place on 27th April with the Minister for Housing, Planning and Local Government and the Lord Mayor in attendance. It is the intention to transfer the existing tenants in Dolphin Park to the new dwellings which are scheduled to be completed in Quarter 1 of 2019. Dolphin Park, which consists of 44 bedsits, would then be demolished to allow for new housing to be developed on the site.

The 48 residents of the 'long blocks' were contacted in February in relation to phase 2A of the project.

South West Inner Public Domain Report

An intensive clean of Merchants Quay and Bridge St. has been completed. Meath Street and Francis St will be next.

Smart Bins are currently being located at high volume sites – allocation of 3 bins along bus stops at Heuston Station. A smart bin will be placed at the Coombe Hospital on Cork St. and 2 at Cornmarket. The cast iron bins will be removed from High St and repositioned in suitable locations in the area. .

A maintenance programme has begun to include painting of decorative lamp standards along Thomas Street and Marrowbone Lane.

Street furniture in the form of 3 tiered planters have been placed at Cornmarket and St. Catherine's Church.

Graffiti removal is a high priority in the area. Oliver Bond St, Island St, Bridgefoot St. Steevens Lane, Swifts Alley & Carmans Hall have all been treated. Dublin Canvas will be treating 5 Traffic Signal Boxes in the locality. "Geometrical Calligraphy" by Aprar Elawad on SCR near the Mosque is complete along with "Flower Box" by Vini Bustamante at Donore Ave. Dn. 8

Crumlin/Kimmage Area Report

Crumlin Village Environmental Improvement Scheme

Works to upgrade the public domain of the east side of Crumlin Village from the junction with Windmill Road to St. Agnes Park, i.e. between An Post Sorting Office and the Garda Station commenced on 5th March.

The works include:

- The replacement of the existing footpath with cobble lock and slabs similar to the west side of the road
- The removal of the overhead electrical cables and replacement of existing lamp posts with posts similar to those that were installed on the opposite footpath in 2008.
- Provision of an automated pedestrian crossing at the Crumlin Village/Windmill Road junction.
- Provision of cycle lanes and bicycle stands
- Additional tree planting
- Revised car parking

Contractual issues arose and will delay the completion of the project until the end of October this year. Works on the west side of the village (Tesco's side) have been completed with the exception of the replacement of some bollards on the footpath. Works on the east side are well underway and will include the replacement of the watermain. This has resulted in some inconvenience for pedestrians and the local shops. However the contractor has been liaising with the business owners to minimise any negative effects.

Stannaway Court, Senior Citizens Complex

All costings have been received for required works to allow external insulation to be undertaken in the complex. These works include changing boilers, moving of pipework, moving of gas meters, fire doors and the external insulation itself. Housing have approved the works and initial works are due to commence the week beginning 27 June.

CCTV in Benbulbin Road and Lissadel Road

Funding from the Discretionary Funds 2018 has been set aside for the installation of CCTV in these areas. Under the new General Data Protection Regulations it is a requirement to carry out Privacy Impact Assessments (PIA) and consultation before such works are undertaken. We have now received a Garda report in relation to the anti-social behavior in Benbulbin Road area and this was submitted to the Data Protection Officer. The Data Protection Officer is satisfied, based on the contents of the report, that the installation of CCTV at this location is justified. We will now proceed to consultation with the local business's. Consultation with residents representatives has already been completed.

It should be noted that Electrical Services will no longer allow installation of CCTV on lighting poles for legal and security reasons. We have now received an updated quote to include for the installation of a separate CCTV and a mini pillar for power supply. The costs are substantially greater than the initial quotes and further funding will need to be identified in order to undertake this work.

Given the increased costs, along with the substantial increase in workload in order to install CCTV and the proposed redevelopment of the Lissadel Road site it may not be possible or appropriate to install CCTV at Lissadel Road this year.

WALK – Rafters Lane

Due to the necessity to relocate an ESB pole and power supply cable crossing the site, there has been a delay in commencing work on the site. The ESB have commenced work and expect to have works completed by the middle of the week beginning 18/06/18. A revised programme of works will issue shortly and we will keep you updated on progress.

Raleigh Square, Tuath Housing

As you are aware Tuath Housing are currently building 33 Senior Citizens units in Raleigh Square. 5 of these units will be 2 bed units and 28 will be 1 bed units. The construction of these units was due to be completed in November 2018 but due to unexpected delays the units are unlikely to be completed before the 2nd quarter of 2019.

Crumlin/Kimmage Public Domain Report

Intensive washing in Crumlin Village has been deferred until after the public realm improvements are complete. Bowbridge Lane and Military Road were given an intensive hot wash after the Forbidden Fruits Festival route. Urban Shopping Areas to follow.

Offensive Graffiti has been removed from St. Teresa's Rd, Windmill Road and Stannaway Ave.

Five Traffic signal boxes in the area allocated for "Street Art" are anticipated to be complete by the end of July by the company Dublin Canvas.

Judging of the City Neighbourhoods has commenced, there are 11 entries this year including St. Agnes' Community Centre for Music and the Arts, (CCMA), which has been nominated for Pride of Place also.

The Crumlin/Walkinstown Forum Family Fun Day will host a dog show on Walkinstown Green on the 24th June at 11am. This is an opportunity to raise awareness in responsible dog ownership to combat dog fouling in the area. It is sponsored by Public Domain and organised in partnership with Community Development and the Forum.

The 3 tiered planters have been placed around the village bringing a burst of Summer colour.

Community Report

Historical Talk by Historian Donal Fallon;

A talk in St James's Parochial Hall on the architect Herbert Simms who designed several housing estates and flat complexes across the city. Residents from the Liberties live in complexes designed by Simms and the talk will have relevance to them:

Dublin City Neighbourhood Competition/National Tidy Towns 2018

Local groups and schools are busy preparing their areas for the judging of the competition which will take place during the month of June/July by cleaning, painting and planting of flowers plants and shrubs.,

Decade of Commemorations:

As part of Dublin City Councils commemorations programme four local schools will come together to hold a Q and A secession with re-enactors posing as soldiers who went to fight in WW1. This was followed by a trip to a reconstructed WW1 Trench in Ballyjamesduff to experience what life was like for soldiers living and fighting in the trenches during the great war: **09.00hr 07/06/18**

St.Teresa's Gardens:

The statue of St Teresa has had extensive repairs carried out and is now reinstated in her new location. There are family activities/events have been organized around the event.

Bloomsday in the Barn

Once again the Community & Development Section were delighted to support the organizers of the Bloomsday event in Dolphin's Barn Sunday 10th June for the annual "Bloomsday in the Barn" event. This event was attended by many well known actors gathered in the June sunshine to perform readings and songs from the works of James Joyce. Local people arrived in their droves wearing beautiful period costumes and stunningly decorated hats! Prizes were awarded (and rightly so) to the best dressed Woman & Man.

Much to the delight of those in attendance the Lambert Puppet Theatre made a special guests appearance which brought a touch of nostalgia to the proceedings.

Following the performances afternoon tea was served in the garden where people happily mingled and soaked up the atmosphere.

Street Fest in Rialto

Residents in Church Avenue gathered to celebrate this year's Street Fest in Rialto. Trestle tables lined the street, cakes were baked, sandwiches were made and the tea flowed all afternoon while neighbor's chatted and children played together. A great afternoon was had by all.

Environmental Projects

Plants

Dublin City Council Community and Social Development Team provided a number of Groups /organisations in the Crumlin Kimmage and Liberties area with bedding, perennial, and vegetable plants to enhance their areas in preparation for this years Judging of the City Neighbourhood Competition.

Cherry Orchard Development

Interviews completed for position of Social Enterprise Innovator as part of Making Cherry Orchard Better Social Plan.

Various local groups applied for the out of hours fund (€50k) to enable services in the area to apply for funding for out of hours and weekend services to benefit Cherry Orchard Area. Amounts awarded will be in next report.

Multi use / Sports Hall extension for Orchard Centre should be advertised within next 6-8 weeks. Aim for a completion date within next 6 months.

Stone Soup Project, Dublin City Council, Cooperative Housing Ireland & local prison services collaborating to rejuvenate piece of green space known locally as The Grotto. Whilst it is still not the completed project just yet, we are progressing the concept rapidly. With a modern and honest approach and jointly coming up with a proactive solution from various parties, in this case Dublin City Council, including Parks & Public Domain, Cooperative Housing Ireland and Stone Soup Project amongst others. A very positive work in progress.

Community Report

Young People

The City Council has allocated funding to the Summer Projects that are commencing throughout the area. The voluntary projects taking place are: D10Swim Club, Diamond Twirlers and St. Ultans after schools group. The following 6 Youth organisations will also receive support to organise programmes: WHAD, Familibase, St. John Bosco, Ballyfermot Star, Cherry Orchard integrated project and St. Ultans Care services.

There are 3 projects from the Kilmainham / Inchicore area: The Core Youth Service and Mary Immaculate and Spraoi Le Gaelscoil, Inse Chór which are voluntary.

Bluebell

The City Council hosted a well attended on site public meeting with the residents from the maisonettes in Bluebell to discuss the installation of a small pocket park memorial garden at the back of the houses. The group have agreed a design for the area and identified an additional area at the entrance to Bluebell to enhance. The City Council will replace fencing at the maisonettes before the work commences.

Ballyfermot 70th Celebrations

The Heritage group and Cathy Scuffil series of Talks that are being held over the four Thursdays (7th, 14th, 21st and 28th) in the library are very popular and well attended. The talks are free and topics left for discussion include: Ballyfermot in War and Revolution and Ballyfermot new suburb new beginnings.

To re create the Road Leagues that were traditionally held during the summer months the City Council is working with Ballyfermot United to organise a Road league Football tournament which will take place immediately after the World Cup, commencing on 17th of July.

The Ballyfermot committee has been nominated with the Ballyfermot Youth Service, Mens sheds and Heritage Society to the Pride of Place 2018 competition. The groups have worked well together in a voluntary capacity and have generated great activity to celebrate Ballyfermot.

The Ballyfermot banners along the main street have added great colour to the area. To compliment them the City Council is placing Welcome to Ballyfermot Signs at the top and bottom of Ballyfermot Road.

Events

There are three festivals taking place in the next month all of which have received additional funding from the discretionary funds to add events and animate the festivals.

Walkinstown Green Fun Day

The Walkinstown/Crumlin Forum supported by Dublin City Council will be holding their annual Fun Day on the 24th of June in Walkinstown Green. There will be a parade from Walkinstown Library at 12:00 noon ending at Walkinstown Green. The fun day starts at 12 to 4pm and there will be entertainment and refreshments on the day.

Drimnagh Festival

On the 7th of July, Dublin City Council with Drimnagh resident's community group and Tidy Drimnagh will hold the Drimnagh Summer Festival in Brickfield Park. This will be a great opportunity to introduce more people to park.
